How many children, youths and teenagers did not die, in suicide. When You ruled the World? Why did you not help my angel, when he cried outside of your hospitals, in the Middle of the night for help? Why? Did You let him die? Like, the rest of all Swedish children?

Why, the hell. Did, the Government not PAY me great money. To coach them all? In 3 days I myself had healed them all.

I can't Do it all alone. For the poor, the sick, the drug addicts, the pensioners, the old, the children, the schools, the criminals, the alcoholic, the "gangsters", the handicap, the Imam, the famous, the label less, the entrepenuers, the lawyers, the taxi drivers, the authorities and all the rest. For 0 money!

To my children on earth. From the King Jesus Christ!

Yes, You read right. The Left hand of: Jesus Christ.

She found out. Through 1 million social media tests of all on Facebook, Instagram, Twitter, Google and Youtube.

So, the social Anthropologist inside of Her. Opened the box to: Pandora.

She discovered the worlds largest: Death soccer game, Connecting all people on earth.

Nelson Mandela, is opening the meeting (Clubb on the table)

Nelson Mandela speaking:

-Arafat. I wonder If You have anything to add, to Our meeting?

Arafat holding the clubb in his hand. On the table.

-Yes, I have a whole lot to say. Do not Laugh Sahar and planet earth. Because This is, DEAD SERIOUS.

They killed the: Imam Al Mahdi 12=You. 3 times.=In your World. But, million times in Our point of view. They killed your Mother: Massomeh Rezaie and father: Hossien Rezaie to. Together with sister: Bahareh Bavi and brother: Sam Bavi. And your two: angel kids: Samyar and Dominik. Do, you know what I want to say to Israel?

I am back. Fully alive on earth. Sitting and having an meeting with her. While you all are reading our meeting.

Mr a President of Israel. When did Arafat, listen to your meetings? When did Arafat, ever witness your drama on earth?

Arafat lived his own life. With all Devil "Muslims" on earth. They tried to owe him. Even his poor wife and Felestinian children to.

When did Mr Arafat listen to your phone calls, cell phones or look at your bank accounts.

Mr Arafat, has waited for this day. To get his final mission and dream on earth. Completed.

Finish off, Israel. Finish, off Israel. The kids of Felestin.

Now, he needs to breath. To not get an heart attack.

Nelson Mandela, the clubb is yours!

Nelson Mandela!

-Haha. Now, my turn? I do not speak English or Swedish that good. But, I heard from Jesus, that Rawad Hadrous and Mehdi Zeitooni, killed me too.

I was an old man in their eyes. Who shall find us, with evidence. Arafat, I can't breath. Tell them. Tell the world, what happened to Mr Nelson Mandela. Because the Imam Al Mahdi 12. Does not know either. She was lying deep in coma. With a Jesus Christ crying over her: DEATH BED!

Arafat is back! (Clubb on the table, Sahar. Learn, not in the table. But, on the table). You are laughing to? How told you to laugh? We hear in her: enlightenment world. How you laughed. Like you were watching and seeing an comedy movie.

Only Sahar Rezaie is allowed to laugh!

Nelson Mandela, was lying on his death bed, in hospital. When the angel herself: Sahar Bavi Rezaie (deep in her coma - death bed) came to the hospital to Mr Nelson Mandela.

Her soul was flying away, while she herself was lying deep in nightmares.

She left her home, at nights. And came to us. In her: enlightenment and screamed, yelled and cried for help.

-My heart. My heart. My heart. It is bleeding. They have stolen all parts of my soul. All my diamonds that I got from your God=Jesus and Allah.

-They have stolen all my names. All my money. And all my works.

-They have stolen all my honor, dignity and soul.

-Arafat! Nelson Mandela and Dalai Lama. I only have those two left on the planet, among my leaders. They are taking Mr Nelson Mandela to.

Arafat, can't breath. (Bad memories comes back) Clubb down. We are done for today and for ever. You do not deserve to hear anymore.

Take all Felestini and "Muslim" people out. With all their "Muslim" countries.

One, Palestinian or Lebanon woman, comes 1 meter near her. Whole planet earth, will be blownd up, into TRILLION PIECES!

To, Israel!

TAKE YOUR GARBAGE OUT!

THAT YOU SENT ON ME. AN TIRED OLD MAN. WHEN I COULD HAVE RAPPED WITH MR:

ARAFAT - NICK NAME (NICKY PAF)

Arafat singing hip hop, like Tupac Shakur. You did not like our homie and brother, Pac? From another mother? Coming to us all, saying: Imam, Imam, Imam. Get all up, she needs her angels.

THE END!

Nicky PAF

-----  
Sahar Rezaie Bavi, speaking!

Israel. Israel. Israel. I swear on my fathers life. If he is still alive: Hossein Bavi. That I will rip, the whole Israel out of Mother Earth, tonight.

When I have finished gathering all parts of my document. I know what to do with you, Putin, Islamic Repubkic of Iran, Islamic Ummah and the rest.

I; Benjamin. Work in fart mode. I work by fast hours, like an computer. Faster than an robot made by your Einstein NASA people.

The time is right now: 15:39. Copy the time. And look at the time I finish of this beautiful speech.

Forget all about money, home and jewelers. Forget all about Carina Glattstein and Rawad Hadrous. Forget all about the Kings and Queens.

Look. Benyamin!

Me and you, are going to meet: TOMORROW in the streets of Tel Aviv. Hold an national speech today to your nation. And I just tell some few Tupac fans.

Get me into Israel tomorrow. It is over. Benyamin, the father of Carina Glattstein and Rawad Hadrous is going down.

Do, you know how I exposed you!

I swear to tell the truth and nothing but the truth, so help me GOD!

I am listening to the same song right now. The memories came back. The restaurant; Andrassy helped me, with their music choice.

I was sitting in a Bali, year 2014. You remember BENYAMIN!

CLEAR WHOLE ISRAEL.

Tomorrow it is between me and Israels DEVIL.

I SAID: CLEAR WHOLE TEL AVIV!

In the hotel of Bali. When I was sitting to write my inspirational books. An whole soccer team from South America came in. Young boys.

They could not let me be left alone.

Hitted on me. Looked at me. Sat next to me. Talked to me.

And I was thinking:

-Can these mother fuckers, to young bozy just let me be?

Then came the reporters in, to the hotel Lobby. And filmed them one by one. Interview after interview.

And I just laughed at them. And looked at their happy faces.

There was an great awesome pool, next to the lobby house.

Where all of them, jumped in one after the other. And I just could not stop look at them.

I got an idea!

Let's do an inspirational e-book, based on soccer! Every man loves soccer. Maybe I can earn my money, from that.

So, I began, writing the: WAY OF AN GENTLEMAN!

It, was an hit was it not?

It got Cryuff and Tito Vilanova and 1 billion more dead?

I SAID, TO YOU MOTHER FUCKER!

Was it not an hit? When I wrote it. With Messi in my texts. Zlatan Ibrahimovic's. Guardiola. And all the rest.

Xavi, Iniesta and Puyol.

I knew, that my e-book. The Gentlemans way, would be an great hit. Inspiration and motivation to the highest level.

Never did I know. That Benyamin and Rawad Hadrus. Mehdi Zeitooni and Mark Zuckerberg. With Swedish police officers. And a Islamic Republic of Iran. With United States.

Would use every word of my inspirational e-book. And use their Illuminati soccer Death systems, to calculators. TO KILL 1 BILLION OF MY PEOPLE ON EARTH.

I just looked 3 seconds on the tv scream, Maybe two and an half weeks ago. And got the power of the whole universe, to wright down the whole rapport in these last weeks. Still under recovery.

How Does it feel now? Happy, or Do You feel More powerful?

-We just killed Kobe to? Yes!

Rawad Hadrous: Satan of Mother earth. Sent us the whole: Infinity Project. And We just ended it for her. Because She wrote inspirational texts about: Orlando Magic and Toronto Raptors. Specially about Her biggest hero in the basketball World: Shaquille O'neal.

I am no child anymore. I am an grown up Woman. I am 37 years old now. And fully reached: Enlightenment last years, with the help of: Mr Jesus Christ and all his Archangels.

Archangel Gabriel says:

When the horn (trumpet) of Mine was succed. Did you feel offended? Was that Why, You had the urge to Kill Kobe Bryant to?

Planet earth is being washed away. With all your bloods, over whole humanity. So, it is totally okey for Mr Kobe Bryant, and also for us.

But, Why did you use inspirational texts, words, PDF files, copies of Her computer and Ipad screen, to kill him?

Could You just not go near his mother, or sister. Or, Shaquille O'neal and just Give them an gun and pull the trigger, as REAL MEN?

Now, let Her finish the conclusion, before humanity tonight.

Mama made me the man of the house. She was my mission. Get Her out of the kitchen.

Me the same Pac. Get my Mother out of SWeden. Out of the hands of Rawad Hadrous. Out of the ghetto of the Kuwait - Mecca street of heaven on earth.

Truth hurts. Let me Ask Why? If They Ask me. What would the difference Do? The end is near. We loose. If They take from me.

If Once I was Dead. All would be over. I would go to heaven. To the old ones. I wonder If hell has an ghetto. For Kimmy Kill Kardashian? Or, did the evil coming out of Her? Come out of my own soul?

Swedish Hip Hop Group: Advance Patrol.

Dead member: Chafic Mourtada

Juan: Juan Hektor Paez Larraguibel alias JuanHavana och Magyver Juan, 24 februari 1981 i Sverige= $6-2-1$

Gonza: Gonzalo Rodrigo Del Rio Saldias=11 maj 1981= $2-5-1$

Chafic Mourtada=killed through "suicide"=20 april, 2002

Juan and Gonza worked later on the radio station din gata: 100.6.

What they did not know, was that the Swedish radio station was involved in one of the worlds most largest homoicide`s. Called: The death soccer connection game of Illuminati and Governments connecting all people on earth together, through death soccer.

I Kill Chafic, in building 11 on Majorna Street, through devil "suicide". I use his name to find another number. I see infront of his building. The name Cha Ali Mohammed.

I steal That name and copy the New buildings number: 10.

We have odd numbers on One side. And straight numbers on the other.

Who, can I Put together with: Alive Cha Ali Mohammed? What is his birthday?

Okey, the Governments of Illuminati datasystem. Found Mr Paul Walker in United States.

Paul Walker is killed, in a huge death story connection. But, nobody knew Where it came from.

Nobody, knew Where his real death place, First took place.

It did not First happen in California. It happened right in Sweden. Infront of my brother: Sam Bavis house!

Lets continue. Why, Do You think That I got attacked, down in coma by 4 billion of Illuminatis devils? The toughest death soccer players and leaders on earth? Because I found Their truth, through my young cousin.

The second Prophet after Tupac: Hossein Tanani death!

NO HOSPITAL? I HAVE NOT BEEN TAKEN SeRIOUSLY OR TO HOSPITAL, YET?

The biggest mass murdering ever. Where the songs, comments, the people who came to the radio station, was connected to all killing in Sweden and outside of Sweden. Connected to Juan Havanna and Gonza. Who knew Nothing!

Exempel: Peter from the Hip Hop group, 32 years old. Is a guest on the radio station. Clara just got killed outside of the radio station, in connection to Peters work, lady, age, birthnumber and bank account.

Juan went to the same school as young as Carina Glattstein. The Krokbäcks school. And Rawad Hadrous lived Rosengård/Jägersro next to them and knew them in the same city.

Juan who worked on Din gata, had his workplace next to our bag shop in the middle of Malmö Centrum.

Din Gata, 100.6  
Cavalet Shop

They used the Swedish Radio station - Din Gata, with all Swedish National Media. To Put an satellite between Me and Juan Havannas work places.

They connected my real life to his radio station.

The time is right now: 08:13  
Today all on earth are gone

Listen very careful. Only One police officer out there.

Juan Havanna worked next to me in the Swedish Radio station - Din Gata 100.6  
I worked an block away from him, in Cavalet shop.

He played: RnB, Soul music and Hip Hop. 24/7  
I worked with design, fashion and art, by creating my own bag label: Revorez.

What I did not know, back then. Was that:

When he played an song. And I listened in my store. They copied the artist and the name. With the (INKOPPLAD) of all my mothers costumer.

Our: Bank and card machine of the store was connected to: Swedbank, SEB bank, Government of Sweden, tax offices (Skatteverket) and all the rest.

Stand up, Juanito Havanna! Stand up, today my brother! I want to cry.

You played Whitney Houston. And I listened and laughed at your beautiful humor. And They copied all those artists with Our bag shop (card machine) and killed all artists of Our greatest ones in United States.

Carina Glattstein, Rawad Hadrous, Zeitooni, Hadrous family of More than 1000 devil family members of Putin!

ORDER TO JUAN!

Before I rip the heads of all in Sweden. Go, to Stockholm today with the rapport. And gather all my soldiers, who are angels. We need to start from Somewhere. Tell them:

TONIGHT! Or, You are Dead. All are going to Israel: Tel Aviv.

Sahar Rezaie äger hela Sverige och er regering samt bankerna! Ni går upp omedelbart!

ORDER FROM WORLD PRESIDENT!

Bomb all shops today. All, shopping malls. All cloth stores. Begin with the biggest slut in the universe.

Kardashians: CLOTH SHOP (DASH)

Vad är detta för barn lekar, som Sveriges vackra regering försöker tillämpa på mig och min familj?

Vad i helvete, sysslar ni med? Håll era kära dödsspel långt borta ifrån mig och min familj.

Vem i helvete, trodde ni att ni var? Vem i helvete, begår ett sådant avsevärt stort brott gentemot en ensam kvinna och försöker tysta ned henne samtidigt?

Jag visste alltid, att ni var: Rasister, nynazister och Jude hatare. Riktiga muslim hatare.

Ikke, Islamiska republiken utav Iran och all de "arabiska" så kallade "muslimerna" i ett land.

Som ikke, var muslimer. Utan, riktiga djävular.

Trodde ni, verkligen. Att ni kunde mörda hela planeten jord och komma undan? Att det ikke fanns en Gud, där uppe som såg allt?

All smärta som ni har förorsakat mig, för ingen anledning överhuvudtaget. Förutom: Makt, vapen, horor, prostituerade, Casino pengar, försäljning utav vapen till Islamiska Republiken utav Iran, bankerna och hämndlystna.

Förstår ni själva, vilket avsevärt universellt stort brott som ni har begått emot mig?

Och, sedan tvinga in mig i mental sjukhus. För att skriva i era data system, till soldaterna. Ja, samma svenska soldater, som brukade stötta er och följa era strikta hor lagar och regler.

-Lyssna ikke på: Sahar Rezai. Som kallar sig själv: Imam Al Mahdi 12. Flickan är psykisk sjuk och behöver vara inlagd.

Hon är en fara för sig själv och allmänheten.

Men ikke efter idag. Inte efter att ni mördade Avicci framför mina ögon, med mitt bankkonto och min syster: Bahare Bavi och bror: Sam Bavis name, adress och personnummer.

Vi i familjen Bavi/Rezaie har alla bank uppgifterna klara. Vi kommer att dra ned hela landet Sverige. På 24 timmar med hjälp utav hela planeten jord!

Vem i helvete, är psykisk sjuk egentligen?

LÄS OCH DÖ!

I put the information and mathematics about Chafic on Facebook, year 2015-2016.

Year, 2018. 20 april, Avicci got killed, because of my Facebook informations and the connection between Me and Juan Havanna.

Working shop to Radio station.

Who the fuck is insane, Swedish Illuminati whores? Me, the angel or You? One step. One millimeter near me. With your guards, police officers or government. 2hole planet earth Will be lifted, by my own hands and crashed into billion pieces, right infront of You!

The satans name is: Rawad Hadrour

And the angels name is: Sahar Rezaie

Right, shall be right. For all my human and womans right. Do, You not follow the laws of your own?

FN and UN?

Soldiers of FN and UN, get ready. With the soldiers of: Israel, Putin and Unired States! Its time for WORLD WAR!

ORDER!

Get only One muslim Guy out of Sweden, Malmö. With his Palestinian key.

His name is Mohammad. The Swedish officers of Swedish Government, knows Who he is. Tonight. And not later than, tonight.

He Will open the Doors to his Palestine, with his Allah Key.

End of discussion. Thank You.

My public e-book. About personal development. Tant Agda was my tumour in the hand that saved my life. The name of the book was: This is me!

The name of the book=This is me, in Swedish= Detta är jag.

Birgitte Bonneson!

Hi, dear One. With the most ugliest face That I have ever seen on earth.

Listen to This, whore!

Once upon a time. When I was younger, I just looked through Youtube and found an video, were it said:

The worlds most ugliest girl/Woman

With millions of view. And millions of thumbs up.

Before I even started to look at the video. I saw Her face and started to cry.

She had an missfoster face. And the World laughed at Her "ugliness".

I want to rip the whole planet apart, just for That young girl, alone.

For people taking the Rights. Committed such an awful crime against Her soul, dignity and honor. To call Her: The worlds most ugliest girl/Woman. And then spread That video, on al, Their Facebook pages like an fire.

Look, at my story. It came out, the First time year 2015. Right, Birgitte Bonneson. VD of Swedish Swedbank? But, You got fired, right? Because of me? Because of my hate relationship to your devil whore, to dick sucking prostitute to devil leader: Putin, right?

Birgitte!

Do, You know. Who I call: The worlds most ugliest woman?

I am not like the rest. I Do not see: Kim Kardashian ass, face or breast. Not, even their clothes, scars or bodies.

I saw: hearts and souls!

That girl/Woman is today the World most beautiful Woman and the devil whore of all Banks in Baltikum, Polen, Russia, Ukraine, Sweden, Finland, Denmark, Norway, England, United States and the rest of the devil countries. Are today in my eyes, the worlds most ugliest woman, to massmurderer.

Did, You even take the rights to steal my words, from my inspirational e-books to Kill? All on earth? Our own Avicci?

Hell is not, What is waiting You on earth. Hell is, when Jesus Christ finns You on the other side. There true hell beings. (Prettiest asshole of the planet).

E-BOOK FOR SELL (GUMROAD - OPEN ALL OLD ACCOUNTS, THEY TOOK THEM ALL DOWN. YOU HAVE 1 BILLION DEATHS, ON YOUR SERVERS. GET WHOLE INFINITY PROJECT OUT OF THEIR. FOR MY BANKS)

Sorry, That I did not Tell You directly. It was better like That. Get all your database out of your systems and all my (social media tests - all Pdf files) I saved them on your serves. Because, You were the only ONLINE company That I trusted in. My own free spirits on earth.

I can give You the whole: Worldbank for That server (The New Facebook) Thank You!

Accident: 29 december, 2013: 2-3-6

Nathalie Cardone, född 29 mars 1967, är en fransk skådespelerska och sångerska från Pau i Pyrénées-Atlantiques

Nathalie nameday 29 december.

Hasta Siempre!

Nathaniel Philip Victor James Rothschild (born 12 July 1971)  
3-7-9

Because of two more persons. Mr Che Guevera and Michael Jackson. A joke? Yes, I wish.  
BITCHES! To connect them in Their death Section games with Michael Schumacher.

Michael S? Did, You listen to Michael Jackson anything under all those years? And  
Maybe liked or mentioned Our: Che Guevara? What an joke, right?

I bet it was awful to be in That bed, with all injuries. Mine were fifty billion times worst.  
But, you got doctors and guards to help You up, right?

I got none. All alone. With 4 billion devils, crushing me even in coma.

I can bet, it felt awful. When You took your First steps, after the coma right?

Did You get, doctors for rehab? Walking again? Training? Recovery? Good! I got none!

They came instead inside of my house. In my mothers cabin, in Sweden. Where I was  
resting. And spitted on me.

The "mental" hospital kids of Swedish Government!

Anna and Erik, they called themselves!

-You really, think That You are: The Imam Al Mahdi 12?

-Sent from God, to humanity?

-An angel? (Sarcastic smile)

I got the diagnos: Schitzofrenic and bipolar sickness, while I was sleeping in my coma.

I was injured from head to toe. I could not even get to the toilet or take an shower. I  
could not even see. Putin, crushed my eyes. I lost all sight. And got blind for 1 year.

He crushed my head, with inner blood injuries. With his 4 billion death soccer players.

God, Jesus Christ and all his angels came and saved me. And fought against them all.

Michael, my dear father Schumacher. Did, not Putin and the presidents Tell You all on  
earth, about the greatest war ever?

How They fought against Jesus Christ and Archangel Michael, in my cabin? In, Sweden?  
From year 2016-2020?

Was that not an important news, for the World to know? So, That they could help?

Tell my brothers in France!

Before Sweden, goes down. Find Anna and Eric, and kill them both, seperatly from the rest!

Its called: Special medical TREATMENT!

Hasta Siempre Text!

Until Forever!

We learned to love you  
From the heights of history.  
You beat the death  
With the light of your bravery.

Here stays the clear,  
And fond transparency  
Of your dear existence,  
Comandante Che Guevara.

You approach burning the breeze,  
With the sunlight of spring,  
To plant the flag,  
With the light of your smile.

Here stays the clear,  
And fond transparency  
Of your dear existence,  
Comandante Che Guevara.

Your revolutionary love  
Leads you to a new formation,  
Where they wait for  
The strength of your liberating arm.

Here stays the clear,  
And fond transparency  
Of your dear existence,  
Commander Che Guevara.

We'll march forward,  
Like we marched with you.  
And with Fidel we will tell you,  
Until Forever, Comandante!

Let us begin with Fidel Castro.

He was born in Havanna. And there was an famous little boy called: Juan, Juanito "Havanna" in Sweden. Who worked next door to my shop. I talked about one young Guy in Sweden called Chafic. He was an rap artist in a Swedish group called Advance Patrol. And he "commited" suicide. His friends name was Juan "Havanna" in the same group. Juan and the others lived in the same neighbourhood as Carina Glattstein and went in the same school called: Kroksbäck. I told You That, right?

Why, Do I not see it on the front pages of all NEWSPAPERS? Or, TV CHANELS? Or, on all your prostitute to whore, death connection game, Facebook slut, to prostitute pages?

Carina Glattsteins father was jewish from Israel and mother from Russia and Ukraine. Worked for both Israel and Russia.

And she killed the young boy called Chafic Mourtada.

PART EIGHT!

The banks on mother earth!

Rawad Hadrous - Imam Al Mahdi 12 - Satan of Mother Earth!

The story behind Paul Walker and Roger Rodas death. How and why they got killed, by all devils together playing in the worlds biggest, soccer death game, like team mates.

I want you to look at it, like this!

You have fathers and mothers who have kids. Together they create an beautiful death dance, to keep records of their death game museumand scores.

For every goal=death soccer goal=They get money from the police officers, Banks and Governments.

That is Why, they choosed Roger Rodas. Who, worked in: Bank of America, connected to my own bankaccount in Sweden.

Swedbank

Clearingsnumber: 8480-6

Bank number: 994 944 192-8

Sahar Rezaie

The parents rule over the children, who commit all crimes for them. Who play for them, by their own history and life.

We have the leaders=Presidents and all Banks. And underneath them, they have the "kids" like: Rawad Hadrous!

"Kid" Rawad Hadrous killed alone=1 billion on earth. And was cloned 3 times. Was the historical name: ADOLF HITLER.

Who lived on earth, three times. And was the man behind the killing of MR CHE GUEVARA!

ORDER TO ALL SOLDIERS ON EARTH!

7 days is all That You have on You. To gather: 1 billion soldiers of humanity and Mother earth. From all 197 countries.

After those 7 days. I Will get men, to take me inside the ATOMBOMBS, and blow up the whole planet.

Who, owns the planet now? All countries? The whole planet and all Banks? You want money? I won't give You. You have to earn it!

-----

So, back to Paul Walker and Roger Rodas.

What these two men did not know, was that two of the worlds largest and most dangerous devils, who killed the whole planet. All men, woman and children lived in Sweden.

They were together, the "old" Adolf Hitler.

They crushed me together with Putin, Israel, Iran, London, France, United States and all the rest of countries, into coma. And continued there.

ORDER TO ALL MEN, IN ALL 197 COUNTRIES!

\*Go, out today. To all Governments and bomb them. And take over the soldiers. They are now mine!

ORDER TO ALL MEN, IN ALL 197 COUNTRIES!

\*They killed up to: 1 billion on earth, while They were killing me at the same time.

I am after: THE BIGGEST BLOOD WAR. THAT HUMANITY HAS EVER SEEN.

I was not allowed to save all Jews life, from the: Second holocaust. So, they committed the second holocaust on me instead.

Lets continue! Planet earth is down. In 7 days!

Their woman's name was: Carina Glattstein from Sweden and their Satan of Mother earth. The Lebanon/Palestinian: Rawad Hadrous. And arabic/Iranian : Mehdi Zeitooni.

The three most evil and dangerous devils of planet earth.

One look. One touch. The other One, has become like them. Or, is now lying in an grave.

So, Sweden!

You ignored all my (crying for help). All my:

\*1000 pages of maths and deaths (to save the people of Mother earth) 6 years ago? You instead, helped them to crush Me and the whole planet?

You ignored all the: Mails, text messages, phone calls, crying and crying: PLEASE, I AM DYING HERE. PLEASE! THEY ARE KILLING EVERYONE BECAUSE OF ME. PLEASE! I CANT WALK ANYMORE. PLEASE! I AM BEGGING YOU TO GIVE ME YOUR POLICE OFFICERS AND SOLDIERS! PLEASE! I HAVE GOT ENORMOUS HEAD INJURIES!

One step. One centimeter outside of Sweden. Try to flee out of Sweden. Everyone. I Will get all men on earth. To gather themselves, as an huge humanity Group. To, tear the whole planet apart in 24 seconds. Ypu Do not move, 5 meters outside of Sweden. You stay in your homes. And wait for your death turn!

Carina Glattstein born: 7 August, 1982

Her numbers: 7-8-2

Rawad Hadrous born: 1 November, 1979

Once upon a time when I was young, I got to know Carina Glattstein through friends. I studied her in and out.

Once upon a time. My path was connected to Rawad Hadrous. I studied him, in and out.

-----The year was 2008. When I was invited to a trip to United States, with Carina Glattstein to her families close friends who lived in OC, California. Los Angeles.

We arrived to OC, in the middle of the summer. Stayed there for 2 weeks and visited many places. Back then I did not know that much about her, just that she studied with my girlfriends at an university to become a teacher for children.

Los Angeles, OC, California and Las Vegas. We visited all places. Maybe we saw Paul Walker and Roger Rodas, without me even knowing about it. Because we met many different people there.

Map. Where we were.

OC-Santa Ana-Anaheim

Her name was Krystyna. A famous realstate in Los Angeles. That was the Woman from Sweden, helping Her Kill: Paul Walker and Roger Rodas.

The Swedish Government, Russia with Putin, together with Iran and Israel. Sent the Woman: Krystyna to United States. And gave Her: billions of dollars. To Kill everyone.

Maybe Paul Walker and Roger Rodas knew her. Maybe They bought Their houses from Her. Maybe, I have not yet asked them. Why, Should I? Bother them in Their heaven, with silly questions? When I know the truth about everything?

Did, I commit One single crime on Mother earth? Not One! Not One single, One! Beat That, Mother fuckers!

Roger Rodas born in Santa Ana.

Dead in Santa Clarita.

Paul Walker lived in Santa Barbara.

San Clemente.

A few blocks away. They had San Rafael Avenue.

They "crashed" the car on a street called: Hercules street. Remember that name. Because the big discotec fire in Gothenburg Sweden, called: Backaplan Fire. Was also on Hercules street.

Paul Walker said: The car exploded before it even crashed. (Inside information. Beat That. Mother fuckers)

Their car "crash" was connected to: Chapecoense flight "crash" with one member in That "accident" with the name: JESUS!

Paul Walkers house in Santa Barbara, was next to: E-Gutierrez street.

Who is Gutierrez?

The most famous Real Madrid player, who threw all his devil fans of Real Madrod on me?

The Imam Al Mahdi 12? Mother fucker! In a few days. Madrid is gone. Do not flee. Stay exactly Were You are!

Or, did They connect Paul Walker to Antonio Gutierrez? President of FN?

Indeed, to both!

I worked in my mother's bag store called Cavalet. We sold travel bags to everyone, in the middle of the city Malmo.

I had just ended the three month long relationship to Rawad Hadrous and my "friendship" to Carina Glattstein. Both of them were very full of revenge. Refused to leave me alone. She coming into the bag shop every few weeks to fight and start arguments and drama. He watching with Mehdi Zeitooni and his huge muslim group, from outside.

Back to the bag store. I made my own "label" when I worked there, called: REVOREZ. Which was meant to work as: REVOLUTION and my own surname: REZAIE.

Carina's surname was: GlattSTEIN=Stone. In Swedish: Sten.

How did they find Pistorius?

He was an expert in sports. In every single detail that had to do with sports and crimes. They found his name in the street name: Fylkinggatan=Swedish OS Woman.

-----

AVICCI

He was going to have his last concert in Sweden, Malmo. I was going to go. But I cancelled in the last minute. Because of the war between Me and the Muslims in Sweden. Between Me and Rawad Hadrous. I had all Muslims in Sweden, together with all police officers and authorities on me. So, I was locked up, at home with deep injuries. Not, allowed to leave the country!

Could I not call anyone, outside of Sweden? I did! To random people. They did not answer or get me the help I needed, with all police officers on earth, coming into Sweden. So, I collapsed back into coma.

All on Mother earth, are going out of the planet, within 7 days. I hope the last 6 years, was the best time of your lives. And That You had fun! The end!

YOU KILLED AVICCI! YOU KILLED HIM! ALL OF YOU KILLED HIM. NOT RAWAD HADROUS OR MEHDI ZEITONI. BY NOT GETTING ME ANY HELP. YOU KILLED HIM!

I am seeing You right now. You are holding an black note book. And have an pen. A devil pen in the other hand.

You just left an urgent meeting. All red in your face, out of anger.

You took him around his neck. And said: Its okey. Its okey!

How Does it feel to loose Mr Trump? Are You, the devil of the planet not used to loose? You Do not like to loose? Does it feel awful? Like getting crushed into billion pieces? Like all That You ever worked for. Just BABOOOM, fell down to the ground? Like, the twin Towers of New York, city?

Rawad Hadrous in Sweden, was late Adolf Hitler!

You want to know why, Avicci was killed 20 april? Because That was Adolf Hitlers birthday.

The Swedish Government knew all about it. Did they not Tell You? Then You have yourselves to blame on. Why did you not come to ask me? Because, You all were involved?

Remember One thing: There are still "Swedish" people outside of Sweden. Like: Swedish Maffia. Axwell, Ingrosso and the rest.

When they found out. How the Swedish Government used Their names, birthdays, bank accounts together with mine. To Kill Our Avicci, with the help of the Swedish citizens.

The same: Swedish Maffia. Will rip the whole country apart together with Zlatan Ibrahimovic, for getting his brother: Sapko Ibrahimovics killed. Because Rawad Hadrous counted the: ELEMENTS UNDER MY HOME WINDOW TO THE NAME:

SAPKO IBRAHIMOVICS!

Vad tänkte ni, när ni läste, Belgravia? Grav eller Bel? Såsom i: Fresh Prince of Bel Air? Will Smith?

Will Smith född:

25 september 1968=7-9-6

Eva Rausings peacemaker visade, att hon avled kl: 07.19

Vad har Will Smith med Eva Rausing att göra? Tydligen så arbetade hon med Obama, tidigare i sitt liv. Kanske hade hon förknippelse till honom genom andra.

We need to end with Tito Vilanova.

Tito Vilanova and Cruyff from our Barcelona was killed because I knew an Iranian man in Sweden, named: Hamid Eslami. Me and him was friends when we were younger and we both were great supporters and fans of FC Barcelona.

Tito Vilanova and Cruyff were both killed in something called: Death soccer connection game.

They were connected to an little girl from Sweden, called: Ebba Åkerlund who was killed in the 4 of april, 2017 Terror bomb, against Åhléns in Stockholm. An famous store in Sweden.

His name for me represented:

Vila=In Swedish=(Rest)

The death building of Mr Tito Vilanova, was found by me. In, the city of Lund, in Sweden.

The Satan of mother earth. In Sweden. Who killed all on earth. With the help of the presidents of the planet. RAWAD HADROUS.

The greatest and largest: Juve (Juventus) supporter of Mother earth!

Order from Tito Vilanova and Cruyff!

-Get all Barca fans up. Like they did, when we met the animals of Real Madrid. What the fans did not know about. Not, even Cruyff at that time. If he knew. He would have done something about it. He would, himself alone. Had burned down all soccer players and soccer Fields. All. Even his own Camp Nou in rage. In anger of what they had done behind the scenes, with killing all soccer players on field with electro magnetical instruments that came from the other players, refferi and line supporters. He had no idea. Off course you cant do that everyday. Otherwise, people would have suspected something.

Chapocoense flight was just one. That was just in their papers an "accident" But not in Tito Vilanova's case. That was: Trippel murder. Dubbel murder. Four times murder. He wants. Because he cant speak anymore. From anger. All Blau Grana fans to burn down their own Camp Nou. In rage and anger. Throw bombs all over Barcelona. Say:

-This comes from Cruyff. The one and only. With the old players they killed the soccer Fields in honesty and great dance of football. They brought the World together in laughter, celebration, World cups and friendships. They played the real game.

Then came the New. Like Ronaldo, Messi, Iniesta, Xavi etc. They ruined the game.

-Our angels? How dare you Cruyff talk like that about our players?

-How dare? Who? Who the hell, do you think that you are talking about? I am still alive. In the heaven above you, watching at every soccer game. Like a referee. Writing reports after reports. You supporters thought that you could go against: The one and only: Cruyff? Who built the whole Barca team? Who built everything with his own hands? For the sake of Italy? You thought Cruyff did all that work, for the game companies?

ORDER FROM CRUYFF!

-Burn all casino, gambling, soccer Fields, soccer arenas and soccer players down. All of them. All over the World.

-All countries. Get all their National teams out. Both woman and men.

-Get all children who plays soccer, out of mother earth. Burn them all out.

-Get all soccer leaders, coaches and Presidents. FIFA and the rest, out of mother earth.

-Get all their woman out of the planet.

-Kill all on mother earth, who have played death soccer games.

To all Barca fans. You thought that it was an joke? Rawad Hadrous? The Palestinian/ Lebanon soccer fan, to death of Juventus, Real Madrid, Barcelona and Sampdoria sat at every Championship match next to you?

He was involved in all games. Meeting supporters from all over the World. With his animals to racist brothers and murderers from Sweden. They killed both in front of you. Next to you. Behind you. And in your stomachs. You witnessed it all. But played dumb? Walked by? Did not care?

-My wife is at home. Sick. And I have a child. That is not my problem?

Cruyff says: Ofcourse, that is not your problem. That is why, when he now takes down all sports on earth. That is still not your problem. You sit at home with your wife and take care of her. Right? You mind your own business. And Cruyff minds his. Right? The end!

-----  
We need to look at everything from above. What a hell did Tito Vilanova have to do with the 11 year old girl, named: Ebba from Sweden?

Names:

Tito Vilanova=2-9-2-6

Ebba=5-2-2-1

Vilanova=4-9-3-1-5-6-4-1

Åkerlund=9-2-5-9-3-3-5-4

Tito Vilanova birthday: 17 september 1986

Ebba Åkerlund birthday: 7 june 2005

What I see in the two first names together is:

2-2-2-2=Four death's in Åhléns.

5+6=11

One single 9=My birthday (11 september)

I had to look up, the adress of Rådhuset. The building of Swedish Government that represented Tito Vilanova in Lund. And the adress was:

Stortorget 7

I found the four two's=2-2-2-2

What I can see in the last names are:

Tito Vilanova gets killed year: april 2014

Cruyff gets killed year: march 2016

Ebba Åkerlund gets killed year: april 2017

António Manuel de Oliveira Guterres. The head general. The president of FN. Can tell us all about how he killed Cruyff right? But, he won't. His dead already!

Tito Vilanova killed by Antonio Guterres, FN, FIFA and the rest: 25 April.

On Cruyff's birthday.

Hendrik Johannes Cruijff

Born: 25 April 1947=7-4-3

The terror attentat on Åhléns, Stockholm had not happened yet. They copied Cruijff's birth year of: 1947 and killed Ebba Åkerlund and the rest on 4/7.

4511=Gutirez. Player of Real Madrid. (4-1-5)  
45113=Antonio Gutirez FN (3-4-5) minus 11 which belonged to an soccer player with the number 11.

Did Cruyff or Tito Vilanova have the number 11?

2.1389=Cruyff (6-3-9) minus the 8 which represents an soccer player in Real Madrid with the number 8 on his shirt.

What is the sport called? Fotball? Or, soccer? God is delating that sport out of the planet.

The only one`s playing that sport is going to be the poor in Africa, who played that sport with Coca Cola and Fanta bottles all around their feet`s. Just to shoot the balls into goal.

Before we end. We need to take an closer look at the bomb truck that drove into Åhléns store, in Sweden.

Benjamin together with Rothchilds and the others produced an devil called: Kim Kardashian. But, she is no devil. She was only their dog to catch the others.

Both Benjamin and Kim Kardashian, together with 4 billion devils of mother earth, produced babies who killed for them. So, here is the story behind: Tito Vilanova, Cruyff and Ebba Åkerlund.

Benjamin Netanyahu went into Kim Kardashian. Who in her devil night parties had dubble sex with Rawad Hadrous. The biggest satan of mother earth. Who lived in Sweden. Who performed the work for them.

He gathered all devils in Sweden. And had night sex parties with them. In their night dreams.

Night parties=another word for: Devil comes into the bodies of human beings.

Rawad Hadrous selected more than two million devils in Sweden who worked for him. Carina Glattstein was among the greatest One of them.

Then we finish off with the Alphabet in the name of Vilanova=4-9-3-1-5-6-4-1.

In the end of his name we get: 6-4-1

What did 6-4-1 represent for them? I had to ask God. He answered:

-When the time had come for the planet to go down. They made an new plan.

Benjamin gathered all on his meetings worldwide!

-We have authority on earth, to do what ever we want. We have nobody over us. No one in charge. Nobody watching us. We let the devils kill everyone on earth and then we clone them, to look like human beings.

He never knew, that God had all his angels and Jesus Christ already on earth. They were in Jerusalem!

God, laughed and said:

-Pitty them! Please kill everyone on earth. But please don't find my Jesus. We do not want an second crucification, of what happened in Israel, right? Long time, right? Please, go ahead and kill all. But, please just let him be left on the planet, alone. I have serious plans for him!

From Jesus Christ!

I am here already. I am inside of her: Sahar Rezaie Bavi and already on earth.

We have met. I have already seen you, with your friends playing the "pajas" of mother earth.

Long time ago, there was an King on the planet. The only one. And in his own homeland, you let another jewish King kill him. How come? What was the faults and crimes that he had done? What about you Benjamin? Are you an jewish King? I AM!

From Jesus Christ to whole Jerusalem. Pack your things. Because all of you are leaving mother earth, for all the crimes and murdering that you Have done on earth.

I am Jesus Christ. The only savior of mother earth. If one human being is still alive, without being cloned and murdered before. I and God are more than happy.

I have traveled from afar to be here on earth. I did not come to see an empty planet or an half full planet. But, one full of happiness and abundance.

I am leaving planet earth now. To return later. I will bring with me:

Malcom X, Martin Luther King, Gandhi, Che Guevera, Tupac Amaru Shakur, John Lennon, Tito Vilanova, Cruiff, Mother Theresa, Whitney Houston, Aaliyah, Left eye, Paul Walker, Roger Rodas, Michael Jackson, Nate Dogg, Arafat, Nelson Mandela, Avicci, Hossein Tanani, Javad Rezaie, Hamideh Aleshtari, Reza Rezaie and sister, Olof Palme, Anna Lindh, The soccer players of Chapecoense flight crasch, Bob Marley, Whitney Houstons daughter and the rest.

I am an expert in cloning people. I know exactly how the process works!

To all Barca fans on earth. My own family story!

My father: Hossein Bavi and brother Sam Bavi. Were the true Barca fans of mother earth. They started their Blaugrana celebration and party, when I was really young. When I was an little child. When my sister was still an baby.

Our home was an true Barca home. From carpets, to cups, to clothes, to Baby shoes, to towels, to everything.

It started with my father. Then my brother. Then my mother. Then me and then it Went further to my little sister.

When I was twelve. I got the chance to see Barca in Sweden. And I was the happiest girl alive. I got to see: Guardiola. Who I was in love with, in the city of Varberg with my brothers friends.

I still remember his face. When he came towards us and gave us an hug. I kept that memory deep in my heart. And always told everyone. Even when I had grown up. Everybody knew that I was in love with Mr Guardiola.

When he became the head coach of FC Barcelona. He had one Guy from Sweden, who played for him. Who? Yes, Zlatan Ibrahimovic!

The thing is, that me and Zlatan Ibrahimovic. Came from the same city. The city of Malmö. Next to the city of Lund. Only ten minutes drive.

The Hadrous family killed Zlatan Ibrahimović's brother: Sapko Ibrahimovics. Who I Once Had met in my own apartment, Without knowing it.

The devil himself: Rawad Hadrous Never told me. He never introduced him to me. They came fast and left fast. I never really got to see or touch his face.

-----

Zlatan Ibrahimovic born: 3 oktober 1981=3-1-1

Henke Larsson born: 20 september 1971=2-9-9 (Devil of theirs)

We just put their numbers, in case we need them later.

So, Mr Guardiola himself had been in Sweden. Playing against Borås Elfsborg. Maybe, he still remembers that day?

\*Kept the ticket of That game. And showed it to Rawad Hadrous, when I was young.

Dear Barca fans!

I made an gentleman project year 2014. Where I used Mr Guardiola as my gentleman. I did poet and poems together with soccer. I used my creativity. And wrote inspirational texts about the Barca players, together with words of motivation. To lift up young boys in Sweden.

I used digital art together with words. Inspiration together with soccer. No mathematics. No deaths or anything. I was living my own life. High on my own: Sex and the city life. Before, Rawad Hadrous and Mehdi Zeitooni. Gathered whole Illuminati=4 billion devils against one!

Exemple of my Barca - book!

An true gentleman is an warrior and an lover at the same time. He takes care of himself, but also everyone else. He walks like Mr Guardiola. Talks like LL Cool J. He is an smooth rider on the soccer field like Messi. But, tough as Mr Puyol. He, gets his inspiration from the soccer field and from there, he creates his own life.

He shoots like Xavi. He is nice and beautiful like Iniesta. He is an true gentleman.

He, scores like Zlatan. He is warm and kind. Like Etoo. He is an great Gentleman.

A true gentleman know`s his own path. It was written in his souls GPS. He found it in his own heart.

He uses the soccer field, to learn all about his own life. He looks At the soccer field, through the eyes of Messi.

The refferi, is his God. His alarm clock. His own enemy inside, but also his own best friend.

The team, is his own mind. He has many aspects of his own personality inside of his own head. Just like the game of Soccer, That he played.

An true gentleman. Not only looks at soccer, as an game. He looks, at it. Through the eyes of sources.

-What Can I learn?

-How can I be discipline?

-How can I grow?

-What about my personal evolution and all my dreams?

Just like the audiance. He looks. Observe. Takes in and then let go and Shoot in the ball. When he is back home. The game has left his own mind. He is back, in his own privacy.

That is awareness. Living in the now. And an true gentleman see`s life, through the eyes of the soccer field. Like an true gentleman.

TO ALL BARCA FANS!

That was just an example of a few words from my soccer - Gentleman project. The whole project was maybe 100 pages, with art, poem, great motivation and inspiration about sport men, who I adored.

I never knew. That Illuminati and all death soccer fans of: Real Madrid, Sampdoria and Juventus Would feel offended!

Why, did she write that beautiful about Barca players, but not about the death soccer players of Real Madrid?

Stand up. And fight like never before. Because, now it is true war. Between:

Barca and Real Madrid!

Mr Guardiola!

From Tito Vilanova and Cryuff. Two personal video's to Mr Guardiola!

<https://m.youtube.com/watch?v=gApaq-QyTJs>  
<https://m.youtube.com/watch?v=J90D27oS0SM>

From Tito Vilanova and Cryuff to Mr Guardiola!

She saved your ass. Your whole team. And all your players, by watching you in front of the devil himself: Rawad Hadrous.

She forced herself. She even married him, for only 3 months in muslim ways, without wedding dress, just to save your ass.

Do you know, what she has been through? You can't even imagine. To save Barcelona?

She loved you, Messi, Iniesta, Xavi and Guilt most of all in the soccer World. Her worth is more, than the whole universe all together. You thought she did it for money? No! She is the angel, sent from the heavens to the people of mother earth.

From Cruyff!

When she watched soccer. Her soul, without her knowing it. Sent love and light through the screen, to all Barca players playing soccer on field.

She watched Messi and cheered on him. So, that he would survive the devil sitting next to her.

Cruyff says: He killed whole humanity. And they all watched him kill all.

The soccer World, was made by them to kill humanity. They even put signals in all soccer players lockers, bank cards, under flight seats, mobile phone's and in their homes to keep them under surveillance?

Did you think that the soccer World was clean? Not, even Barca. That was why, Cruyff gave up.

The soccer World, as you knew it. Was filled with: anger and evilness.

The players all cooperated with the leaders for money. You have Guti in Real Madrid who was their real devil, hurting all players. Not only for fun. But, he did it behind the scenes also to keep the soccer World from becoming pure again.

The Guardiola I knew. Was a pure man. A happy man. Who was filled with joy, of playing soccer. From young to adult. He watched his players get old. He missed his childhood and all happy hours with his Barca.

He became like them. He bought himself prostitutes and devil whores. He changed himself, so that he could become one in the team with them.

Cruyff is back. With real Barca fans. He is out after the worlds largest: El Classico. He is after to crush. Did you not believe in God? In the almighty one? He is here. Through her. With Jesus Christ.

The kids of Barcelona. Are all going out of Spain. Get your men to keep them safe and secure. The adults all stay.

Because Cruyff is coming into town. He wants an red carpet with flowers. One million red roses. Because he is coming through her, with Jesus Christ.

Tito Vilanova says:

The Barca fans are all mine. They are my angels. My survivors. My children. I keep them safe and secure. They belong to me. To Mr Tito Vilanova.

I knew you from the start. I knew Mr Guardiola. He was an great man. A man of honor and respect. We all love you Mr Guardiola as our brother. Keep the children safe and secure. Become their police officer and leave.

Here is her bank account!

Name of bank account=Swedbank  
Swedish bank account

Clearings number: 8480-6  
Bank account: 994 944 192-8

Give her all your money. All money in Barcelona. All money in Spain. All money on earth.

Cruyff says: War is coming! Did not 1 dollar come into that bank account from whole Barcelona. Whole planet earth is gone.

The devils of mother earth. Changed the numbers of that bank account and took all her money. Stole it. Coming from humanity to her. Robbing her on her own money. Does 1 dollar dissapear from that bank account. Mr Guardiola will make sure, with Messi, Xavi, Iniesta and Guilit. That all on earth will go out. They will turn on the atom bombs, in the capital countries of mother earth. And make everything dissapear.

All banks and all money on earth is hers. All are going out, either ways.

The past bowl represented Italy. That was what the worth of Barcelona was for Mr Rawad Hadrous. Tito Vilanova and Cryuff who was two of the most honorable men in the soccer World and outside, was killed because of an evil childish game. Who can blame them? When millions of billions were watching the death soccer games on earth and on tv?

From God!

I am here with her now. Through it all. One step near her with your prostitutes to fans, the whole soccer world will not go down. It will continue. With your Female fans, all hanged all over the soccer Fields. One attack more on her. The angel of mother earth. All your whores, to prostitutes, to sluts who sat as Juventus, Sampdoria and Real Madrid fans, will get shot in every country and State of mother earth. Who owns the planet? The devils or you? Who owns the planet? Who? Stand up in the face of God. And say: The devils owns our planet. And we are all devil players and fans. Otherwise, we would have never aboneded the poor to watch prostitutes and their husbands.

Personal Message to Reeva Steenkamp's parents. You either deliver it or planet earth goes DOWN! I say one thing, only one TIME!

I am so sorry, that they choosed your beautiful daughter. That at that time, was an copy of me.

I saw her picture and the picture of Pistorius, after I had ended the short relationship to the devil.

I ended it, on Persian New Year, 21 of March 2012. I did not know anything about Reeva. I only saw her picture in the News, the next year.

Immieadtly when I saw the picture, I could not stop staring at her. I said to myself: She is me. She looks exactly like me. That girl is an copy of me.

Then I started to read about Pistorious and I said to myself: That is Rawad Hadrour. So, I looked up Pistorious. And it said: born in November.

And I said: Scorpion, just like him. And they looked exactly the same in the face.

I could not stop read the News about her. I followed her for months. And I got more and more angry. So, I stopped. I could not read anymore or see the pictures of her parents.

I saw the angel picture that she had done. And there I stopped.

Year, 2013 in march. They killed my young cousin. And there they started the war against me. Why?

Because, I was the next on Their list!

Reeva's father. Do you believe in Jesus Christ, God and his angels? They saved my life, so That I Could tell the truth to all of you. So, That I could be left alone.

I am done. Totally ended. My health is not good. And they won't let me be. If you can: gather all men from South Africa to me. And send them all over the World. But, specially. For God sakes. To SWEDEN!

I need to get to an HOSPITAL. AN REAL FUCKING HOSPITAL.

TAKE THAT COUNTRY AWAY FROM ME!

Your daughter was an white and beautiful angel of God. The kindness ever. She matched further to who?

They have an database. Illuminati database, where they search after people.

The database!

-Hi, Rawad. Welcome back! I am glad that you have choosen to continue. Who are you searching for now?

-Hi, bitch! Someone matchning the name: RIVERTON. And someone in United States matching 17-17. And an painting: 2 snakes, 7 chakras, 12 signs over the chakras. Someone that match my death rival. The biggest angel on earths information.

Allah says!

Imam Al Mahdi 12? Allah says: Little Rawad Hadrous, killed all on earth with his Illuminati devils, in my own daughters name? Database? Like your mothers pussy? Like the whore of Islam`s pussy? Was that database, as big as her pussy? The entré sign to hell? The same place the little devil. The pussy came from?

Paul Walker is alive and back on earth. Reeva Steenkamp to. Do you know, who else? Che Guevera that you and your family killed? Also Anna Lindh and Olof Palme. I brought back even Michael Jackson and Tupac Shakur. You remember Jesus? The same man, that you fought against, from the years 2014-2019? He is alive on earth. Do you remember Archangel Michael?

Hero Rawad Hadrous! He fought like hell, with all his devil prostitutes just to get down the angel. ONE BILLION DEVILS of Illuminati against one? Sahar Rezaie Bavi?

Pussy! You could not fight her alone? You were no man? Tamam!

Mr Reeva Steenkamp`s father. From God!

Your daughter: Reeva Steenkamp was in a database that was developed by the: Illuminati.

They made the data base more than hundred years ago. Einstein got killed because of it. All precious on our earth, got killed Because of it. And so Will you. If, You are not already Dead.

You search by hair color, eyes, length, car plate licence, breast, silicon breasts, butt size and so on.

Everyone on earth, is in that data base. Next is your turn. If the pussy to men on earth, won't delete that database once and for all.

From God to all men on earth!

In the Illuminati database, you can search after who ever you want to kill. Someone who match, an 1-0 Juventus and Parma game. Someone who match, the name Gucci and an official catwalk in France. What ever you want.

This is how it works. From God!

You go into the database and search for an Female or man. Then you go to age and home country.

After that, the database answer you:

-Do, you want it to be an celebrate or taxi driver? An, artist or Doctor? An famous person or non famous? Etc.

The devil clicks: Reeva Steenkamp.

The database answer:

-Do you wan't the husband to kill her, or others?

The devil clicks: Yes, the husband. Name: Pistorius.

The devil goes out of the data base of Illuminati, which is the data system of all Governments on earth, and all their authorities.

He continues to live his own life. Like he has done nothing wrong. But before he leaves the data base. The data base asks him?

-You, Mr Rawad Hadrous? Wants to continue play?

-Yes!

-Thank you Mr Rawad Hadrous. One of our greatest players. Next clue is: to find someone famous who can be matched with Reeva Steenkamp. Look, in your own neighbourhood. We have found tree different clues there.

Let us give you some hint

\*6-6

\*Somewhere with an Park

\*His friends name match yours

-You have three weeks on you, to find at least one clue. Or, you and your family will be dead. If you come before that: One million dollars, are yours!

We give you two example!

One is Mr Che Guevara and the other an young high school girl from Sweden, called: Tova Moberg.

From God!

They took Mr Che Gueveras birthday and death numbers, together with his whole families names and killed many on earth.

Mr Che Guevera was worth many dollars for the Mr Devil himself.

So, the one`s playing the death soccer game with the devil himself did not only kill Mr Che Guevera. But they slaughtered him, 3v3b after death.

One million death soccer players from the devil, against one man. Named: Che Guevera.

One silly man who they choosed to match the continue of the devil game, was the one to shoot him. But, not to kill him.

Did you think that God, would let all his children on earth get killed like that?

In the death moments of Mr Che Gueveras death, he could have stopped it. If not, one million or more from ILLUMINATI'S members stood at the same bed, and forced him to death.

That is how they kill. Not, by one or two shoots.

Allah is also here, to all muslims on earth. The true Allah. And he says:

-How dare you? How dare you all? Because she was the only true muslim on earth? The light of the World? With the name: Imam Al Mahdi 12? The Savior of the planet? With Mr Jesus Christ?

It was written in all scriptures. That someone would come to save the planet, for all. Not, for the devils of the planet. And you all heard about her and her plans. Instead of greating her with an red carpet, for all that she had done for you all. For the children of Ahmed Hadrus. You gathered all. I said ALL. Behind the worlds biggest devil: Rawad Hadrus? The Adolf Hitler of the planet? The one who killed all your children, mothers, fathers and brothers?

War is going to be carried out on earth. Where all muslims will go. Only one stay. In the holy place of Mecca and her name is: IMAM AL MAHDI 12. The light of the World. The angel of the planet: Sahar Rezaie Bavi. Lets get back to year 2011.

To Reeva Steenkamps father!

The plan for them, was that I would come near Rawad Hadrus. So, that he would gather all my information, to put into the Illuminati database.

We lived in seperate apartments. I did not want to move in with him. After so many arguments I said: Okey.

I moved to the New apartment. Saw and landed directly in the home of the devil. Of Satan. I could not breath. Not only for one day. I ended up sick as hell. Took my things one day, after 1 1/2 month and fled for my life.

They forced me into an muslim marriage, to take my money. Stole my heart, soul and body.

When I ran for my life. I got haunted to death. But, the nightmare did not stop there.

Sep, 2011. He took all my informations. Took pictures of everything. Threatened me, with a bunch of bullshits about Allah and things I did not understand back then.

He started the real death action thread, there. Because I made 1 abort! He killed 1 billion on earth, Until today. And there includes your own daughter: Reeva Steenkamp.

God wants to say one thing!

How could this happen? How could up to one billion keep it an secret and not one, call the police to help her?

Princess of Allah. NOVIN BERWARI of Malmö, Sweden. Who was behind it all.

Princess of Allah. NOVIN BERWARI of Malmö, Sweden. Who did not seek help for her JEALOUSY! Princess of Allah. NOVIN BERWARI of Malmö, Sweden. Who is dead with her husband and children to.

Do, anyone on earth know PRINCESS OF ALLAH, NOVIN BERWARI? No one?

God knows!

Pack all your bags. All muslims on earth. Allah is here with God.  
God together with real Sheytan. They are friends now, after the disaster of years 2014-2020.

Novin Berwari. From God.

The flight crash of Iran. 8 January, 2020? That was you, right? Together with Mehdi Zeitooni, Rawad Hadrous, Ayat Hadrous, Aida Tanani, Mirna Eljanou, Carina Glattstein and Casey Hjartirdottir? Right? The most beautiful team of Sweden?

This is who she is now:

- Reached ENLIGHTENMENT one year ago
- The worker of Allah. His only angel on earth.
- The light of the World
- Sahar Bavi Rezaie

It's over. The death games are over. Go home. Cry a little bit and ask for forgiveness from your Allah. Maybe, he will meet: ALL MUSLIMS coming from earth, up to hell. Year 2020. One billion muslims are all going out from mother earth.

To Reeva Steenkamp`s father and mother! From their daughter!

Reeva Steenkamp wants to talk with her father!

I love you, dad! My biggest dream in life, would be to be with you. But, I can't right now.

He did not kill me. The devil in him, killed me. The same devil in direct connection to all other devils on earth.

I was happy with him. As long as I could. But, you could not see that in me.

Please forgive me, for taking so much from your life. It was not my fault. They wanted it to look like, you was the problem. Not him.

Forgive him, for taking all your time. Forgive him, from bottom of your hearts.

I am free now. Happy as never before.

I know what sorrow is. What it means to loose something greater than yourselves.

I am with God now. The same God, that you have taught me to love.

I love you both!

-----

On the picture from Reeva Steenkamps bathroom. You see the picture of the cricket bat. On it, it says: LAZER

My last name is REZ (Rezaie). And at that time, my mother had an famous bag store in Malmö, where we sold flight bags. I used to work there, with my own designs.

Late year 2012. I hade made my own label. Which I used on all bags.  
It was called: REVOREZ

It stood for: Revolution/Rezaie

I thought about Reeva, as soon as her name came up.

-It's like my own label: REVO/REZ

Back to the cricket bat. Where it also said: LA.

And now, I understood what that meant. LA stood for Paul Walker and Roger Rodas. But, also for the latest One: KOBE BRYANT (LAKERS).

-----  
To Reeva Steenkamp's parents!

I went back to my old apartment, where he had been. Year, 2011. And I found high up in a wardrobe. Where nothing else was there. An post card. That I had on my refrigerator year: 2011.

I met an woman. An holistic care Doctor. Who helped me through an very serious injury, where I had fallen on my back in work. And were paralyzed for more two years. Carina Glattstein and Shilan Miran Karanfilovski, did that to me.

It took: The Light of the World (4 years to get totally back up, on her feets).

She gave me the postcard, in coaching. And said:

-Put them down. Say no, from your heart. Throw them away. They are not for your highest good. And they are destroying your health and path.

We were talking about Carina Glattstein, Rawad Hadrous, Mehdi Zeitooni, Azita Ari, Sara Geranpajeh, Aida Tanani, Sara Tanani and all the others.

They would not leave me alone, not even for one second. You heard about what they did to the people of mother earth. Killed them all, on my name. Just to take me down.

Then you can imagine, how strong I had to be. With all of them, as my neighbours. Trying to walk into my house. Every single day. Without anyone trying to stop them. No, guards or police officers.

I was left all alone. While They all had the greatest time of Their lives, killing and laughing all day long.

So, back to the postcard! It meant a lot to me. To have such an beautiful adult around me. Who truly worked for my health. I called her: My angel!

Thank You, Jola in Sweden. My only angel!

The picture on the postcard. Representated for him:

Reeva Steenkamps mother. After that, her father. Then came she and then her Pistorious.  
(Picture attached).

On the back side it says in Swedish:

Back to Yanni!

Yiannis Chrysomallis, born 14 november 1954=5-11(2)1

We have to welcome Celine Dion's Dead husband in here too.

I wrote on Facebook, after Yanni songs.

"This is dedicated to my own brother: Sam Bavi. For all inspiration and help, that he has given me in this life. Song=Celine Dion "Because you loved me".

I knew that Carina Glattstein, Rawad Hadrous and Mehdi Zeitooni, together with the rest.  
One billion devils on Celine Dions husband. Attacked him bloody and gave him their  
virus, called "cancer" on earth.

PART TWENTY TWO!

The story!

\*What I came to understand through more than one thousand social media tests. One hundred PDF files and e-books. More than thousand different tests on the people of Mother Earth. As the greatest social anthropologist, was that:

The words CAB in the different death tests. By using mathematics at the highest level. As Einstein together with enlightenment, meant=CANCER

How did I do it?

I read about cancer. All blood cells. All molecules. The whole body systems and made the mathematics that was connected to my cancer death victims. Like Celine Dions husband and put the words of CAB together with Carina Glattstein.

I went through different cancer patients, where I knew that she had killed them and in all of them, I found the devil code for: CANCER. Which was for them: CAB.

If you are an doctor and read about cancer and the split of the cells, you will find the devil death code: CAB in all Your cancer patients, death day`s.

CAB=  
3-1-2

Year, 2004 when I saw Rawad Hadrous, at the first time. At the gas station, named: Statoil. He had an CAB=Mercedes CAB.

With the numbers=STJ=1-2-1

I did not know, that he used those numbers together with CAB. To kill all on earth. Through cancer=CAB.

I did an long rapport to the country of Sweden, about CAB. I begged them, to stop the devils from killing all on earth. I told them all about my previous breast Cancer, studies of: Ingrid Bergman and the rest.

They ignored me. Thought That I wanted them to like me. To read my stuff. To get Loved by them. To earn Some money through them. So, they laughed at the angel. And instead repliead:

-You are sick. You are very dangerously sick. Did You know that? That You need to be locked up, in mental hospital? You are so lost, girl. To high above all. Thinking That You Can save the earth. Thinking That You are some kind of Messiah. Sent from God.

You are sick and need medication. Please, understand That!

The devil Doctor, to Their "professors" name was: Jonas.

The Swedish Government knows Who he is.

KILL HIM!

Every human being, signed an contract before They came into earth. Devil whore. And I signed mine with God.

He Said: Here is your contract with planet earth. What Do You want to Do there?

I answered: Start the Worlds Biggest and greatest humanitarian organization for the poor people of Mother earth. And save them all!

I never: DEVIL WHORE! Signed any contract with God, saying That I had to deal with the devils of Sweden and around planet earth!

Am I sick?

God, thinks That to.

He tells me everyday! I have never seen anyone as crazy ass you. You make things happen, Even if You need to go through hell. You go after all your dreams. Go after all Banks on earth.

And send all men of earth, into Sweden to Professor Jonas. Who dares to Take MRI of your brain. When You were deep in a coma, for the experiments of his Swedish Government. Instead of giving That MRI, to the hospitals of Mother earth.

Sweden is not Dead. Sweden Will not exist anymore. Good night!

The suckers of mother earth. The small people. Laughed!

-What a fuck is this? Concpency teory? Throw that shit away!

-I just need to answer that bitch, to. The devil whore of the governments. Infront of the whole planet!

-Your devil whore. Your prostitute of the Governments. How dare you come and say, conspiracy theory? Did you think that I was David Icke? Do, the whore to top boss of all doctors and psychiatry know who David Icke is? Maybe, the devil whore, needs to read some important information about the reptilians.

Devil whore of Sweden. When I find you and the others. The whole universe is going to be throwed upside down over your heads.

Where did You get all your knowledge from? Computer? Google? Books? Mother fucker, to prostitute. I got it from the fucking hardest life, That You devils gave me.

Let us give the doctors of the governments. Some useful information before the devil whore is going to be kicked out of Mother Earth.

This is how it works. They did it to me. So, I know. Through life experience. The name is: CANCER!

The devil whore is standing infront of you. One meter away from your body. Concentrating on, one part of your body.

For me, it took 20 minutes before I felt it. With Rawad Hadrous first and then the others.

Ring on my finger. Bought from his uncle: Ahmed Hadrous. Where he stared at the ring. 20 minutes later I ran to the bathroom crying and screaming.

I thought that I had got something in my finger. So I took out an "pincett" to drag the thing out of my finger. But I could not find anything.

After one hour. My finger and my whole hand had started to swallow. With intense burn coming from nowhere.

Every night and day, I was crying out of pain. Just like thooth hurt. That intense hurt. But, it came from hell.

After one month I went to the doctors.

And he said: No, it's nothing. You only have an inflammation in your finger. Go and take some pain killers.

I refused! I was in such of pain. So, he sent me to MRI. And at that time, I had ended the relationship with the devil: Rawad Hadrour.

The MRI showed: CANCER tumour in my ring finger.  
An type of cancer That only One in million gets.

Conclusion: He gave me tumor in 15-20 minutes.

The name of my tumor was Glomus tumor.

All alive and fully Happy, also in Sweden!

She says:

-Kill them. They made my life to an living hell. Both before and after. Until an angel showed up, who fought against all devils on earth, all alone. I saw my own name there: Miss Venezuela - Eva Ekvall.

She had found my killer. The biggest mass murderer of Mother Earth: Carina Glattstein. Living in the country of Sweden.

I am Eva Ekvall. Talking through her. She reached enlightenment only to manage the project and to get help from the dead ones, with the project.

I am free now. You did not kill me. You killed those who loved me. Who will stand up like never before, when they hear the name of: Eva Ekvall.

They will gather all for her and me. Save all good woman on earth, from the devil diceace?=CANCER.

I did not know the truth. I came to understand it later, through her friend Jesus Christ who said that she needed help from the persons in here Death Infinity project.

Yes, Mr Putin. I am still alive, just because of her. Closer than ever. Standing with Reeva Steenkamp. We did not know each other before, but we do now. Like two angel sisters standing together.

Planet earth! Kill them all. Even if only one person stays on the planet all alone. Kill them all!

Jesus Christ says: For me it's easy to see. I see everything from above. But, for her. Who  
is still on earth. It's harder. She needs to use her mind.

Let us keep it very easy.

Breast cancer was a man-made thing. The people themselves created it, from the  
beginning. There was no one's fault. Until Miss Sahar. Herself found the reasons to breast  
cancer.

Her grandmother was a victim of the devils. Getting attacked over and over again. And  
then she died. And she was the one taking care of Sahar. So, she lost her biggest role  
model in life, at a very early age. In the teenage years. And that is why, she wanted to  
save all women on earth from: breast cancer including herself.

So, back to the equations. ???

Putin born: 7-1-8

Eva Ekvall dead: 8-3-4

-----

Carina born: 7-8-2

Eva Ekvall born: 6-3-3

I myself would say: Eva Ekvall just died. But, because we have an true angel here, who have fought for all woman's breast's. I say:

Putin bought himself an whore, named: Carina Glattstein. She was the type of woman that he adored. Beautiful as hell. The body of an Goddess. The face of an angel. An goddess, from inside and out. And that is why, he choosed: Sahar as her rival.

The true angel of Mother Earth.

-Why can't you look like her? Small and skinny? Beautiful and sexy as hell? Small breasts as an Goddess. Looking like an Barbie doll?

He made those two rivals. By choosing Carina Glattstein as her rival. Competing of everything.

\*Two years paralyzed from head to toe. Four years recovery.

\*Twenty years of horror and death crimes.

\*Killed all her favorite artists on earth. From Celine Dions husband to Avicci.

\*Killed her grandmother with the others.

\*Killed her uncle with the others.

\*Killed her youngest cousin. Her angel infront of her face. Just to crush her, before the ONE BILLION WAR begin.

From Jesus Christ to Putin!

Maybe, you all were looking for me. Or, was it not? I have still things to do. I have no time for children games. Are you not an adult?

ORDER FROM JESUS CHRIST!

I want Mr Putin to stand up infront of the whole planet earth. And say:

-I am the right one for Jesus. I am the leader of my team. And they have Jesus as theirs. I will gather all devils in our death soccer games, who is up to: 4 BILLION now.

-I will gather all members from all Illuminati channels and all the rest. We are going to split the planet into two.

-I belong to the team: DEVILS and Jesus Christ the team: HUMAN BEINGS.

Jesus Christ is promising the planet, the greatest war ever. He is promising the leaders and presidents of the planet, that chaos will come over the planet. Like planet earth, have never seen before. We are at the end. Who to blame? The four billion who killed all in devil death soccer games? Or, the three and an half who stood and watched by?

I am done!

KOBE BRYANT!

This is why, 29 January, 2020 I am coming to Stockholm. The capital of Sweden, to kill everyone.

Because of my own cousin: NAVID BAVEY'S LOVE FOR KOBE.

He is one of my angels in Sweden. My own little brother, just like Hossein Tanani was. Those two, were and is: my two precious diamonds. Who I loved and still love high above all.

I grew up with Navid Bavey. He, although we never see each other. Are soul siblings. We love each other to death.

Mehdi Zeitooni knew how much I loved Navid Bavey. He also met him more than a few times. Right? The Royal family of Stockholm?

Navid hated him. But, I was only 15 and doing my own shit. Gathering all information about him and his family.

Before, Navid met him. I was together with an guy from Stockholm, for more than two years: Ferhat Tezel. The angel opposite to Mehdi Zeitooni.

My own cousin Navid Bavey, even met him. And loved him.

Mehdi Zeitooni and Rawad Hadrour, could not Stand the face of Ferhat Tezel.

So, they started their death torture.

You love them? But not us two? The two greatest devils of the planet? Who killed more than one billion people together with the others, just to fuck you up? So, that you would be scared to:

- \*Talk to any guy
- \*Look at any angel guy
- \*Live with any guy
- \*Marry any guy
- \*Be together with any guy

Or, get any children?

To all men on earth. From Sweden, to Africa. Bring Rawad Hadrous and Mehdi Zeitooni, down once and for all.

Born: 5-8-7

Killed: 8-1-4

I take his birthday and add them together, or do minus. To get the results and names of the devils who killed him. It's very easy. Just use your imagination. They did like that, to all on Mother Earth.

From so called "car accidents", to "cancer" patients, to flight "crashes".

Navid Bavey's mother was one of those effected that got breast cancer, from the devils.

Year, 2017 when I had done all my reachers. I wanted to warn her. And take everyone out of Sweden. It failed. Because everyone started to attack me. All devils at once.

-You try to save their lives? Hahaha! You go down and them. And all on earth.

They failed. I succeed. I let go. Met Jesus Christ. Reached Enlightenment. And now that I'm back on my feet's again. I am ready for the: THIRD WORLD WAR.

They only succeeded with one thing: To steal the database of information, that the police officers on earth had used to save people's lives.

They stole their system, with help from the two topp bosses of Swedish Police academy for children.

Sapo Chef: Anders Thornberg

Carin Götblad

Sweden's two most famous police chefs.

Carin Gotblad. I am now up, whore. I am the real police chef of Sweden.

Ghendejeh hammekareh!

Do, you know what the crime is, to try to take down the angel of Mother Earth, with your daughter Carina Glattstein?

Hora!

Kjell Haglunds daughter, who is an police officer in Sweden. Got only a few meanings and words. Only two mathematic words. Why, GHENDEH?

Because, I had two million of your devils in Sweden on me. I could not talk with her. You started a war against me.

HORA!

Gather all your police officers in Sweden. I gather mine: The angels of Mother Earth. We are going to meet in Stockholm.

I THE POLICE CHEF OF MOTHER EARTH, is the one who is going to kill you. Get your guns ready, prostitute.

You remember, Tova Moberg? Ghendeh, she has some words to tell you and her father, that she loved to death.

Tova Moberg

Hej, allihopa! Jag mar fint och har det helt okey. Kommer ej ihag natt. Men jag glommer aldrig en tjejs min.

Min angel Sahar!

Polis? Angel? Varfor ar hon sa arg? Har de mordat mig p.g.a. Henne? Gud, vad hemskt. Hur kan man gora nagot sadant nar man vet att hon ar kanslig? Att hon alskar manniskorna och barnen?

Att morda mig, med Billy. Bara han, ar en sak. Men anvanda hennes information och fodelse nummer ar en Annan sak.

Jag laggar mig i. Hon gor bara sitt jobb. Satter dit allihopa.

En biljon emotion en? Jag bryr mig lcke. Fa mina vanner att ta bort dem allihopa. Prinsessan Sofia? Massmordare? Som mordade mig och alla barnen? Poliserna visste om det, Ellen hur? Chock for Andra? Inte for anglar.

Halsa min pappa:

I love you dad! You are my sunshine after the rain. You are my precious one. Always looking at you and smiling. How can my dad, still be so beautiful?

You thought that your daughter was gone? She is playing in the same room, that you made for her. But, the thing is: you can't see her. But, she can see you. And she cheers on you: Heja, pappa. Heja, pappa. Heja, pappa.

-Jag har spokat hos Sahar ett tag nu, så att hon lugnar ner sig. sin llska. Nu är det pappas tur.

-Heja pappa, Heja pappa, Heja pappa. Kick them all, gone from earth. For your daughter: Tova Moberg.

Ebba from Ahlens wants to speak!

-Mother, I have become an detective. Sahar taught me everything. She taught me, to take care of myself and not worry for your sadness and anger.

Did you know mother, that they do that. Just for you to get angry?

Look, at Sahar.

They killed all on earth. Me too. Just to finish her off.

I may speak a little bit different now. Why are you and Sahar looking at me so strange, I have grown up now. I am with God. He takes care of me everyday. He tells me:

-Look at Sahar on earth. She is your angel. Fighting for you, Ebba. Like no one else.

Those who did that to Ebba. No, not one man. More than 4 billion devils are going out of the planet, with only two hands. My own hands. The end.

Mother, I love you!

Help her in Stockholm. She is going to kill the whole country, because nobody helped her, when she got the toughest devils of the planet on her.

More than 2 million from Sweden. (Illuminati=Baby)  
More than 4 billion from whole planet earth.

They crushed her mum. She got sick. Blind and could not walk. You should see her now. Jesus came. Her father and husband, and helped her. They are going to marry each other.

Mother, he is coming to help her. Promise! To get all brothers and sisters, for Ebba. No war. We like to play and kick them out of the sandyard. We have respect for Mother Earth. Except one:Sahar Rezaie.

Mother you should see her. I get scared and laugh.  
Jesus Christ say: Let her be. Don't cling on her, go to your own mother. She is going to fight for you.

I love you mum!

-----  
Engla wants to speak to her mum!

Mum, I am old now. I do not have glasses anymore, I look just like you.  
Mother, you are my baby. My most beautiful mother in the world.

Do, you know. How much the angel, loves: Engla's mother.  
More than anything in the world.

She promised you mother. Before they crushed her. That she would give millions of Kronor to Englas mother. Millions mother. So, that Englas mother never in this life should work again. Just because she lost her daughter. That was the re payment from God.

Mother I am fine. I am playing all day long. Why are you always that sad? They did not hurt me. I do not remember anything?

He was not the man, he said. He was: Rawad Hadrous and Mehdi Zeitooni. They did the same to Kevin to. Hide behind other men. In their bodies. But look who God sent to us. The angel of the planet. Why mother to Sweden? For Zlatan Ibrahimovic? No, for Englas mother.

The righteous ones. The ones living beautiful and simple lives. Those who have done no wrong.

No crimes. No stealing money from anyone.

The ones who learned to love everyone.

Sahar is laughing and crying! Is this vryle Engla? Why is she speaking so beautiful and wise?

Mother, once and for all. I am grown up now. As beautiful as you.

Me and Sahar Rezaie, wants you stand up. All alone. You have no good friends. No woman as you, should ever suffer in a country like Sweden. Even if it stays or not. The banks in Sweden are hers.

Mother, her dream back year 2014. Was that Englas mother lived in heaven on earth. Like a Queen. With bachelors all alone her. In her own castle with everything that she ever wanted in life. Why, mother?

Because she saw herself in you. The sadness of lost and getting ripped off by everyone. Those days are over. Sweden is going to go away, with bombs. And Englas mother goes

where ever she wants, with millions in her pocket living a Queen Engla - High above heavens life!

Love you and only you, mother!

-----  
Planet earth, we are not done!

The reason why Mr dear Kobe Bryant got killed in their death game on 26 of January, 2020, was because of an Iranian man, who competed in Paralympics, year 2016.

"On 17 September 2016, Golbarnezhad died in an accident which occurred during the 2016 Summer Paralympics' men's C4-5 road cycling event." Wiki

Why, did I first see Bahman, then Koby and after that the Iranian flight crash? Like, the flight crash had happened today, and Koby two weeks ago? When the flight crash had already happened?

I swear on everything, that I thought that I had written wrong. I never look at the numbers, only afterwards.

Here comes the truth!

SMHI - FLIGHT CRASHES!

Yes, they crashed all flights on earth from Sweden.

The family of Hadrous and Zeitooni worked with the: Government, airports, flight companies, authorities, police officers, SMHI=the national weather broadcast in Sweden.

Can the World, imagine. What happens, of You dare to Tell the truth, and Nothing But the truth, so help me God?

They attack. Like Pitbull dogs. All at once!

They had the bank employees. The Government employees. The airline employees. The airplane employees. Yes, they did it so beautifully. Just like an song:

\*Flight number 112, went down in Thailand, Cha Zhukov city, 21 January, 2014.

Next!

\*Flight number 31, went down in Tanzania, Kcha Oku city, 3 August, 2015.

Next!

\*Flight number 4-4 went down in Germany, Hamburg, 6 July, 2015.

Next?

KARMA IS A BITCH! AND I AM KARMA! THERE IS SOMETHING CALLED: FREEDOM OF SPEECH!

Is, That not true: UN? (UN LAWS)

Mehdi Zeitooni. The biggest devil on earth behind Rawad Hadrous, had an devil to Arabic/Iranian father. Who worked as an flight engineer in Sweden, in a company called: Skyways. And his whole family. The family of Zeitooni operated from: Arabemiraten (QATAR AIRWAYS)

Tito Vilanova and Cryuff!

They had flights going in and out of Sweden. Both national flights and international. But, also from all over the world.

I was there once. And walked through all rooms and watched their work. At skyways in Linkoping, Sweden.

The son: Mehdi Zeitooni was the hugest air plane "fanatic". I mean: Sick fanatic of airplanes and his father, billion times worst than him.

The Swedish Government knew about them. They knew all about the: Iranian Airplane crash of 8/1-2020 and the helicopter crash of Kobe Bryant, Aaliyah and Lisa Left Eye Lopez.

Mehdi Zeitooni's room was filled with airplanes and the father was as sick, as the son. Only talking about flights, weather and airplanes.

Their family. The hugest devil family on earth, after Hadrous. Was and is: The sheiks of Dubai, Arabe miraten.

The fathers name: Hamid Zeitooni

The uncle in Dubai: Majid Zeitooni (5 fives, year 2000 and more than 50 children, by those five wives)

Now, let's move on to the other side. The biggest devil whore in the same family, living in Sweden.

Mr Devil. Mr animal. Mr hammekareh.

I was just waiting to get back up from my coma, for revenge. The greatest and biggest revenge ever.

I said to you, whore of Russia. The animal leader, who brought me down into coma and killed me 3 times, where I survived because of Jesus Christ and the angels. I wished my life was not that weird.

Hammekareh koseh naneh ghehndeh. Do, Mr Putin know. How many Iranian Gentleman's there are out on Mother Earth? Mr animal. You have not seen our true nature.

What we do, for all our human rights!

We slaughter for justice.

I am going to shred blood all over Iran. Our Persia. I am going to rip the whole planet apart, into billion pieces. Do, I die. God, will send me back. As he did with Mr Jesus Christ.

Animal. That is an contract between me and God. Jesus and his God. We have different Gods. We have different angels. We have different lives and task's.

You are not alone on the planet. There are billion's of people living their lives. Not, knowing a shit, what is going on behind their backs. But, now they know!

Fight them, like you fought against an woman. An angel.

Real men, meet real men!

-----

From Avicci!

Animal, I did not know you. I never did. I lived my own life. The best life ever. With the best friends.

I was happier than ever. I thank God, that she reached: enlightenment. Because that meant, that she could see us and talk to us, everyday 24/7.

Yes, I have seen her. Yes, even naked and in the shower. Yes, I know that she is laughing now. Because, I am standing right at her right side now.

She is afraid as hell. All of sudden, all are in her room. In her house. The poor girl, has not yet taken off her clothes. She can't. Because she knows, she is surrounded by all her ghosts.

To all Avicci fans, from Avicci!

Yes, I am back through her. As more alive than ever. But, no more concerts. Heaven is fantastic. Why could you not, do the same on earth?

I did not come to talk for hours, only say Hi!

Take care of you all. Stand up for the true people of Mother Earth. Do not let them win. Take them away. For me and her.

She is our angel on earth. The one who saved you all, from the names that she has given. Did she do it for herself? She could have given up and killed herself. Like they wanted. Like they did to me.

-Kill yourself. Kill yourself. Kill yourself. Kill yourself.

Everyday, the same phrase in my head.

From where did the voice come from? I say: the devil!

Peace out.

Islamic Republic of Iran. From year 1996-2020.

Stand up, in national tv and say:

Imam Al Mahdi 12 is here. Her name is: Sahar Rezaie Bavi. We got to know her through our information chanel of Sweden. We have tried to kill her, with more than two million devils in Sweden. We sent the Hadrous family of Palestine and Lebanon on her. With later whole Islam and Putin.

She got away. And now she is here. To start drama and tear our country apart!

God is here now, also. To rip the country of Iran into trillion pieces. God has come with Jesus Christ to get the whole Islamic Republic of Iran down.

With Queen Rania of Jordanian and the Islamic Ummah, we failed to make Rawad Hadrous the real Imam Al Mahdi 12. We were trying to steal her name. And give to Rawad Hadrous. And make him the: Imam Al Mahdi 12.

More than one billion of the worlds largest and most dangerous devils failed. We are so sorry,

We killed her three times. But Jesus Christ, God and the angels made her survive. We are sorry. We killed the real: IMAM AL MAHDI 12. She is here with God! They are coming to Iran

He is not worth, for me to do any mathematics of. God have prohibited me. I am not allowed.

I worked at the: ICA store in Arlov, outside of Malmo. When I was young. I was studying at university. Did Putin's whore to wife or daughter, study anything? Did the poor animal to the devil of the planet, study anything? Worked hard? Studied for hours? And then went to work? To earn his own money?

MOTHER FUCKER! I have been dreaming every single day on my recovery. When I will be up. And Putin is the first fotball that I am going to crush into billion pieces.

MOTHER FUCKER!

I am not, like the Muslim animals to devils, to prostitute whores on the planet. Nor, am I like your devil sluts to slaves. How dare you? MOTHER FUCKER? To try to ruin my Enlightenment path? With which rights? MOTHER FUCKER. I am begging you, to come and meet me. Alone. With all your devil friends. I want to meet you all in a soccer field. All alone.

The only thing I want. Is that four guards, hold your hands. And then I am free. Mother fucker, to do what ever I like.

Like I said: Mother fucker. I am not like your whores on the planet. Come and meet me. Man to woman. Not, ONE BILLION to ONE.

You sent your Ukraine/Russian whore: Carina Glattstein on me. I have been taken more than twenty years of murdering attempts.

You sent the whole Hadrous and Islamic Ummah on me. With their Queen Rania and the rest.

I told you, mother fucker of The Whole planet.

I am not like the other woman on earth. First all presidents and leaders go and then all their animals, to devil whores and dogs.

Come and meet me, as an man! This time. Your prostitutes, soldiers, police officers, friends, relatives, Presidents, leaders etc. Wont work! They are going down, the same path.

There is a reason, MR Putin. Why they call me: Imam Al Mahdi 12.

Iran is now mine. Everything in the country is now mine. Mr Asshole. Russia belongs to me too and rest of the countries, animal.

Get out of my Russia. Go, to an mountain and hide. Until everyone on earth says:

Animal! Animal! Animal! Who killed all young boys and girls on earth, through an death soccer connection game. Now you are free to come to the soccer stadium.

She is waiting for you there. Mr Fucked up Putin. You stand in line. I have 4 billion animals like you, to take care of. But, this time WHORE. I first take care of those who played death soccer game with the head of: IMAM AL MAHDI 12.

Do Putin remember? I said? Do the animal. To mother fucker of the whole planet, remember? How they played soccer with my head, from year 2014-2019. And brought me down to coma?

Stand up, mother fucker. Before I send every man. Every gentleman on earth. From Africa, to Kuwait, from Poland, To Holland, to France, To Spain, To Canada to all countries to RUSSIA!

I said to you, animal. Do you remember the death soccer game that you all played with my head? And then even in coma, sent ONE BILLION on me, to kill me 3 times?

I said infront of the whole planet earth. Do the animal remember? It does not matter. It's over and so are you!

I SAID PUTIN ANIMAL. Gather all presidents on earth. We are going to meet on the soccer field.

To all people on earth. They had one thing that connected them together, in the worlds largest death soccer game, behind the scenes. The same game, that includes all of you. Specially everyone on the platform Facebook, who worked very hard. To give them, the information for free.

Why, attack me? Because I tried to warn the teenagers? The children of Mother Earth?

Do, you idiot. Know, what she is capable of?

Put, 50 billion devils on her. And she will kill them all. Just, because she wanted to be free and go out and party.

Not, for the sake of the planet. But, only to get back to: Bali.

His name is Rawad Hadrour

Birthday: 1 november, 1979

My name is Sahar Rezaie (IMAM AL MAHDI 12)

Birthday: 11 september, 1982

My car plate number and car at that time.

Honda Civic - 2007

OAB 011

Only one soccer game do I remember. Because he went on my birthday.

11 september, 2011 to Turin, Italy. To watch Juventus play.

The involved in this story:

Carina Glattstein and husband Josef Makai's sisters, Novin Berwari and Lilav Berwari, Nesrin Hadrous, Ayat Hadrous and sister. The biggest devil whore of Islam: Rawad Hadrous mother and relatives. The wife of Ahmed Hadrous.

I met their uncle who got killed: Ahmed Hadrous, one month before he got killed. In his relatives gold store, together with their son.

He was very nice and polite to me. And gave me an gold ring. At that time. His little brothers wife's sister: Lilav Berwari, came into the store.

The same Lilav Berwari, who is married to Rawad Hadrous cousin. And I spent the New year of 2011-2012 with them all. Ahmed Hadrous was then not killed.

I remember one night. When someone had crashed my car infront of the devils house. And his parents helped me, to get the tire's fixed.

He had so many Swedish friends, to call. For what ever he needed. Like an devil. Swedish people working for him. Using other people for all his concerns.

His brothers had, detective antennas everywhere.

Where they showed me, how they hit them under peoples clothes. To keep an eye on them, with the GPS.

They all worked in taxi companies and used all receipts, from the people to kill, with the arabic banks in Malmo, Sweden!

-I want an hooker!

-I will come immieadtly.

-I need drugs, to keep me awake!

-I will run and come today.

-I need some people to play with. Dont ask me, about what. Get me some stupid ones.

-I will come today!

He had slaves, for every single cause. Both adults and young. All living under the devils rules.

If, he would not get one single kebab, home delivered in time. Planet earth would go down.

And, he seriously did.

Why, do you think that he killed more than 1 billion people of Mother Earth?

Yes, we are talking about Rawad Hadrous? Specially, under those hard years of Juventus, when they were expelled from Italian soccer A league?

Because of that, mother fuckers! I am an true witness!

If, Juventus lost. The planet went down. And all had to wait, for the devil king to come out of his mothers, garage for weeks.

He hide himself in there, under an bed!

That was the MASSMURDERER of Putin!

If, Juventus won. All woman on earth, were free. For one more week.

When is the next, game?

Champion leagues?

Look, at the history of Juventus. All years since they started and compare that to the: DEATHS OF MOTHER EARTH!

Juventus must have lost an real important game for the devil king. To take down, both the: Airplane of Iran: 8 of January, this year. And kill a Kobe Bryant only a few weeks later. And all between.

It must have been a tough month for Juventus. Or, what do you say?

I am no soccer reporter? I am an angel. I can't keep an track on all Juventus games. To, figure out, who the hell. The king devil will kill now.

The book was called: Men see SEX. Woman see EX.

Let's start, dumbass Putin! Still I am alive. Not dead!

STILL PART 24 (I did not know, that it was the part about the Swedish police officers. Translate whole planet earth, into English. They helped: Putin!)

Sveriges poliser, ställ er upp! Allihopa!

De har försökt tysta ned mig med: EN BILJON djävular. Håll, Stefan Lövfén på sin plats. Hälsa honom: Sahar är uppe! Sahar Rezaie Bavi, är uppe.

Stefan Lövfén: Hon är uppe. Hon klarade sig, utan sjukhus och pengar. Hon hade ängla vakt 24/7. Alla hennes änglar. Ifrån Jesus Kristus, till Ärkeänglarna: Mikael, Raphael och Gabriel är just nu i Sverige.

Kjell Haglunds dotter, du är min ängel. Bara för att hans dotter valde polis yrket med Maria Lindberg i Borås, så har de inte vågat komma nära mig.

Bara för att jag skickade iväg idiotiska Mail efter varandra bara för att bli fri. Jag kunde ej prata. De hade tystat ned mig, så gott som det gick. Ned tryckt till botten utav hor nivån, som deras luder till prinsessa: Prinsessan Sofia låg.

Till poliserna i Sverige!

För ca 10 månader sedan. När jag var uppe i taket utav avsky, ilska och rage. Påväg upp till Regeringen för att ställa dem vid väggen och mörda, ut och in. Alla muslimerna i Malmö, Helsingborg och Sverige. Familjen Hadrous, så kom poliserna och spärade in mig på psyket. På Malmö sjukhus.

Jag ringde polisen. Hon lade på.

-Jag svor på allt. Att hålla mig lugn. Efter att jag hade blivit inspärrad på mental sjukhus, utav Sveriges Regering efter att de hade misshandlat mig rå, inifrån och ut. Under åren 2014-2019. Och mördat: Upp till en biljon på planeten p.g.a. Mig.

Jag fick ej röra mig runt i planeten. Var spärrad ifrån höger till vänster och blev attackerad utav dem alla, ifrån Sverige.

Var, var alla poliserna? Vart tog dem vägen? För att säga till HOR UNGEN Stefan Hor djävul Lövfén.

-KUKSUGARE! Vad i helvete sysslar du med? Vad i helvete, kuksugare håller du på med?

\*Hon har bott i Sverige, sedan hon var 2 år.

\*Hon har räddat alla barnen som just nu är kvar i Sverige, helt ensam.

\*Hon har räddat hela Zlatan Ibrahimovics familj.

\*Hon har räddat alla poliserna i Sverige.

\*Hon har räddat alla familjerna, som inte tillhörde: Team djävularna.

Vad trodde du, Stefan Lövfén? Att det var godkänt, att göra så. För att kukarna i Sverige gjorde dig till djävulska premiär ministern?

Till poliserna i Sverige. Ja, jag har nått Enlightenment. Och, er vackra och fina Olof Palme och Anna Lindh, har något att hälsa er. För det är TOPP priorety.

Ifrån självaste Olof Palme. Som idag är Sveriges prämiärminister genom henne.

Jag vill lämna mitt brott åt sidan. Ja, jag drogs bort väldigt onödigt. Men jag fick höra, om något väldigt sorgligt.

Att självaste Anna Lindh, gick bort efter mig.

Jag blev ledsen. Jag blev förkrossad. Hon var min ängel, kvar på planeten efter mig.

Jag åt ej. Jag sov ej. Jag ville ej, prata med någon. Jag var förkrossad.

Jag är ej er priminiärmister som förr. Jag är ej, den man som ni önskade se. Jag har utvecklats. På ett avsevärt hårt sätt.

Flickan som sitter framför mig. Är väldigt stark. Som har kunnat hantera så mycket, helt ensam.

Fick prinsessan Sofia, sådan behandling också? Tog ni ned henne också, så att hon inte skulle skina?

Idag, 29 January, 2020. Så är det över.

Packa ihop alla era väskor, för Sverige skall åka bort ifrån världskartan.

Tack så mycket!

-----  
Detta kommer ifrån självaste Anna Lindh!

Jag är tillbaka, för enbart en gång. Genom vår vackraste drottning utav moder jord.

Jag har ej något att säga er, längre. Jag pratar ej med, människor som trodde att de kunde skjuta ned vem som helst och bara komma undan.

Varför fick Sahar Rezaie Bavi ej skjuta er vackraste Prinsessan Sofia? Eller, er skönaste Alice Bah? De som ni håller så kära?

Samma djävulska kvinnor som mördade alla era barn?

Vad hade Tove Moberg eller Ebba gjort för fel? Valde de fel kläder, den dagen? Eller, fel hårfärg?

Döds spelen är ej slutet för moder jord. Det som är slutet. Är att ni skapade det och spelade med.

Ni använde deras platform: Facebook, Instagram, Twitter och alla andra sociala media sidor.

Ni har krigat emot moder jord och alla de lagarna som en gång fanns.

Ni hade ej behövt kriga. Vi de äldre, kunde helt enkelt gett upp och gått på semester.

Anna Lindh är död. Olof Palme så. Vem kommer näst? Sveriges premiärminister: Stefan Löfven?

Får vi fråga, hur han valdes som priminiärminster? Utan minsta utbildning eller erfarenhet?

Ingen polis som vet? Hans förflutna? Nazi partier? Jesus Kristus partier? Är han en fan utav Jesus Kristus? Då, har han hamnat rätt. För vår Jesus Kristus är just nu, på flygplanet tillbaks till Sverige. Han vill träffa: Stefan Löfven.

Jag tackar för mig!

Navid har redan numren. Det enda som fattas är: en till siffra. En enda högre siffra. Så, vad hör ängeln istället?

Jo, Sofia hora. Sätt dig ned luder. Innan du åker ut ifrån planeten jord och skrik ut till det svenska folket:

Jag har lärt mig mörda utan program. Jag bara tittar på siffrorna och ser återigen, de som jag har mördat. Eftersom, jag är en hänsynslös hora bakom kulisserna, så mördar jag igen.

Ja, jag visste vem Sahar Rezaie var. De meddelade mig och sade att hon var mitt största hot i Sverige. Och nu så är hon här, för att skjuta sönder mig i biljoner hor bitar, som jag förtjänar.

Så, här kommer det:

Vi tar enbart Mahdi Emami's 3 och kör minus 2 på Navid. Vad får vi då? Jo, den så kallade Iranska flyg olyckan.

Ja, jag och Prins Carl Philip skrattade ihjäl oss. Stackars folket. Som inte ens kan skydda dem själva.

Acropolis was Yanni's first live album, and used his core band with a full sixty piece orchestra,[14] the Royal Philharmonic Orchestra which was arranged and conducted by Iranian-American musician Shahrdad Rohani. "Wiki"

Vågar horan sätta sin fot utanför huset? Är horan i Sverige? En biljon mord, slyna. Är inte lite. Bara en riktig ängel, ser igenom en riktig hora till djävul!

Till Iranierna i Sverige!

Fröken slyna hade inte ens 1% skam i sin kropp, för att ställa sig upp och säga:

Vi har krigat sedan år 2014. Och, ja. Jag mördade alla i Sverige. Alla Iranierna för att komma åt henne.

Jag trodde aldrig att hon skulle krossa sönder oss. Vi var mer än två miljoner djävular emot en=1 ängel i Sverige.

Vi krossade sonder henne. Och på köpet mördade vi hennes, guld kusin: Hossein Tanani.

Jag fröken slyna utav planeten jord. Och har burit en annan mask bakom kulisserna. Ja, jag var deltagande i mordet på: 1 BILJON på planeten jord. Vi klarade det. Vi trodde aldrig, att hon skulle ta sig upp ifrån en sådan sorg. Vem skulle göra det? Jag hade dött. Om någon hade mördat mina vänner, artister, lärare, släktingar, "älskare", idoler osv.

Jag fröken slyna. Skall ställa mig upp framför alla poliserna och säga:

-Jag kopierade hennes Mail adresser och meddelanden. För allt handlade om oss. Vem i helvete, skulle tro på henne och en sådan berättelse? Så, vi fortsatte.

Hon skrev till sina släktingar i Stockholm. Till hennes kusiners mamma: Fakhri Hardani på Facebook.

-Säg till din man Johan Rönn att samla ihop allihopa i Stockholm. Ring poliserna och meddela om Hadrous släkten och regeringen. Iran samt Islamiska Republiken utav Iran. Få upp Iranierna, nu!

Fröken hora utav Stockholm. Trodde slynan att jag ej hade folk i Sverige? Inga vänner. Inga lärare. Inga släktingar. Ingenting?

Personligen till fröken Sofia. Prinsessan utav Sverige och till de goda polismännen där ute.

Jag vet i mitt hjärta, att det existerar goda polismän som icke visste om Illuminati dödsspelet, som djävularna kallar=Death soccer connection game.

Jag vet i mitt hjärta. Att det existerar riktiga änglar bland poliserna. För annars hade de ej, valt det yrket. Så, var snälla och lyssna riktigt noga. För detta kommer ifrån hjärtat.

Året var 2014.

Jag hade förlorat min Lill kusin och gav mig ut i världen. Jag åkte till Bali och Malaysia. När fröken hora, startade kriget emot mig.

Historien om allt som skedde, mellan åren 2014-2020. Är alldeles för lång, för mig att ta här. Men, det jag kan säga var att:

De ville få mig ned utanför Sverige, när jag var ensam. För då hade jag icke någon chans.

Fröken hora utav Stockholm. Jag är tillbaka i Sverige. Sedan lång tid tillbaka. Recovery och rehab. Se mig som: Rosa Parks.

Poliser sätt på Labyrint's låt - motattack i hela Stockholm när jag anländer där.

Rosa Parks - Satt kvar på bussen, trots hot och slag. Hon vägrade flytta på sig. Varför, fröken hora utav Sverige? Jo, för att hon stod upp för mänskliga rättigheter, barnens rättigheter och alla afro/Amerikanernas rättigheter. Har fröken slyna utav Sverige, någonsin läst historia? Nej, inte jag heller. Förutom när det kom till ett antal vettiga personer. Jag höll mig till min egna sanning. Därför, slyna valde Gud mig, för att nå ENLIGHTENMENT!

Till Kjell Haglunds dotter!

Jag begick ett brott. Ett fruktansvärt stort brott i deras ögon. Jag råkade kalla mig själv: Imam Al Mahdi 12.

Jag hade ingen aning. Om att bakom min rygg, så hade det namnet givits till någon annan. Till en kille i Sverige, som hette: Rawad Hadrous.

Jag svär på allt. Att historien även för mig, är så fucked up. Att jag själv inte kan tro det!

Kjell Haglund och Kjell Haglunds dotter!

Jag mötte denna kille på en Statoil mack i Malmö, år 2004.

Han stalkade mig som in i helvete, tills jag till slut. Gick med på en dejt.

Den var helt okej och sedan gick jag min väg.

Lång historia, kort.

Jag begick ett brott, Enligt deras "muslimska" Sekt regler. Där jag begick: ABORT. Efter 2 månader.

Therefore, all was killed!

Vi gick in i ett förhållande, år 2011. För enbart upp till 4 månader och sedan sprang jag ut därifrån. Ut ifrån helvetet.

Jag tänkte aldrig mer på historien. Människor går vidare. Punkt slut.

Vad jag fick veta år 2016. Var att ledaren i den stora gruppen djävular som hade attackerat mig, var exakt samma person som jag hade varit med i några månader, år 2011.

RAWAD HADROUS!

Jag hade kallat mig själv, med mitt riktiga namn: Imam Al Mahdi 12.

Abort och Imam Al Mahdi 12, gick ej i hop. I deras world.

Denna historia. Detta brott är så svårt för mig att prata om. Jag är fortfarande chockad! Jag behöver: SJUKHUS!

Why, did you not get me an new passport, when you were police officers. When I begged and said: I need hospital!

-----  
För många, många år sedan. Bestämde Zeitooni familjen i Sverige, med Palestinska/ Lebanon Hadrous släkten och Islamiska Republiken utav Iran. Att de skulle utnyttja Koranen och alla muslimska förutbestämda meningar om den sista imamen (profeten) som skulle komma till planeten, för att ljusa upp världen.

De snodde namnet: Imam Al Mahdi 12 och hade sedan, 20 år bestämt sig för en kille i Sverige. Nämligen planeten jords, enda och största djävul.

När jag säger enda. Menar jag: Enda utav den karaktären. Den största på planeten jord.

Så, varsågodas Sveriges poliser. De som står upp för kvinnors rätt och mänskliga rättigheter.

Detta är vad som har hänt!

Den riktiga imamen=Jag (ängeln utav planeten jord) hamnar i samma land som (djävulen) utav planeten. Inte bara det. Vi hamnar i samma stad och blir tillsammans och jag avslutar allt. Trodde jag!

-----

Trodde poliserna i Sverige och dess hor regering, att de hade med en liten flicka ifrån gatan att göra? En prostituerad luder, klädd i prinsess klänningar som horan Sofia? Ni, pratar med:

- Ägaren utav hela planeten jord.
- Ägaren utav alla bankerna på planeten.
- Ägaren utav den enda regeringen som härmed existerar - I AM JOY mother earth
- Ägaren utav landet Iran. PRINSESSAN utav PERSIA!
- Ägaren utav Nasa
- Ägaren utav hela internet samt teknologi på planeten.
- Ägaren utav alla skolorna samt sjukhusen på planeten.
- Ägaren utav alla atombomber, soldater och vapen.
- Ägaren utav allt. Alla länderna.

Slynan samlade ihop alla sina svenska horor till vänner. De så kallade: Rika och materialistiska SLYNORNA på planeten jord. Som: Carolina Gynning.

De tog boken och skapade en döds scen. Varsågoda och gå och intervjua horan utav Sverige idag.

De tog min e-bok=Män ser sex. Kvinnor ser ex och konverterade den till 5 mord. Nämligen Åhléns attacken i Stockholm stad. Den 7 april, 2017.

Så, ja! Jag förlorade en utav mina vackraste änglar på planeten jord: Nämligen Ebba. P.g.a. Svenska horornas avundsjuka.

-Varför älskar alla män henne? Samla ihop alla djävularna i Sverige. Fröken Sofia utav Stockholm, samlar ihop rike mans fittorna, till horungar. Som kommer att brännas upp levande i hela Sverige. Som Carolina Gynning.

Chris Bevington som ni vet, stod för Jesus.

Ni, vet Sveriges poliser. Att jag aldrig någonsin i mitt liv har läst om religion. Jag har enbart vetat att det finns någon som heter: Jesus och Buddha. Samt Shiva.

Jag har enbart trott på Gud. Som för mig har varit kärleken i hela universum. Jag har aldrig någonsin läst om några historiska konflikter, religions krig eller annat.

Det dem gjorde, har varit högt över alla brott tillsammans som har skett på planeten gentemot 1 enda kvinna.

Jag dog tre gånger, då de fick mitt hjärta att stanna. Ja, Jesus räddade mig med sina änglar.

Rawad Hadrous gick runt i Sverige och delade alla i två grupper och sade:

-Det är krig! Sahar Rezaie är ute efter att krossa sönder mig och min familj. Så, de fick alla på sin sida. Alla djävularna på planeten jord.

Ja, de krossade sönder mig och allt jag höll kärt och mördade 1 biljon människor de senaste åren på mitt namn. P.g.a. vad? Avundsjuka? Vad i helvete hade den porr HORAN, med mig att göra? Var vi gifta? Var vi tillsammans? Låg vi i samma säng? Eller, handlade det om riktiga Jesus (second coming)?

Jag kommer att vända hela universum upp och ned på Sverige. Jag kommer att dra ut moder jord, under deras fötter ut ifrån planeten. Jag kommer att få ut: ca 4 biljoner riktiga djävular på enbart 24 h ut ifrån planeten? Jag Sahar Rezaie kommer att krossa sönder hela planeten, uppifrån och ned. Jag kommer att skära sönder alla presidenter på planeten. Jag börjar med Sverige och avslutar med USA.

Hunden Solero!

Till alla poliser i Sverige. Först och främst tacka min mor och far, för att de valde att föda in mig in till denna värld. Men, ack så fel de hade, att de inte lyssnade på sitt hjärta och intuition som sade år: 1980.

-Åk, till Australien. Inte till Sverige.

Men ändå så åkte de till Sverige. Till det farligaste landet på hela planeten jord, bakom kulisserna. Där döds spelen utvecklades till full kraft.

John Lennon och Che Guevara dödas p.g.a. landet Sverige. Säg det till hela planeten jord.

Berätta för dem. För jag vågar ej. Att Che Guevara blev mördad bakom kulisserna utav Hadrous släkten.

Att Arafat blev mördad utav dem och Sveriges Regering och de andra. För jag vågar ej.

Tillbaks till hunden Solero.

Får min familj ej äga en hund? Efter allt som har skett gentemot min familj, utan stöd eller säkerhet ifrån en enda polis.

Jag sade.

-Efter att 1 biljon har blivit mördade p.g.a. mig. Får ej min familj äga en hund? Solero är vår familj medlem. Han är prinsen i vår familj. Det är min brors hund. Vi avgudar och älskar honom mer än allt.

Planen och orden är detta!

Poliserna ställ upp mina soldater.

Alla muslimer i landet Sverige med alla djävularna skall omedelbart ut ifrån moder jord. INTE en enda stannar kvar.

Hela Hadrous släkten skall brännas levande framför Sveriges regering, med Tanani och Zeitooni släkten.

Alla deras barn och barn barn, vänner och medarbetare skall alla omedelbart ut ifrån planeten jord.

Ställ mina soldater på plats. Sådana män. Som tar djävulska horor till massmördare som Novin Berwari, bort på en sekund. Och drar slynan i håret ut ifrån byggnaden, längst Sveriges vägar tills de har nått sin destination.

När de har nått sin destination. Så tar de fram: Kniv, betong, pistoler, skjutgevär, automat gevär och bomber.

Mina soldater krossar sönder.

De krossar sönder Novin Berwaris skalle, i biljoner bitar. Så, som horan gjorde med mitt. När slynan attackerade mig, 24/7 i månader, för att få ned mig i koma. För att sedan komma med: 1 biljon djävular i sömnen för att fortsätta spränga sönder min skalle.

\*Nålar, saxar, tändstift, eld redskap, stenar, baseball rack i betong. Allt skall ges till mina soldater. För de skall inte bara krossa. De skall BOMBA sönder!

Jag sade. Och jag säger det enbart en gång. Ställ för i helvete omedelbart upp mina svenska soldater. Efter 24 h jobbet, åker vi direkt till Iran!

Novin Berwari, sved det i ert arsle? Att vi inte accepterade djävular in till vår familj? Vad hade min abort, med dig att göra? Muslimska luder? Muslimska hora? Muslimska slyna? Var du min barnmorska? Eller min mamma? Kanske min lärare? Eller, kanske såg horan sig som min rival?

Vad hette din dotter? Lollo? Jag sade till dig slynan utav Allah. Hela Islam. Hela Jordanien, Lebanon och Syrien. Vad hette din lilla prinsessa till dotter? LOLLO?

A friend of Mehdi Zeitooni, when he was young. Always liked him, as my little brother.  
We talked many years ago, for the first time after such a long time. Where we both  
were so happy to talk to each other. And he said: I see you as my greatest inspiration.  
Brittney Murphy, Emil Forselius, Johanna Sallstrom and Malik Bendjelloul got killed,  
because of me and Daniel Socias talking to each other.

Javad Rezaie (Canada)

My greatest uncle got killed, because I loved him too much, by the Zeitooni once again.  
And because I loved him too much, 11 of September NY, was dedicated to me, him and  
my grandmother.

More than 2000 people killed there.

Volkan (Belgium) (Turkey)

Milad Ramanzankhani (Sweden)

An old friend to my brother and family.

of me, writing something to him about them on Facebook. Where I wrote: Number 3.

Poyan Ibrahimi (Sweden)

An old friend of mine, who I have loved since we were 7.

They killed everyone in the city of Gothenburg. Because I loved him, and also Zlatan Ibrahimovics brother.

Farzan Athari (Sweden)

He got arrested in Dubai, by the Zeitooni. Locked up for a few years in prison. A great Iranian model, got old and grey haired among all Arabs in a tough prison. Because I had him on my screen saver.

Both Rawad Hadrous and Mehdi Zeitooni saw that computer screen. With the most beautiful Farzan Athari.

They tried to kill him, because of that.

Michael (Australia)

Because I adored him, they took down the students and an police officer in KUOPIO, Finland

PART TWENTY FIVE!

End conclusion about the worlds largest death soccer connection game, behind the scenes.

\*9 means death. For me and many others. In many equations 9 meant=death. But, I also came to another conclusion.

If, you look at the look. You can see that there are still numbers left after 9.  
You have 15 seconds left from 9 back to 12. And 3 (strack).

15 seconds=6

3 strack

Paul Walker and Roger Rodas ended on 3-6.

So, I came to think. Why, is the death connection game of the devils on earth, based on 3 numbers?

Born: 3-3-3

Dead: 3-3-6

Why could it not be?

3-7-2-5-1-5-6?

Where did the 3 in a row come from?

You have 12 months. From January to December. The ninth month is my birth month: September.

In the death connection games. The devils only used the numbers: 1-9. I the other side, found all their numbers and their meanings.

Their code numbers and connections that I found:

11: Israel

10: Arafat

22: Victory

14: Queen

4: Devil

1-1-1: World Trade Center 11/9 NY + Rawad Hadrus

7/8: Putin, Carina Glattstein, Mehdi Zeitouni and Islamic Republic of Iran

CA: CAB=Cancer and CC=The twin sisters of Carina Glattstein and Casey Hjartirdottir

6-6-6: The devil

4/7: Fourth of July connected to John F Kennedy

29: Was the password of Rawad Hadrus

4-6: Was the code for Sweden

6-3: Was the death soccer code for FC. And every time that showed up, it meant: their deaths were connected to an Soccer game or other sport game. And the way to find that sport and specific match day, was by adding the numbers together and getting the 2-3 first letters of that team

11-12: War against the Imam 12

10: Stood for J=both Jerusalem and Jesus

511: Stood for Rawad Hadrus

STJ: Stood for Rawad Hadrus in the different death connection games

69: Was the devil

0-9-8: Was the password of Islamic Republic of Iran

10-11: Arafat vs Sharon

11-9: Anna Lindh, Tupac Amaru Shakur, NY attack and my birthday  
8-9: Toronto, Canada and Javad Rezaie  
4-4-4: The real angels

Look up: The clock.

First 30 seconds, you are alive on earth. Next 30 seconds leave to death.

Example: 7-9-6

2-7-9 Why?

60 seconds

30 seconds on every half

30 seconds there

Hosseini Tanani.

15 seconds + 15 seconds=30 seconds

15 seconds + 15 seconds=30 seconds=4=The devil

1-1-1-1/5-5-5=AE

AE is together with AI their two most important codes, of their death soccer FIFA games.  
With the President of Juventus, as their leader.

You have four of the worlds largest death soccer connection leaders. All four are the most hugest names in the soccer world. Like old coaches or new. And you also have four soccer players, who are leaders among all devils and soccer players.

You have 11 players on the field, in real life.

10 players and 1 goal keeper.

Back to the clock!

1-1-1-1/5-5-5=AE

You have 11 players. 10 players with the goal keeper. So, 1 is over.

You have 11 players. 10 players with the goal keeper. So, 1 is missing.

You have 12 hours on the clock and 12 months. If you should apply that to: 1-1-1-1. Then 1 and 1 would be missing.

You have 12 hours on the clock and 12 months. If you should apply that to 5-5-5-5=AE.  
Then 2 and 2 would be missing.

I do not know, what asshole to animal, created that death soccer connection game, that killed all on earth. From Bob Marley, to Tupac Shakur, to John Lennon, to Michael Jackson, to all children, soccer players, taxi drivers, doctors, teachers, coaches, priests, Imams, leaders, artists and so on.

12-9

Mr Paul Walker!

There is a reason to why, I have been so stuck on his and Roger Rodas death. Because, they are the perfect example of the worlds largest death soccer connection game. And how they did it!

I am after: REVENGE!

4-12/20-12/40/12-9 was written as an law, many hundreds of years ago. And it was the law of how many people on earth, that they should accomplish to kill with the death soccer devil game.

12 a clock, was the symbol for the devil. If you would have split the numbers, you would have gotten: 3=The father, the son and the Holy Ghost.

At nine a clock, humanity would have died. In their eyes. Because, they would have split the planet, so that it would stand on 3.

4-12/20-12/40/12-9

9 is the end on their time table for humanity, but not for them. The nine, did not stand for=9 billion human beings. It stood for:

Aliens!

Paul Walkers. Birthday 12-9.

If, the rules and laws were written many hundred years ago. Then how come, that number ended up in my studies? I could have looked up someone else than Paul Walker.

What I came to understand. Was that Paul Walker was connected to Che Guevara's death. And both were killed by the: Hadrous as the bosses and everyone else behind them.

Back to the numbers!

4-12/20-12/40/12-9

The 2/4 Stood for Adolf Hitler. Because he was not born as Adolf Hitler. He became Adolf Hitler.

And he became Adolf Hitler, not by chance. But, by choosing him, as the one who would match the calculations.

Adolf Hitler, came from the HADROUS. The Lebanon and Palestinian Hadrous. And all leaders on earth, knew what was going on behind the scenes.

How many Jews were killed under the holocaust?

5, 896 577?

Back to the numbers!

4-12/20-12/40/12-9

$4+1=5$ ,

$1-2-2-1-2=8$  ( $20-12=8$ )

$4+2+1+2=9$

$2+4=6$

WE ALREADY GOT: 5, 896 in a straight way. We only need 577.

$4+1=5$

$4+1+2=7$

$2-9=7$

WHAT DID WE GET?

Was it an conspiracy theory? Or, ENLIGHTENMENT?

Human beings killed under the holocaust: 5, 896 577?

BINGO!

Nobel, price. Thank you!

-----

The plan was: to do the same again. Behind the scenes. I am glad that those who died, are gone from earth. Because, I would not want them to see, what is going to happen from now on!

I am so sorry, Reeva Steenkamp's parents. But, it is better for your daughter, to be in heaven. In peace, serenity, harmony, love and light.

Then to witness, me crashing the whole fucking systems of all planet earth, and all devils.

I want and I am after: 150 meters of blood, all over the planet.

When, people look outside of their windows. They only see blood. Waves of blood. Devil blood. Ocean of blood.

I am just being honest. After what the hell, they put me through. The last six years. But, mostly all my life.

IT IS OVER!

Put, on a beautiful song for your daughter. And dance and sing. And say: Finally, it is over!

5, 896 577

That is the correct number of aliens on earth right now.

Is, that not true Mr Putin?

God, do not call me: Miss Einstein for nothing.

I even got a few visitations from Einstein, himself.

I felt very honored.

Last time, I saw him. Was yesterday, during an meeting with: Mr Arafat and Nelson Mandela!

I told you mother fucker. That I am the President of Mother Earth. I owe your atom bombs, your toilet at home, your airports, your bank cards, your passport, your roof over your head, your shoes, your prostitutes, your soldiers and even that shit that you shit, when you shit in the bathroom!

Mother fucker! You killed whole humanity behind the scenes and cloned them back, on earth. As aliens!

Did, you not? I said to you, mother fucker of the whole planet. Look at my paintings and numbers.

I said to you, animal. Did you not, commit that crime? Or, what?

Let's get back to reality, mother fucking WHORE! Let's stand still, with our two feet's on earth. Directly connected to Mother Earth.

5, 896 577 - 7, 5 billion people=What Putin?

All on earth, were killed and cloned. So that the whole planet would look beautiful and full. Is, that not correct, Mr Putin?

You have already had an URGENT- FN -MEETING yesterday?

Mother fucker!

At the exakt same time, date and place.

So, did I, Einstein (who came later), Arafat and Nelson Mandela.

Did, you not tell the world, about your urgent meeting?

-Holy Shit. Read all on her IPad. We are going down, with NASA!

Did, you not tell the world, about our angelic meeting over here?

Why, did you not tell the world. About yours and our meeting!

-----

Let's get back to the Paul Walker numbers!

4-12/20-12/40/12-9

What was the plan Putin? My theory is this:

4-1-2-20

Adolf Hitler

Born: 20 april 1889=2-4-8

Dead: 30 april 1945=3-4-1

4-4-1 (12)

4-4-1 is Hitler, right? You did something wrong with the calculations of Roger Rodas? He had: 4-1-4. Am I not right?

Let, us continue!

$8+3=11$

$2=1-1$ =Twin Towers of NY

40/12-9=

You put the 4 of Roger Rodas in Paul Walkers car!

-----  
Let us get back to the clock and your beautiful death soccer connection game, were you killed my:

Grandmother - The largest and the only Queen of Allah on earth.

The spiritual mother of: Imam Al Mahdi 12.

My uncle - The greatest and biggest gentleman of all. The angel of all angels. Javad Rezaie. Where you: WHORE OF THE WHOLE UNIVERSE in your death connection games called: Ravad!

Did Javad sound anything like Rawad?

Animal! It is over. I will find you and the rest of the 4 billion devils on earth. I say this in front of all police officers and soldiers, and men on earth. Do, anyone try to stop me. From killing Putin, Donald Trump, The Holocaust team of Hadrou, Zeitooni, Roothschild, Queens, Kings, Presidents and leaders. All leaders in Israel. Islamic Ummah and all Muslims on earth. The kings and Queens of Saudi's. The Swedish government and all the rest.

The next man, after me: Jesus Christ, will do the job! Don't try to disturb me. Respect, mother fuckers. The new president of Mother Earth!

-----  
We are not done!

5, 896 577 - 7, 5

What does numbers stand for? You want me, to tell the whole planet earth? Was it not you, who were the presidents? Where are my money? I owe all banks on earth.

To all men on the planet. Kick them out. And get me my money.  
I want them now, in 24 hours. After I have started to send out the rapport.

Date right now: 16, February, 2020  
Time: 19:12

I am still not, done! I am sorry! For what? It is my money!

The clock, Mr Putin!

12 rays  
60 seconds  
4 half's  
4 huge half's, from left to right. From north to south=Tamagotchi and pockemon, right?

Did, you have fun. Lead all young children on earth. Into the real GPS death soccer connection games of yours, through the two apps:

Tamagotchi and Pokémon?

I am so sorry, for the miss-spellings. I have never used those two apps! Do, not know their correct names. I speak through my: enlightenment!

4-12/20-12/40/12-9  
12-60-4-4-2

-----  
8-6/16/8/2(12-9)  
HF=Soccer  
AF=Adolf Hitler  
H=Hadrous  
B=Benjamin of Israel?

Am I not, right? Then why did you and all the rest of the presidents, Governments and leaders, who knew about the truth, let them be on the planet?

The clock is 12, Putin. You have Donald Trump, at 3. At 6 a clock you have Benjamin. At 9 a clock, you have the animals of Iran. Who do you have at 12 a clock? Rawad Hadrous?

Four billion devils against one. The president of the world. Why, Putin? I said to you, scared little animal. Tell the world, before you say: Good bye. Why?

Because, the four billion had chosen the worlds largest SHEYTAN. Named: Rawad Hadrous, to complete their mission on earth.

Gentlemans on Mother Earth. My own free spirit guys! Listen to this!

And, God, Jesus Christ and all Archangels had choosen me, to complete their: HEAVEN ON EARTH MISSION!

Are they allowed. To gather 4 billion, to take down the other one? The one having the same mission: Involving entire planet earth? Is, that not the hugest crime, that has ever been committed on earth?

They have one: Black "Jesus" who they call: Imam Al Mahdi 12=The true Satan of Mother Earth.

God has one true angel on the planet, the real white "Jesus copy lady" called: The real Imam Al Mahdi 12.

Do, NASA copy?

Who shall go and who shall stay?

The one who killed whole planet earth. The real Satan of the planet. Who was, the old: Adolf Hitler.

Or, the one who saved all children on earth. And the whole planet. All by herself. Fighting Satan. And saved the planet 3 times.band now the fourth?

What team shall stay and what team, shall go? Please, stand up in 30 seconds. After you read this and gather all good angel police officers and soldiers of Mother Earth!

Because, it is time for: WORLD WAR 3!

-----  
Satan split himself in two parts, alive on the planet.

Look, at the clock!

Rawad Hadrous got the right side of the clock. The numbers: 12-6  
Mehdi Zeitooni got the left side of the clock. The numbers: 6 back to 12

What I came to understand, after the worst years of my life. Was that: Rawad Hadrous killed all those, who were connected to his numbers. And a Mehdi Zeitooni, killed all those who were connected to his own numbers.

They split the planet into two parts.

The right side was mostly: all Christians, jews, lightworkers, ordinary people, free spirits and the rest.

The left side was mostly: Persian people, true Muslims and Middle East people.

The right side was owned by: Donald Trump, Putin, Israel, Rockefeller's, Illuminati and Rothschilds.

The left side was owned by: Islamic Republic of Iran, Islamic Ummah, Kings of Saudi, Swedish government and the police officers of Mother Earth.

12-6 (one straight line)=Was Buddhism and hindu people. Who had nothing to do, with the devils together with the: Inka Indians.

They were trapped inside the clock. Being pushed from both sides.

Mehdi Zeitooni and Rawad Hadrous, completed their task.

What is there left, from the planet?

While, you idiots believed in everything that you saw and read on the news.

Terror, terror, terror. Devils, devils, devils.

Isis, Isis, Isis, Isis!

More drama, more bombs, more drama, idiots. More drama for them, so that they won't follow the:

IMAM AL MAHDI 12

You have right side of the clock=Rawad Hadrous.

You have left side of the clock=Mehdi Zeitooni.

11/1=12

But, you made one mistake. The 12 was mine!

Imam Al Mahdi 12. That was my name. The nick name that I got from God. You all thought that you could all together, against one. Delete from away, from the planet?

Real men of planet earth. Stand up, now. Like you are standing up, for your own blood sister, mother and wife!

They thought, that they could just throw me out of the planet?

Over my dead body. When I am finished with them all. I leave by myself.

I have two legs, two feet's and an head. I find my way out, of the planet!

-----

The sign of Infinity: The universe. It had no beginning nor an end. Right?

That is how they all worked through the death soccer connection games.

They got help from the Egyptian old Gods and kings!

I have seen it with my own eyes.

I got the mother fucking: Zeus on me.

I swear on my mother life. That Putin and Islamic Republic of Iran, sent the Egyptian old kings and Queens on me. With their mother fucking, old and evil King of a God: Zeus on me.

That is how, I got the whole universe over my head. And begged: Jesus Christ for help.

Yes, they helped me from their: Egyptian Gods.

All free spirits of Mother Earth, stand up.

Joe Reagon, if you do not stand up. I will get all Iranian on earth, to kill you and your children next week. And then I kick them also out!

I have become as an robot. Robot cop. Worst than you, on the soccer field. Cry, a little bit. For your baby brother, and me. We want to see: Zlatan Ibrahimovic's cry)

Hi, brother!

You remember me, right? Your own pinky red feather brother? The one who carried you with him everywhere? I am back, through her.

She fought for you brother. So, that they would not take your life. She fought against the whole world, for her biggest gentleman of Sweden: Mr Pinky red feathers brother.

I want to tell you, that I am watching over you. Please, hurry up. And get my red feather and pink shoes!

I never thought that my own brother would fail, to tell me the truth. That I never wore those shoes. Only him did. In the game against the whole world.

Brother, time has passed. I am writing to you, so that the whole country of Sweden knows, who saved my brothers life.

Brother, if you were in her shoes. In a real death soccer game, all alone against all devils on earth. How would you manage it?

Would you go crazy? Loose weight? No sleep? No where to go? No one to talk to? No place to hide?

Put yourself in her shoes. What they did.

Sweden is the capital country of Sheytan. They killed your own brother and then put him into the Swedish national team of soccer, to kill him. Through air plane "accident".

Year, 2015.

This madame did a death soccer project Infinity connection paper. Where I don't know where she got the numbers from. Maybe her own God. Because we don't know, how her numbers saved your life.

You were my brother and still is. My dear and lonely Zlatan Ibrahimovic. Don't worry. You have met someone that is more lonely than you.

They hit you in real soccer games? On real soccer fields? They hit her in real life, in real death soccer game. The worlds largest death soccer game, that they played behind the scenes, and gave your own brother sickness as "cancer" to kill him and you.

Tell my mother, to move now. And my sisters. My rich brother, takes everyone out of the country today.

See you soon!  
Sapko

Live Death soccer game connection!

One of the most profound evidences that I found, was by following the soccer interest of the brothers of Hadrous.

Juventus: Rawad Hadrous  
Sampdoria: Rami Hadrous  
Real Madrid: Rani Hadrous

Sapko Ibrahimovic, have something to tell whole planet earth!

I am alive now, through her. I have traveled far, to be here with her. I am alive, and right now watching a beautiful woman holding an intervjue, with me.

I am telling you all. That I did not come from such a far place, just for fun. I am telling you all. That my mother is my most precious thing in the world.

Empty Sweden and take everyone out. Take my family and Sahar Rezaie's family out.

Here comes the story!

Rawad Hadrous is my friend. He was my high school friend. He earned me a lot of money and brought me prostitutes.

He helped me move my things, from one place to the other. From Sahar Rezaie's apartment to an garbage can.

She did not know, that I was Zlatan Ibrahimovic's brother. He never told her.

I am going to tell whole Sweden and Hadrous one thing. It's over.

It's over with your death soccer games. It's over with using mine and hers birth numbers to kill the children of Mother Earth.

Why? Just to piss me off? Just to tell her:

-Look, I brought him home to you. And he helped me. And then I killed him. Because you were in love with his brother. Loving Mr Zlatan Ibrahimovic's.

I am not here, to tell you. What is wrong or right. I am here to tell you, that it is over.

Adolf Hitler, did the same. To the Jews.

He took people who were Jews and killed them.

That is exactly, what has happened here.

I am Zlatan Ibrahimovics brother. His own flesh and blood. I had an life. An beautiful life.

I am happy now. I am in love with my new own life. I am in love with the life of Mr Jesus Christ.

He took all the people who were killed by the devils of planet earth, and put them under his roof.

He gave me the nick name: Rose.

He said: If, they try to steal your rose, once again. You have the protection of whole planet earth and the universe.

I am happy to be dead. I am happy to be so free. I am happy to be without the Hadrous.

She gave me my life back. When she told me:

-I am after them. I will not leave Mother Earth, until they are done. I am after them all. I will take them all down.

To Zlatan Ibrahimovic's

They are 4 billion against one.

My brother, she is laughing infront of me. Not caring about the numbers. Just want to throw an atom bomb, over everyone.

She is now, the owner of everything on earth. And she owes our own country of Yugoslavia.

I am here to tell you, that I am not after war. Nobody is. But when 4 billion of the worlds largest devils attack one single woman, what should you do.

Zlatan Ibrahimovic's!

My brother. My dear brother. We are talking about real: SHEYTANS!

We are real Muslims. You, me and Sahar. We know, who is who. We know each other, from heart to soul. We were all born, from your mother. The same mother of hers.

Get up, my brother. As an king. My king and hers. We are after war. The biggest one ever been done on Mother Earth. Get my mother out of Sweden.

You are where? In United States? Among them all? Among all my murderers?

You are where? In Sweden? Among all my murderers?

Hadrour! GET THEM TODAY! For Sahar and Sapko.

-----

Zlatan, I am so sorry. To interrupt you and your brothers beautiful, heart to soul connecting.

But, I have to jump in here, before he continues!

I am pissed off. Zlatan, I am dying here. Out of anger. Please, make my biggest dream in life come true. Please, as an brother. My own brother.

\*Call all of your soccer friends and say: find an empty stadium today. The biggest one on earth. Today and now. She needs to kill them all tonight. She can't wait until tomorrow.

Could you, Zlatan?

I only did it, for the sake of my: enlightenment. Breathed in and out. And I can't do it anymore. I want to meet them, all tonight. All, 4 billion devils of: death soccer connection games. All their leaders and death soccer devils. I want to meet Mr Putin, tonight.

I want to spit at him, infront of all presidents and leaders. All kings of the banks. I want to take an gun, and shoot him. From morning until midnight. Only him, with 1 million shots.

And then afterwards, cut up his whole body. Cut, him off. From eyes, to head, to mouth, to legs, to knees. From above his head, down to his toes.

I need to do that, to all presidents of Mother Earth. Even the Old ones, like: Bush, Hillary Clinton, that devil whores, prostitute to husband, Obama, Michelle Obama, Stefan Lovfen, all Royal families, Kimmy Kim Kardashian, Queen Rania, the Hadrous, the Swedish government, al, police officers.

I need to do it TONIGHT! For my own soul.

I am grown up, now, I am the only human being from Mother Earth, who have ever reached: enlightenment. I am no kid, anymore. I am more grown up, then all, in The Whole universe.

Just, because I laugh and joke a lot. Curse, and do not care on a stupid Ipad. That does not mean, that I do not care in real life.

Zlatan, I need to kill them all tonight. For what they all did to me the last 6 years.

They killed 1 billion people of Mother Earth, and laughed at me. Tortured me to death . Just, to isolate me. So, that I would not reach out to Zlatan. Because then they would kill his other brother.

What do you call that?

I call it: Cheap, afraid, low mother fuckers! Who could not take me, one by one.

-We want you all alone!

Zlatan? My, brother! That is fine. I swear on everything, that it is fine.

Then gather all men, for me on earth. Al, good angel soccer players and leaders. Such as Guardiola. And say:

Sahar, the Imam just wants us all, in the audience of that soccer Arena. Because, they still wants her all alone.

We only sit in that arena, and watch. And look, at what a fuck they are going to do now!

Here comes your brother, Sapko again!

I made an joke!

I take Sapko, with me everywhere. And make money out of him. If, Zlatan calls me. And says:

-Ey, Sahar. Where is my brother? Put him on the phone for me. I would say:

-Who?

Swedbank

Clearings number: 8480-6

Bank-number: 994 994 192-8

Name: Sahar Rezaie

I want 1 million dollars! Every time, you want him to speak to you. I owe him now. Money does not come easy, these days Zlatan. You have to work hard for your money!

Did, you know Zlatan, that I was the best forward of my soccer team, as young? Yes, I played both soccer and basketball. I always won Oscars, for my performance on stage. I loved playing soccer.

Who the fuck, could believe that I one day. Would become: The president of the world, on day. And speak directly to your (Not, lost) but dearly found brother: Sapko Ibrahimovic and become the leader of humanity, for soccer team: ANGELS.

-----

Order Fran Sapko!

Zlatan. Here Ipad don't have swedish letters, so we have to take everything in English. We had to take an break.

I am going to take over and lead you all into the greatest victory ever.

I am going to take you all into my own war.

Rawad Hadrour: 1979-11-01 killed me, and used her: element to count out who he wanted to take.

He counted all lines on the (element) in her apartment in:

Ahusgatan 7  
214 38  
Malmo, Sweden

(Devil: Novin Berwari)

He saw that I was in her apartment that night, when he counted the: element. So, he counted everything to me.

Call the police officers in Sweden and say:

Where is Sapko? Where is his lines and numbers? Where is his shoes? He took them off, when he came into her house: ADIDAS?

Three lines?

Where are my shoes? Where are my clothes? Where are here clothes? Where are they?

Is that not proof? Is that not counted as proof? Go to:

Ahusgatan 7  
214 38  
Malmo, Sweden

Count all elements.

Sapko says: In the kitchen. You have: Greta Garbo, Sapko, Hossein Tanani, Reeva Steenkamp, Tito Vilanova, Cruyff, Tupac Amaru Shakur, Nate Dogg, Johanna Sallstrom, Kim Wall, Emil Forselius, Ahmed Obaid, Tova Moberg, Ahlens attentat, All bombings in London, Green Fell Tower, Ariana Grande Manchester Arena bombings, Malik Benjalloul, Brittney Murphy, Nate Dogg, Aaliyah, Left Eye Lopez, Whitney Houston, Whitney Houston's daughter, Robby Williams, Prince, Paul Walker and Roger Rodas, Chapocoense flight crash, Two miss universes of Venezuela, Chafic Mourtada in Advance Patrol, Kobe Bryant, Angla Juncosa, Kevin, all murders of Malmo and whole planet earth.

Sapko says to Zlatan Ibrahimovic's!

Brother. My only brother. You are my everything. My heart. And my life. I am proud of you. For everything that you have done. You are my everything on earth.

Gather all my men. I am after war.

Sapko says: The apartment is still there. With the same material. Except 90%. Go and took a look.

Be my police officer. Count the: elements and say:

They killed my brother. My Sapko, through counting the: elements in her apartment? Because she is: IMAM AL MAHDI 12?

-----  
I am here to talk to all police officers in Sweden.

This is: Hossein Tanani.

You were there right? Fylking gatan 25B? Malmo? Did you not, know who she was? My dear cousin: Sahar Rezaie Bavi? The greatest of the greatest. My biggest inspiration in life.

I did not know, that she was the: Imam Al Mahdi 12. She never told anyone or anyone in the family.

They killed my whole family. Grandmother and uncle: Javad Rezaie.

Javad Rezaie is here, to talk!

-----  
I am Javad Rezaie!

Her spiritual father. Your country, the country of Sweden killed me, through your death soccer connection game, and put me together with Anna Lindh, my own mother, Tupac Shakur and NY Twin Towers attack.

You put my own mother: Hamideh Aleshtari killed 14 of september in section=K  
And Anna Lindh, killed because of her having her as an rolemodel, on her birthday. In death section=11=What?

I said, what? Animals, I said what? KOSKESH. Stand up, scared little animals of the government, I said what?

14=N

11=K

Killed in a specific store in NK?

You killed me, 3 days before her birthday. My mother. Her own grandmother, 3 days after her birthday of: 11 September and our own angel kid=Hosseini Tanani.

3/3 Year: 2013?

Is, that not clue enough? Did she need to make: 2000 pages of mathematics to prove that they killed all on Mother Earth, because of her?

Sweden is my country. My family lives there. Her own mother and father. Sister and brother. And our angel kids: Dominik and Samiyar.

Take those two kids out of Sweden, into real protection. The whole family of Sahar Rezaie. Because blood war is going to be shred in Sweden, over the devils of the planet.

Canada was my country. Toronto my home. I knew that country, better than anyone.

I knew my people and who to watch out for.

I never liked Afro American people. Why? Because, they were evil to me.

She went into an high school. A very ugly one. In Scarborough. I never liked that high school.

I told my own cousin: Abed Tanani.

-I hate her school. I hate the Afro American guys looking at my daughter. And her body. I want to kill them.

A few years later. I found out that she was together with the devil of Sweden. Why? No one knew, then. Only her soul.

I booked a ticket to come to Sweden. Packed my bag. And died with the ticket in my hand and bag at the side. All alone.

A few hours before the flight was going to leave.

She started to hang out with all devils after my death. Took torture after torture, after torture. Was all alone in their devil game.

Me: Javad Rezaie. Took all their names with me to the grave. You want to know, who in your country who killed me:

Massomeh Rezaie's sister=Sedigeh Rezaie  
Sara Tanani and her sister: Aida Tanani

Do, the police officers of Sweden want to know. Who Aida Tanani is?

I have spies, In Sweden. My own love daughter: Sahar Rezaie.

Hadrous family, Zeitooni family, Swedish Government, Islamic Republic of Iran, Putin, Islamic Ummah, Kings of Saudi, Tanani, Israel and the rest. Why?

Because she was: Imam Al Mahdi 12!

---

The greatest gentleman that ever lived on earth. They called him, the Persian Tupac. Yes, this is me: Javad Rezaie, still speaking!

Swedish Police officers! Off course, you did not want him, the greatest one of Canada, coming into your country, even for 3 days.

He would have changed the whole country in 60 minutes. He would have spitted on all the "Muslim" devils. He would have created (disharmony) in your "safe" country in 10 minutes. He would have walked straight up to the Swedish Government and said: What a fuck is this? What a hell, is this for an dark country? He would have stolen, all your blond and beautiful, blue eyed ladies, in 4 hours. All men would have been divorced.

In, one week. The whole country would be another one. He would have ripped all devils out of Sweden. He would have have taken the: Zeitooni in their ears, in one second, they would all get gone, in 2 days.

That was: Javad Rezaie.

The one, you let: Rawad Hadrus and Mehdi Zeitooni kill.

Let us start with Rawad Hadrus. My own uncles biggest enemy.

Casino addict, heroin addict, cocaine addict, prostitute addict, poker addict. Stole money from all in Jerusalem, to Sweden. To, pay for his disgusting arabic, devil prostitutes, from Denmark.

The same devil, who raped all babies and children in Sweden. Taking them all into: porn and sex trafficking. With the knowledge of all police officers.

The same devil. Who slept in the Casino houses of Scandinavia. Killed all on earth, to get money for: whores, prostitutes, poker and drugs.

Killed all on earth!

Mehdi Zeitooni: Even had the nerve to sell his biggest devil father, for some hashish and heroin. The biggest drug addict of the planet. Lived on the streets, just to sell drugs to all young kids. Took all young girls to Dubai. To, sell them of as prostitutes. Killed all on earth, with his huge devil family: Zeitooni.

The one and only family, that all on Mother Earth have looked and searched for. For more than thousands of years. We, go right back to the time of: JESUS!

Let, my angel gentleman Javad Rezaie, speak! Who, are they? And, who was he? Please, give me an break?

-----

Swedish Government and all police officers in Sweden. Tomorrow it is your turn. Maybe, in 1 hour, from now. Or, 20 seconds.

Okey!

For the ones, who have read until now. I have reached enlightenment. And that means: I am only following my heart, every second.

What you are doing now. Is, reading everything on this paper/rapport while I am writing it.

I am ahead of you in time, space and place. So, while I am writing. I can see an young boy, in Hong Kong, right now say: Holy shit. What happens next?

Did, you all know. That I am both writing and copying old text in here, at the same time?

I have no clue, what comes next. I have no clue, what Javad Rezaie, from a few days ago said, or wanted to say. I do not remember.

That is the world of: enlightenment. You only remember, what is crucial for the now. In, this moment.

I was going through the rapport. Just, to make it easier for you, I swear on my own brothers life.

If, anyone would give me an rapport like this a few years ago, I would say: What a fuck, is this? I do not understand anything. I will look at it later.

My, boyfriend is waiting. My job is waiting. My boss is waiting. Facebook is waiting. My Instagram and my own life is waiting.

So, even if I get angry at you, as hell. Wanting to take you all out of Mother Earth. Because, if the 4 billion devils. I can put myself in your shoes. Because I was there. Living your lives.

Arrogant, sex and the city life, not caring, did not want to get involved in drama, wanted to be "stress free", let me live my own life, no orders please.

I know, where you come from. Because I have been there! But, remember one thing, I have done you and all your kids and children a big favour. By telling you the truth about the devils, and their death soccer games.

If, I had kids. I would have liked, someone punch me in the face. As the hardest teacher of God, screaming and yelling: Wake up!

All my old teachers were like that.

Tough and hard. Extremely hard!

You are on your own. What ever happens in your life. But, there comes a time. When the problem is no more mine. I can't handle all: Zlatan Ibrahimovic's enemies, just because I am an angle. That was his wife's, problems. I can't handle Messis enemies. That was his wife's issues.

Why, did you marry an soccer player? One of the greatest ones one earth? If, you could not protect his children? That is not my problem.

Zlatan, listen to me very careful. What kind of dilemma I am in.

I have to, under my recovery finish this rapport. Do, you know how hard it is to wright about it? And under enlightenment? With all injuries? Still, deep injuries?

Why, did not the Swedish Government and all police officers warn you, Zlatan?

I wrote to all, year 2016.

I said to them, please. Take them and save the world.

So, what I have to do. After I heard about: Kobe Bryant is to write it all down on my IPad, and send it all out to you.

But, I swear Zlatan! This time it is: 99% money. And 1% your disgusting lives.

Get, up! For God, sake. And create my: HEAVEN ON EARTH.

I have just won all banks on earth. We can all. If, we take care of the planet at the same time, live as the happiest mother fuckers on earth. An totally new planet. Full of happiness, joy and creativity.

But, the problem is: the 4 billions of Putin, with his two little devil puppies: Rawad Hadrous and Mehdi Zeitooni who does not want that.

I am more smart, intelligent and mature than that, Zlatan.

So, let's fight for the planet. In one last soccer game! Finale Grande!

-----  
Back to the old text of my uncle, Javad Rezaie!

Further down, the rapport. You will understand, what I have been doing, the last years. To save your asses!

Som to Milad Ramanzankhani. He killed: 1 billion on earth.

Mehdi Zeitooni, because I wrote the message to you, on Facebook year: 2014

Milad, he will take down your 3 Viskan restaurants. He took down World Trade center, because he knew about my connection to Mr Jesus Christ!

I never saw, Jesus Christ. Why, because he droged me down. I did not know, anything about: Gods, religions, Jesus Christ, Archangels or anything else.

I did not know, who Mehdi Zeitooni was, until,my young cousin Hossein Tanani died.

So, he bombed down with the family of Hadrous, the Ahlens.

Because, I warned you and saved your whole family!

Milad Ramanzankhani. Later, Josef from Boras will speak. To Sam and Malle (Mohammed). Get up, all of you and for God sake.

Take the: Zeitooni, Hadrous and Tanani in Sweden out of Mother Earth! Torokhodah tohn. Shall the angels and God, and all the dead ones on on the other side, suffer for ever?

Trying, to attack me. Over and over again. To get to Mr Jesus Christ?

Just, because I have reached: enlightenment? What kind of life, is that?

Please, Milad!

Let us, celebrate!

Tito Vilanova and Cruyff are happy to not live in earth anymore. But, angry on all in Sweden.

It has taken 6 years. With millions of warnings to the Swedish Government and police officers.

-Why, the hell? Are you not taking:

Rawad Hadrous and Mehdi Zeitooni, with their whole: Holocaust devil soccer teams out of the fucking Mother Earth?

Milad, they stopped me. The angel of Mother Earth. With my true story. To kill the Hadrous and their devil soccer team 9 months ago.

The Swedish Government, instead licked me up in: Mental hospital prison.

-You are sick and insane. And anger to us and yourself!

Offcourse, I am mother fuckers!

Tomorrow, my brother: Milad Ramanzankhani will get the family of Hadrous out of planet earth. For killing all 17 Iranian from the: Iranian flight crash, 8/1-2020.

Milad Ramanzankhani!

Jesus Christ, says:

Every minute she tries to stop writing, and follow her old schemes of routine. We say: let go and relax.

She has just not learned to relax. You know why?

4 billion devils on one girl, is not an small account.

Why, are you standing still?

My, brother!

We, are finish off the project. Just, going through sone small things. But, for her soul: it means the world.

\*She has just saved the Jews, from the: Second holocaust. If, Hadrous team of dead soccer goes away.

\*She has just won, finally. Over the dead: Swedish government with their Princess whore.

\*She has just won Iran.

Okey, planet earth. Do not listen to her, at the end of the rapport. Because, Jesus Christ is in her.

When she says: take the whole planet away. I alone stay. That means=Only her and Jesus Christ.

When she says: Take the whole planet away. She and Tupac Shakur, playing hoods from old days. That means=Poease, help us with the most disgusting: Illuminati.

So, Milad. Please!

Did, you my brother know. How much, I Jesus Christ have suffered because of you? Just, because you look like Jesus?

One day, my brother I will tell you all.

All the madness stories of you: Milad Ramanzankhani. Just, because you look and looked like me.

Ask, Rawad Hadrous and Mehdi Zeitooni what they did?

They took down, the Chapocoense flight. Just, because they had an member in the soccer team named: Jesus.

I and Sahar have had fight about you. With you all archangels. God, got involved and all the dead ones.

Paul Walker:

Has asked!

Please, tell me. Who the fuck, is Milad Ramanzankhani? Why, are you arguing about him, everyday?

Jesus said:

Nobody, Paul. He wants to act and behave like me. Be like me. Talk as me. An copy of the real: Jesus Christ!

Yes, Milad. I even saw your picture in her own inner world. In her heart.

-So, that is (your) Milad?

-That is you, Jesus. He just looked like you. I thought that he was the second coming of Jesus. Because, Rawad Hadrous and Mehdi Zeitooni made me think so.

From Jesus Christ, to Milad (The second coming of Persian look a like: Jesus)

-Are all Iranian woman like that? That embarrassing? I thought that she was your: queen of Persia? I never thought that Iranian woman, would have that much drama and issues.

If, I Jesus would come down to earth, tomorrow. What would I say to Milad or Sam Bavi?

-I am so sorry. I thought that you could take them down. So, that I could focus on my beauty Queens Persia?

-I am not going to say that. Because I was the one, fighting all bloodly against the devil himself: RAWAD HADROUS AND MEHDI ZEITOONI.

Jesus Christ says:

Rawad Hadrous only dream in life was:

I win whole Illuminati's heart and al, prostitute woman on earth, to do the dirty shit for me.

All the killings and stealing.

So, he gathered. Like the Satan, that he are. All the devil woman's of Illuminati.

Boras, Milad. Who only saw: Kim Kardashian and Beyoncé Knowles on tv.

Haifa Wehbe and Nancy Ajram. Together with the Queen Rania of Jordanian.

Do, you know, what he did? The son of an bitch?

Is, his mother still alive? With sisters: Ayat Hadrous, Novin Berwari and the rest?

He gathered them all. And promised them, all the money in the universe.

He got money from Roothschilds in Sweden. Did, you know. That they owed all your banks?

He got Roothschilds in his side. And got all prostitute devils on the planet.

Roothschilds said:

Kill: Imam Al Mahdi 12: Sahar Rezaie in Sweden. And you get all Devil whores of Illuminati.

So, Milad. As great as she is. She took the pain of the whole universe. And Mr Jesus Christ fighting against all her devil whores, so that she could reach: enlightenment!

Kill him today, tomorrow and the day after tomorrow. Write on all your Facebook pages:

-Is, Rawad Hadrous, still alive? And everyone is his huge: 4 billion devil family of Illuminati? Kill them all today. Search, and go through all the planet. Kill all who are related to him. Today, please Milad. Today!

Milad, from me Sahar!

When You see:

The three brothers of Hadrous: Rami, Rani and Rawad Hadrous. Let, Mehdi Seyyed (Our Old Bandidos Persian Mafia) take care of them.

He knows how to handle them!

Just from me, Tell Mehdi Seyyed!

\*Toooooof. Toooooof. Toooooof. To sohrahten shon kohn. Mehdi Seyyed I am begging You. Take Bandidos, in front of the Swedish Government and all Their Swedish Police officers.

Bring all Hadrous, and all around them (The whole country, except a few) in front of the Swedish Government. And show them my: Enlightenment picture.

Mehdi Seyyed! Tooof, toooof, toooof rohshon bekon. And say: This is for the latest: Iranian flight crash of Iran. Took, tooof, tooof.

Take Rani Hadrous, Wife: NOVIN BERWARI and his sisters and Mother. And Kill them, million times all over again.

You Kill them Once. Kill them, again. You Kill them twice. Kill them, a third time. Continue. Until, the Iranian on your side says: Mehdi, You are all burned out. Now, it is Our Turn. We Will Kill them: 1 BILLION TIMES ALL OVER, AGAIN!

-----

Back to Javad Rezaie!

My own family lived in Solhem, in Boras!

Sahar Rezaie, had the same room. In the same direction of the house, as they did in Toronto, Canada.

She had an hideaway place in her wardrobe. Where she put all her small coins that she collected.

SHE WAS YOUNG AND RICH!

She had everything. Two parents who loved her and gave her everything. People from all over the world, loving her and giving her money and everything.

Where you that jealous? Could your own family of Saudi, not handle her? The daughter of: Javad Rezaie?

Could your own, princesses and Queens not handle her?

I am not, like your Arabs, Iranians or your Muslims. They call me: The rough one. For one reason: I CRUSH.

That is why, you put me into jail in United States. Because, I was on you back right, then?

Police officers of SWEDEN?

All Dead ones back for Revenge? The biggest ones Who lived on earth?

Maybe, Rawad Hadrous was in Jerusalem, When HE KILLED JESUS CHRIST THE FIRST TIME?

Javad Rezaie, Massomeh Rezaie and Sahar Rezaie, wants to know.

Was, it Rawad Hadrous Who cruxified Jesus Christ on the Cross, million times ago, and then switched into: Adolf Hitler and then into: Cute, Leo Dicaprio, little bad Boy, children Dominik style?

Dead Dayi Javad (uncle Dead Javad of Sahar Rezaie) says:

There is an reason, why: Milad Ramanzankhani. Sahar calls Her Dead soul Family: The only family of the angels).

I swear I: Javad Rezaie. Knew Nothing about: Archangels And Jesus. Until, the two "devil" children of mine.

Hossein Tanani and Sahar Rezaie, brought all on me.

Milad: I Javad Rezaie, lived an luxuries WHORE life in Toronto, with all girls and Woman. Who loved me. Just like you.

Devil after devil.

Until, the two twin sisters and brothers: Sahar Rezaie and Hossein Tanani brought me all in their drama.

Jesus Christ, Who? Deep, in my "angel" sleep?

Hossein Tanani

-Daji, Daji, Daji! Bohlansho! Daji, Daji, Daji! Darah, Sahar va Jesus Christ mikoshan!

Me, Javad Rezaie in deep sleep, among my New (whores) in heaven. Upgraded!

Uncle (Dead) Javad Rezaie, speaking!

I was with Sahar Rezaie, in CN Tower in Toronto, many many years ago. To, show her and her father. Son and mother. The city of Toronto.

We went and had so much fun. We looked over the city and took so many pictures.

Was that why, you choosed: NY, Twin Towers?

I am going to kill you with whole United States and Canada. I owe Canada now, through my own daughter: Sahar Rezaie.

Why is America that dark? Why is it still filled with Afro Americans? Are they there to fill up the place with darkness?

I am going to take all out of United States. And put them in: Hell.

I am going to take all out of Sweden too. I will come after you all.

My life was great. I had fun. I lived life to the highest level. More free than anyone. No marriage. No kids. No boundaries. I had it all.

Just like my daughter. No, kids, no man, no nothing. She is more free than anyone on earth.

You killed her 3 times? And million murder attempts?

DONT YOU UNDERSTAND WHO: IMAM AL MAHDI 12 is?

They can't kill her. But, why try so many times? Million murder attempts? Under coma, with Putin the animal and the Islamic Republic of Iran?

Putin is mine. I am an gentleman. I never fight for woman. Except for my: ANGEL.

Country of Iran, is hers.

Date: 1 feb, 2020

Signatur: Javad Rezaie and God

It's over! It's over. Pack your bags. Because you are going back to hell. I am only her uncle, in your beautiful eyes. But, the worlds largest angel in hers and God.

Uncle: Javad Rezaie says:

This time, it is final.

The flight crash of Iran. 8 January, 2020. Was the last murder in my home countries name: Canada.

I am not here to fight. I am no devil.  
I did not come to argue. I am no man slaughter.  
But, I am after to kill all on earth.

The flight crash of Iran. 8 January, 2020. Was because of me.

Go, and find my flight ticket, of when I was coming to Sweden and when I died. Look, through all your beautiful systems and the programs of all police officers on earth.

My name is famous.

I never was famous, nor did I try. But, I liked to be loved by all people. And the good and right ones, they loved me.

The police officers in Sweden.

Did they try to reach me that day? The day that I was supposed to take the flight to Sweden, a few hours before I got killed in the sleep, as: Hossien Tanani?

I missed the call. Was it important? Can you please, leave the message to her now?

The greatest angel of the heavens and above. Sahar Rezaie Bavi's own father angel: Javad Rezaie

-----  
I am Sapko Ibrahimovic!

Suck my dick!

I was one of the names, in their long list of deaths. Who was the person, seconds before me and who was the person, the seconds after me?

What did you want from me? What had I done? Why me?

Because he hated my brother? Because he was jealous of Zlatan Ibrahimovic?

This is how it works!

He never attacks the real persons that he hate and who he is jealous of. He goes through every person, and choose their nearest one's that they love.

I loved Zlatan and he loved me to death. He was my greatest teacher and rolemodel.

I am right now, sitting in Sahar Rezaie's hotel room. With Mr Jesus Christ, God and all angels.

They want her to finish off everything vryle beautiful and take down the planet. So, that she can move on, to: Heaven.

Me: Sapko Ibrahimovic. Did not come, to tell you all. How you should live or be. I am happy that I can say, what is on my mind.

Jag var lycklig. Jag hade allt. Min familj var stor och storslagna. Vi älskade henne ifrån hela vårt hjärta. De som innan mig hade gått bort.

Jag fick reda på. När jag dog. Att en tjej, jag träffat var: Imam Al Mahdi 12. Gudinnan utav hela planeten jord och att Rawad Hadrous. Satan utav planeten, skulle döda henne.

Jag träffade henne enbart en gång. I en flytt. I hennes döds lägenhet. Jag blev inblandad i en döds fälla. Han sade:

-Titta på henne och spotta på den koranen som hon har i lägenheten. Hon är: Sheytan.

Jag har hittat: Sheytan utav planeten jord som kommer att döda alla muslimerna för att de inte lever enligt hennes: Dalai Lama regler. Kärlek och ljus. Love and compassion på högsta nivå.

Han spottade på hennes koran. Hennes mormors koran. Han sade: Men, jag älskar henne för mycket, för att döda henne.

Jag blev helt ställd. Varför säga något sådant till mig?

Jag är: ZLATAN IBRAHIMOVIC'S bror. Jag är hans stolthet. Jag är hans enda vän. I en kall värld. Och vi är muslimer.

Jag spottade på marken och sade: Gosheh sheyton kar! Fast på mitt språk.

-Han är djävulen. Vad gör hon med honom?

Jag fick reda på att det var slut och att hon hade gått vidare med sitt liv. Och jag levde mitt.

Men något kom i vägen. Han hette: Rawad Hadrous.

Han kom in i mitt liv, som en raket och spottade på alla.

-Han är hora. Hon är slyna. Hon är prostituerad luder. Den är en slampa.

Jag blev helt ställd!

-Vad ville han mig?

Han sade till mig:

-Vad ville hon mig? Hon drog mig ned i knark. Hon drog mig ned i spel. Hon drog mig ned i prostitution med slampor. Hon drog mig ned i allt.

Jag svarade vem:

-Han sade: Sahar.

Jag googlade hennes namn och fann inget. Jag tittade på hennes Facebook och fann världens gladaste och vackraste människa. Full utav glädje, inspiration och motivation och jag visade honom bevis, på att hon inte var: Satan utav planeten.

Han sade:

-Glädje? Efter mig? Hur kan man glömma bort en djävul som mig, så fort? Och gå vidare!

Två år senare, var jag död.

-----  
I wish planet earth the greatest. I am not like the others. Nor, my twin sister: Sahar.

We are both angels. That is why we met and she fought like hell against all devils on earth, for my own greatest brother of all on, mother earth: ZLATAN IBRAHIMOVIC.

Zlatan Ibrahimovic!

I love you as my brother. You are my twin brother too. Twin brothers to death. Tupac Amaru Shakur wants to talk to you!

Tupac Shakur Speaking to - Only God Can judge me, Zlatan Ibrahimovic!

I am here with your brother and with Sahar. She has gone through hell for us all. The ones who are still alive on earth, but also for the dead.

She was afraid, that the dead one`s would feel offended if anyone used their names and birthnumbers to kill all children on earth. She was right.

Don't you want to talk to one of your greatest inspirations as a young child?

Do, you know why Zlatan. We love you? Because, you are an inspiration. An good rolemodel for the kids of humanity.

I was no Zlatan fan. I knew nothing about soccer. I never watched soccer. Tupac was involved in gang bangs and prostitute`s. He had no time for soccer. But, I came to understand that through my own gang bang life, I became the: Inspiration of the planet. I am an gentleman. And I have through your brother: Sapko Ibrahimovic learned a lot about fotball.

I am Tupac Amaru Shakur. My mother was a rival of the Governments. I learned from young age, to protect myself from them.

I am no Hero. Nor am I an fighter. I am an rap artist still. This is for Sahar Rezaie, Sam Bavi, Milad Ramanzankhani, Nima Ramanzankhani, Sourosh Ramanzankhani, Hamid Eslami, Zlatan Ibrahimovic, Abtin Irandoost, Poyan Ibrahim, Malle (Mahmad), Alvand Hemmatkhah, Mahmad Joobin, Kaveh Jafari, Reza Ayahyari, Navid Bavey, Ferhat Tezel, Mirsad Musliji, Kim Christensen, David Lundin, Zoki, Dance and Sashe Karanfilovski, Emil Öberg, Hani Osmani and brother, Almir Osmani, Naser and Issa and the rest.

The greatest of them all: HOSSIEN BAVI! I have done a rap song for your daughter: Sahar Rezaie Bavi

Free Iran!

I am here to tell you all in Iran. That the country is now free. You are free from the muslim authority that they had on you.

I am no Hero. I am Tupac Amaru Shakur. And I am an rap artist! Get down on the floor. I am here to: SING!

Start!

The World as you knew, was not yours. What did you do, with me and my girlfriend? I was your friend. Not, your enemy. I was your whore. Not your whore friend. I was the one holding your hands, reuniting the World. The one, the greatest of them all. The ONE.

I will only do this one time in this life, and not and never before. I never sing again, for devils or devils whores. I am not going to bless the whores. Just like Kim Kardashian and all your Ghendeh whores.

I will not do this one more time, never before. I am not your friend not even your angel or whore. I am God now, through her. The greatest whore.

I will never do this one more time before. I never went through life, to get kill by animals and racist of mother earth. From bunch of muslims and arabic whores.

Iran is now free. And so is my own family and all the rest and all my beautiful whores. Tibet is now free. For the beauty of my text. Does Tupac Amaru Shakur say one thing, then the PROPHET only say, it once and never before.

I will never do this one more time, I have no regrets, no feelings, no words but only suckers who will suck my dick, from United States to Iran to Kuwait, to Bangladesh to Israel, to Poland to Sweden, to All on this poor World.

I am walking away with the worlds most beautiful woman tonight: Sahar Rezaie. I'll take her to heaven on earth.

I am walking away with the World largest angel. The one that saved my angel carrier up in heaven. What if they go after Tupac up there? What should I do? How many should I rescue? Where should I go?

How many should I marry in my dreams? Not in my real life? Why? Cause the devils have stolen my life and all my private parts, what should I do? The whole universe on my shoulders. What should I do?

Okey. Tupac show ends there! And Sapko Ibrahimovics is about to rap for his, brother Zlatan Ibrahimovic. Before That, Zlatan. We Have an important family meeting. I swear on everything. I found it now.

When I was just going through the texts. And Someone jumped in Here and there, Al found it!

Zlatan, I know. That You Have been longing for your brother: Sapko. You Can roll down. And miss the most important Discovery of all on Mother earth. Through the time of history.

Zlatan, go down to your brother: Sapko Ibrahimovics rapping. We, the rest: The family crew of Iran. The team of Persia: Abtin Irandoost, Family of Ramanzankhani, Hamid Eslami, Reza Aliyari.

And Then today, I discovered. That he was the Mother fucking, true killer of: Jesus Christ, back Then.

Milad Ramanzankhani and Sam Bavi, he lived on earth through different generations. He hanged Jesus and killed all in the first holocaust and was about to commit the second holocaust, of the Jews. When me and the true Jesus, now stopped all their plans.

I found out: Through Princess Grace Kelly's death and an soccer game between: Juventus and Monaco!

Look at this:

Rawad Hadrous

Tell all your friends, that I am rich! The richest woman on earth! Tell them: Go, and get my sisters money, from all banks on earth.

She caught the true Satan of Mother Earth. The one and only Satan. Who lived through all generations. Who killed all on earth.

From our: Rosa Parks, to Gandhi, to all Jews in the holocaust, to Princess Diana, to Malcom X, to Martin Luther King.

From our Michael Jackson to Prince. Kurt Cobain. To all children on earth.

From Adam and Eve, to the tree of GOD!

Zlatan Ibrahimovic. Detta är Sapko. Detta är live. Vi sitter med Tupac Amaru Shakur och fröken är så chockad, att han är här och vill köra sönder Iran. Zlatan Ibrahimovic detta är Sapko. Jag sitter här med fröken och hon är fortfarande chockad över elementen i hennes lägenhet. Hon kan ej gråta längre. Så, vi har skrattat ihjäl oss. Vad skall man göra, bror? Gråta, skratta eller dö? Vad väljer du, leva, skratta eller gå? Sluta, börja eller göra om? Vad gör du, bror? Vit eller svart? Jag eller dem? Din familj eller världen? Din släkt eller vänner? Blod eller deras blod? Bror eller främlingar? Vad väljer du bror? Din egen bror eller främlingar? Vad väljer du bror? Både jag och Sahar är ute efter krig. Vi är ute efter att få: ZLATAN IBRAHIMOVIC och SAM BAVI upp till taket utav helvetet. Vi är ute efter att få dem två: FREDLIGA och ICKE VÅLD män att rasa.

Tupac Shakur

I am the one, that I say I am. I am the one, who made you all laugh and live. Where is my phone? Where are my Guns? Where is my ticket to hell?

Zlatan

Det finns en vän hos dig, som du inte kommer att gilla efter detta. Sahar, har pekat ut henne år dig. Din egna fru: Helena.

Tupac

I only say this one time. I am with you all, in hell. God did not like me. I smoked to much and drank to much. Poof to much ciggreattes and drank your dick.

Zlatan

Jag är här din bror och jag lever igenom henne. Vet du hur viktig hon är för mänskligheten? Hon har nått: ENLIGHTENMENT. Därför kan vi göra detta med henne.

Tupac

I am the one I say I am. I am the one sucking all your dicks. I am the one , who you lived and hated.

Zlatan

Din bror här. Sapko är här. Hadrous suck my dick!

Tupac

I am here all folks. Tupac is here through Sahar Bavi. Tupac is here folks. I am here through princess Bavi.

Zlatan I am here brother. Hadrous wanted your blood, and to suck the Swedish Governments dick for Palestina and Israel.

Tupac

I am here my dear folks. I am here through Sahar Bavi. White as hell is her face. Nervous of having Tupac Shakur inside of her body.

Zlatan

Vi skrattar ihjäl oss. Tänk att hon inte kan se oss. Bara lite på sitt högsta GPS utav hjärta inom sig.

Tupac

Zlatan now I am copying your brother. Iran is free. Tell the World through your name: Say: World! I lost my brother through the death connection game of the World. Sapko, came through Sahar, with Tupac and told me.

What a crazy World, we live in right?

My brother!

Sapko had only met her once. And he said: Hi! And thought: What an beautiful girl! And after that he got killed. And I thought that I had lost my brother to sickness.

Zlatan, is my name. I AM: ZLATAN!

I heard that you all killed my young brother Sapko. I heard that you took his life. That he wanted to tell the truth to me. But, could not get through the line. Sahar had to reach Enlightenment to pick up the phone and call:

Dear Sapko!

I am in a war. I have fought like hell. I am exhausted. Your sister and brother. The families of Karanfilovski and Ibrahimovics in Malmö and whole Sweden is in danger. Zoki Karanfilovski and Zlatan Ibrahimovic is Rawad Hadrous greatest enemies. I know all about him!

Tupac

She fought like hell, against. What Sahar? 2 million?

Sahar - Yes!

Zlatan!

1 BILLION out in the World

Tupac

Kim Kardashian and all her fans. You really taught, bitch whores of the whole universe. That you could take down an: Imam?

Zlatan!

4 BILLION more on her.

Tupac!

Kim Kardashian! Your still an whore? I heard about your mother in heaven. They said: -There is an whore on earth. Living in United States. She has killed all woman on earth. I did not believe them. I said: bring me proof.

They took the video camera out of Kim Kardashians heart.

Zlatan!

You live in United States?

Tupac Amaru Shakur!

Zlatan, two million devils in Sweden on her. One billion getting killed because of her. And four billion after her. And the Swedish Government did not give her one single dollar to get Her to HOSPITAL? Not, one single dollar: FOR 1 BILLION DEATHS all around mother earth? Why, planet earth? Why? Because the police officers of Sweden, were the one's chosen by the Rothchilds and Rockefeller, together with Säpo and the: rule the World?

I am Sapko!

She is angry. She cant talk. Zlatan, she is going to take down the whole planet earth. Instead of taking her to an spa hotell they took her and locked Her up for 10 weeks in: MENTAL HOSPITAL.

-----  
Tillbaks till det roliga Zlatan!

Jag och Sapko kom på en grym idé. Den hade kunnat ge mig och han en grym plats i: Heaven above. Tänkt lite på oss också. Vi söker nämligen nya tjänster hos Gud med. Vi behöver också nya meriter på våra CV:n.

Jag och Sapko Ibrahimovic. Får en offentlig hemsida/tv kanal där våra utlägg, visas varje dag för 7.5 biljoner människor tills vi har fått ned hela planeten.

Sapko kom med den roliga idén. Han vill bara få prata med sin kära bror och jag vill anställa den stora brodern för VÄRLDSKRIG.

Tjänsten består utav detta:

Du som söker skall vara väldigt utåtriktad och ha en grym flow of love i ditt hjärta. Vara hård, men samtidigt mjuk. Du skall vägleda mig, igenom att bara vara dig själv och berätta väldigt noggrant om ditt liv.

Jag tror innerligt att Gud, kommer att sända mig den perfekta som passar tjänsten. Någon som kommer att ge mig de svar som jag har sökt efter. Någon som kommer att vara den andra delen utav mig, i en väldigt komplicerad och svår uppgift och brott, utom dess like. Bortom denna universum. Bortom mig eller dig.

Du skall ha ett sinne för matematik. Kunna använda dig utav ditt inre GPS. Du skall kunna sätta din fot, i hur riktiga djävular agerar samt tänker. Samtidigt veta skillnaden mellan dem och människor.

Jag söker efter den ängeln, som vet hur den skall hjälpa mig, utan att varken jag eller han arbetar. Som vet, hur han skal, rädda hela planeten jord. Utan, att anstränga sig. Som vet hur han, helt enkelt skall bära sig åt.

Eftersom vi är änglar utav Gud. Så, arbetar vi enbart som: messangers. Inte som slavar.

Utan två vackra änglar, utav lyx klass. Sökes omedelbart, plus ett helt story änglalikt fotbolls team. Som vår käraste: Zlatan Ibrahimovic!

-----

Uppgift till Zlatan Ibrahimovic!

-Gå igenom hela matchen i England, Manchester. Där de kapade av både dina två ben.  
-Du skall läsa av hela matchen. Ifrån sekund 1 till slutet och notera allt, som kommer upp, som har med ditt privat liv att göra, samt personer.  
-Du skall skriva ned och notera, alla minuter där något väsentligt skett. Såsom: mål, frispark, hörna, utvisningar, rött kort osv.  
-Du skall vara redo att utvisa alla ut ifrån planeten jord, på samma sätt som de kapade av dina två ängla ben på den matchen.  
-Du skall vara redo att visa resultatet för: 7.5 biljoner människor och säga: Här är resultatet av: Death soccer connection game of Zlatan Ibrahimovic!  
I AM ZLATAN IBRAHIMOVIC!

Till ängeln Zlatan Ibrahimovic! Ledtrådar!

Infinity game - kill the devils of mother earth!

\*Du spelade en match 20 april. Var det så att din bild utav matchen, passade ihopa med mordet utav Avicci?

\*Du spelade en match 20 april. Där dina två ben blev avhuggade. Var det så att dina anteckningar visade på att: din match, minuterna och händelserna resulterade i några antal döda i Manchester Arena, England? Eller, Ariana Grande?

Ängeln försöker enbart vägleda dig. Utan, att vara allt för på. För hastig. Ge dig svaren. Eller, välj din nya väg.

Utan, den andra ängeln: Zlatan Ibrahimovic, väljer sin egna väg. Han är en vuxen man.

I AM ZLATAN IBRAHIMOVIĆ, SOM VET VAD HAN GÖR!

(Sapko, lägg dig inte i. Det är min, bror. Jag vet, vad jag gör)

\*När Zlatan Ibrahimovic, spelade den matchen 20 april, då de kapade av min egna ängels, två ben. Kände han något speciellt hat, i den stunden? Kan, Zlatan påminna sig själv. Vem eller vilka hatet, var riktad emot? Albaner?

Jag har ingen, aning. Jag bara gissade min ängel bror =))))))))))

-----  
Zlatan Ibrahimovic!

20 april

\*Manchester United (ben avhuggade)

Zlatan skall kolla upp: Åhléns terror attack, Sveg buss olycka, Ahmed Obaid mord, London Bridge terror attack, Manchester Arena bomb och Barcelona bomb.

Ahmed Hadrous - Sapko Ibrahimovic - Hossein Tanani - Reeva Steenkamp - Paul Walker & Roger Rodas - Chapocoense flight crash!

Istället, för att spela (Gameboy) framför tv:n. Medans, den äldre brodern. Min kung: Sapko (Numera: Paco) är i världskrig. Krigar emot självaste: ZEUS. De Egyptiska gudarna, dör min skull. Och, alla Jesus hatare, som Hadrous. Så, kan han faktiskt sätta sig i våra ängla skor, för en enda gång skull.

Vill han ut, ifrån planet jord? Ja, då blir det värre. För då, får han helt enkelt börja om. Ifrån division 7 så kommer han att få jobba sig ned!

Min vackraste och finaste ängel, på planet jord. Bestämmer själv!

Men, Sapko? Honom behåller jag för mig själv. Tills Zlatan har blivit villig, att betala dyra pengar för sin bror.

1 gång i månader/1 samtal=10 minuter=1 biljon dollar. Så, dyr är min Sapko Ibrahimovics.

The right hand of: Tupac Amaru Shakur!

PART TWENTY SEVEN!

KIM WALL!

The devil himself: Rawad Hadrous, went to Josef Makai's café house after we had ended the 3 months old relationship.

Josef Makai, had an famous family café , called today: Bara Vara. In, the Middle of: Sankt Knuts Torg.

I just went with my intuition, When I found her death buildings being used, in the worlds largest: Death soccer connection game.

Three weeks ago, I started as the greatest Police officer of Mother earth, the search after the death soccer connection buildings in Malmö.

I started from my own building, on Åhusgatan 7 and followed all streets and buildings down, to Carina Glattsteins old apartment, above the family café of: Bara Vara.

My building  
Åhusgatan 7

21438 Malmö

Dead Because of my apartment:

\*Åhléns Terror attack, Engla Juncosa, Johanna Sällström, Emil Forselius, Nate Dogg, Paul Walker and Roger Rodas, Sapko Ibrahimovics, Eva Rausing, Malek B, Tova Moberg, Ahmed Hadrous, Reeva Steenkamp, Whitney Houston, Hossein Tanani and 1 billion More.

First shop I saw, right at the first corner of Åhusgatan, was an famous music shop. Which has been there for years.

From the window, I always looked in at the beautiful pictures of all artists. Same window and same pictures, for More than ten years now.

Window shopping:

Michael Jackson, Whitney Houston, Bob Marley, Tupac Shakur, John Lennon, Beatles and all the rest.

Memories came back, of him calling them: Shit! Garbage! And walking by.

I came to the other Street. From Åhusgatan to Sankt Knuts Torg. And looked at all buildings and Their numbers. And remembered That an guy I was dating: Kim Christensen, used to live there. And Rawad Hadrous and Carina Glattstein knew That.

They both, hated: Kim Christensen, Who I used to adore. Although We were not together or anything.

Last time, I met him. Was à week after I had told the: Hadrous family to leave me, the hell alone. March, 2012. Together with my Mother, infront of Their Muslim Imam.

-We are not intrested. Thank You. We are not Muslims. We are Iranian. We Thank You. And wish You well. Leave us the hell alone, now!

Kim Christensen had drug and alcohol problems, many years ago. And was on his first rehab (AA) meetings. And I just met him outside of my house, When he told me. And I got so happy for him.

So, We walked to: Sankt Knuts torg, to take an coffee. Nothing, More. Talked for hours. And à few times later, just watched movies together.

Me, playing his AA coach!

So, When I came to Sankt Knuts torg, à few weeks ago. The memories of Kim Christensen came back. At the same time, were I looked at the buildings next to Josef Makai`s café: Bara Vara!

To: Diler Miran!

Shoot your own daughter, infront of all Woman in Sweden. Who gathered together with: Rawad Hadrous and Mehdi Zeitooni, for money.

She crushed my whole brain, with Carina Glattstein into coma. With 4 billion More devils. She jointer the Satanic sect: Illuminati. For the Swedish Government, and sold all our company information and bank accounts to the Swedish police officers.

How he did it!

Rawad Hadrous sat and talked to Josef Makai. The father of two sons: Benjamin and Noah. Wife: Haifa Wehbe (Carina Glattstein). Who killed his own family members.

He, went to the building next to the Café.  
And looked after the names.

-Perfect! Here I found what I was looking for.

(He found name=MADSEN) In building 10  
And WALLSTEN (WALL) in building 12

He went back to Makai, Josef and gave him an receipt.

This is for my man: Zlatan Ibrahimovic and only him. You the rest, can skip this part!

He had an: Police radio system in his hand, that printed out the receipts. In his other hand, he had an: (Kassa apparat - bankkort system).

He took the receipt and gave it to Josef Makai and kept an copy to himself.

Afterwards he said to Josef:

-Keep this receipt. You are going to need it.

He went his way. Got back to his brothers car: WAO and went on home.

When he came home. He took out the receipt and the pictures that he had taken.

Sapko Ibrahimovic belonged to my building: Åhusgatan 7. And from there, he connected Sapko to Kim Christensen to get: Kim Wall and Madsen.

RAWAD HADROUS

-Horungen. Kim Christensen. Varför hör jag hans namn i mitt öra? Horungen träffade min "fru" (Sahar). När det var över. Hur kan hon träffa en horunge till hallick? To family of Ibrahimovic, in Sweden!

Rawad Hadrous, took out Kim Christensens adress and birthnumber.

-Sam Bavi? Is, he married to him? Also? They look like twins. Kim and Sam. With all their  
disgusting tatoos. They are born the exakt same month and day also.

How did he know, Kim Wall? She was born year 1987. And my sister was: 1990. Maybe Zlatan knows, Ibrahimovics went to Borgarskolan with her? Friend to Sapko Ibrahimovics?

Two days later. He went back to Josef. Outside of his café.

-Hi! All hamdullelah.

-Did you (Josef) find your wifes birthnumbers in the receipts?

-What is this? I dont understand anything.

-Sahar has started an detective firm, where she is hanging out all devils. With our names and birthnumbers. She thinks that we all are killing everyone. My name and birthday is also in there. Tell your wife: Carina Glattstein that she is going to get killed soon. We all are. She is hanging out us all on Facebook. So that we Will get killed. We Have to Take Her down first. She calls herself now, an terrorist Imam. Called: Imam Al Mahdi 12

-Did she hang out my wife: Carina Glattstein? With birthnumbers and name? Called her devil? But she is an whore and an devil. Everyone knows it. What did that have to do with you? Sahar is not here. I am leaving.

-Whore, I am going to take down you and your whole family to.

She calls us: devils. It is war. Gather Everyone. The tatoo devil of Buddha, is going down, herself!

So, he started war against me: Sahar Rezaie for Nothing and killed your brother Sapko Ibrahimovics, just Because he stepped into my house and smiled at me!

-----

My own uncle: Javad Rezaie has something to tell you!

I want to talk with you about my own grand daughter. I do not call her my sister, have never done.

Her name is: Sedigeh Rezaie and lives in Sweden.

I remembered her as an child, and then I moved to Toronto, Canada. She was my oldest sister.

I never saw her again. Not once. Only the mother of Sahar Rezaie, my other sister. The pure one.

To Massomeh Rezaie!

Dard, begiri. Toham shodi mesleh onha? Javad Rezaie, baradareh azizet az on sareh donyah omadeh vasejeh dokhtareh tahnhat.

Azizami! Khoshgele delami. Azizam, in Sedigeh az in dokhtar shi mikhat? Gohsgon!

Zlatan Ibrahimovic!

I am with Sahar now. After many years. What she has gone through is nothing for her. She is used to it. She calls it: the obligations of an angel.

But, I have to stop her. God, never said: Sahar, go and get all devils and kill them.

Year, 2014 she made an death connection game project. Were she wrote all numbers, calculations and names for you and Zoki Karanfilovski, to Take the devils of Sweden and around the earth down. So, that you two would take care of Sweden.

It is then, Rawad Hadrous and Mehdi Zeitooni gathered more than 4 BILLION of the worlds largest and most evil devils on her.

She is confused and still on recovery. She taught that it only was: 1 BILLION. But, now even, She knows the truth. So, that she will definitely turn the whole universe upside down and take down the planet.

Kvitto for you!

It started with me Javad Rezaie, back in Toronto, Canada.

I started to hang with the worst animals of mother earth. Just like Sahar. I gave up my life for her. To study the devils of the planet.

I never told her, what I did. But, I started to rob different stores and collected all Their receipts. I never knew back then, what I did. I only followed my own heart.

I took the robbed piece of jewelry receipts and changed them with a new one. I had the jewelry in my hand and then I sold it.

So, I had an New jewellery and a New receipt, and so it continued.

That is the death connection game of planet earth.

They go into different stores and buy something.

Exemple: Rawad Hadrous (HAMMEH KAHREH. HER REAL HUSBAND IS HERE. JESUS CHRIST)

He goes into different shops. Which Allah taught him.  
Hahahahaha, for me it was the oppiste: It was my own ANGEL heart.

He buys an dress for an prostitute, that costs: 79:- kronor.

He gives that dress to an devil whore. And asks for her: birthnumber. How did he found the devil whore?

If, it on the receipt would say: 87:- Kronor. He would have given it to Carina Glattstein, that was born 7 of August.

Carina Glattstein takes the dress and gives her birthday numbers to him, through an kiss. They become partners in crime. He takes over her soul.

The woman who all worked with him. Were all Juventus fans, Real Madrid fans and Sampdoria fans and all other fans and their fans. They have created: SOCCER DEATH PLAYER CONNECTING PEOPLE FROM ALL OVER THE WORLD!

Javad Rezaie, told Sahar the truth today about the receipts. She did not know. Why? Because also she, only followed her heart.

Grandmother died 3 days after my birthday=11 september. Spiritual mother.

Zlatan, the truth is now out. Gather all your men, for her and me. Crush all systems. All banks. Whole internet. All Governments. Schools. Hospitals. Soccer arenas. Soccer Fields. Mecca. Jordanian. Iran. Lebanon. And everything that belonged to them.

We thank you so much.

Is the angel not allowed to do the same? But, back on ALL SHEYTANS OF ADOLF HITLER?

Get them all out! Out of fucking planet earth. They killed your own brother, my own family, all Jesus Christ children and all the rest and blamed on: ALLAH=THE SHEYTAN.

PART TWENTY EIGHT!

To Zlatan Ibrahimovic!

Translate in English to all on earth!

Denna låt är för dig. Vi börjar med Tupac Amaru Shakur. Sätt den på högsta volym och bara känn dig själv in i sången, utan några åsikter överhuvudtaget.

Töm dig själv på alla tankar och finn din egen sanning, genom att låta ditt liv, det förflutna bara strömma rakt igenom dig.

Var i nuet och glöm bort allt, som du har läst och allt som handlade om din bror. Nu, börjar vi om igen.

Jag vill icke ha några - Cry babies runtomkring mig. Eller, människor som blir ledsna. Det förflutna är över och det var mitt förflutna och inte andras.

Nate Dogg has the ball. He is rapping and doing an album. He is bizzy with his own life. He has no idea who is doing what, in the World. Why? Because he is bizzy living his own life. Friends, parties, birthday parties, 4/7 day=Freedom of United States, kids, music and surviving life, by his own.

He passes the ball to:

Abtin Irandoost. Who is sitting in Spain. Listening to Tupac Amaru Shakur, Michael Jackson and Nate Dogg. He is so happy, to feel the vibes of: Regulate with Warren G and Nate Dogg.

-I am so happy to be in Spain, away from Sweden. I do not know what is happening there. But, it is bad. I hope Sahar made it. I am beginning to believe, that she has gone crazy, to free our: IRAN.

Warren G jumps into their death soccer game. How?

Abtin Irandoost, Who was chosen to be involved in their: Death soccer connection game, was listening to him, in his own home in Spain.

Mehdi Zeitooni who has all devils, who watch over all teknologi for him from Sweden and Dubai. Copies: Warren G - Zlatan - Sapko - Nate Dogg

And create the worlds best unknown, death scene for Our angel: Nate Dogg and Kill him.

The World Do not know, why Nate Dogg, just died.

LEBANON PALESTINIAN animal think he is? To touch or crush our: PRESIDENT OF THE WORLD - Sahar Rezaie Bavi?

Pass the ball to Warren G. God screams in my ears. Pass the ball to our angel: Warren G. He knows how to handle the Hadrous. He knows, how to take down whole United States with X-Zibit, Dr Dre, Eminem and the rest into SWEDEN, UNITED STATES, AFRICA, RUSSIA, ENGLAND, ISRAEL. Specially into: IRAN, DUBAI, LEBANON, SYRIA, MECCA and JORDANIEN. And all around the World.

God, told me: Listen to Warren G, today. Abtin, They are listening and copying everything You do. Just, Crush them angel, by putting on Regulate again, after Nate Doggs death, to survive!

Abtin: They are so lost. That is Why, They are called: Sheytan.

If, Abtin listened to Nate Dogg - Regulate, repeat after repeat. That meant: That God, told him all about Our death soccer games.

Then he knows.

Go, away from Abtin Irandoost. He listened to God, all over again. And listened to: Regulate.

I have passed the ball!

Warren G

JOJO - JOYCE

That animal, taught that I played the same game as he and his devil whore to ex.

My companies name was: Sahars Joy. Which they both crushed and me, with:  
4 BILLION of the worlds devils.

Both coming from Malmö, Sweden.

JOY=1-6-7

In the song Regulate they sang: Just hit the eatside of the L.B.C.

Zlatan Ibrahimovic. My own brother. My own spiritual brother. My angel. This is a true story, I never ever lie. Not in this lifetime.

-----  
The year was 2010. And I lived on: John Ericssons väg 74 B. Next to: Malmö soccer stadium. Now called: Swedbank Arena.

You have played there many times, with MFF. Right? He was next to you, in every game. Following everything that you did and me, at the same time.

Who?

RAWAD, RANI AND RAMI HADROUS!

Rani Hadrous, played against You in Malmö. Rawad Hadrous played against You in Malmö.

Rami Hadrous, was too fat to get his (big brother) ass to the playing court. So, he was the leader: taking photos of You all. While he ate his: Fat Ice cream.

He studied you, in and out.

Zlatan turned left. In minute: 02:42

Zlatan fell down. In minute: 16:24

Zlatan talked to a play mate. In minute 35:07

He studied you, in and out with all his friends and family. And killed: KLABBE! With your One and only: National team game.

Back to me!

I was living my own life. Happy as hell. Had no problems at all. Except from: Rawad Hadrous and Carina Glattstein. Aida Tanani and Mehdi Zeitooni. And a few million more. They would not let me be.

One day, Zlatan. I never ever forget that day.

My dead cousin: Hossein Tanani's sister: Sara Tanani came to me and said:

-I want you to look at this name. Her name is: Joyce. It is Rawad Hadrous ex. He calls her: Jojo. I want you to look up her address. She lives next to You. Let's go there, because you live next to her. She lives, on the left side of the main road, coming from centrum. And You on the right side of the road. Next to: MFF ARENA!

I said to her:

-Sara, I never look up others peoples ex. I don't care. What does that have to do with me? I don't care who he meets. Why, Should I go and See, Where She lives? Who, is She to me? I Do not care about him or Her?

Zlatan!

The next day or two. We went on a long walk. I was not thinking about anything. I followed her. And she took me to:

The long street coming from centrum and pointed to the other side=Left and said: There is the building of Jojo. I wanted you to see it.

And I got angry. And said:

-I don't care where she lives. Lets get out of here. I don't want to go near her building. Why, did you want to show Her building to me?

Zlatan!

The picture, is attached. Find Her name, among the pictures!

My dear Zlatan. They are not crazy or insane. They are DEVILS of the planet. Do, my dear brother want to know, how and why NATE DOGG was killed? Our own brother? The brother of Tupac? By the kids of Sweden? Should not you and me be ashemed?

For everything that we did for the kids of Sweden? To, try to ruin mine and your name like that? Instead of thanking us, with roses and money? For every little thing, That Me and You did, for the youths of That country?

To, start an war against me and Zlatan Ibrahimović. Without him, even knowing about it?

Get my mother: Massomeh Rezaie and her "revisorfirma och skrivare) out plus 2  
cabbins. Her own darlings. Plus my apartment in: Åhusgatan 7. Plus, all Banks, Ferrari,  
diamond stores, NK, Åhlens and Nothing else. Out of there, today!

Zlatan, they killed all by my apartments. In their death museums, in real life.

First:

Cut out Sahar Bavi Rezaies old apartment. First floor in: John Ericssons väg 74 B.  
Every single centimeter in that apartments is worth: Billions of dollars. With That  
apartment They killed: Michael Jackson.

Student apartment in Katrinelund. Ask MKB. About Sahar Bavis apartment on the first  
floor. With That apartment They killed: Mr Arafat

Åhusgatan 74 B. Cut out that apartment and bring it out of Sweden.  
With That apartment together with the 3 others. They killed up to: 1 billion people of  
Mother earth.

1-1-1=Rawad Hadrous birthday

Thank you! Lets begin.

-----  
Zlatan Ibrahimovic!

I lived on: John Ericssons väg and Katrine Lund. That is why, they killed Mr John Cruyff in  
Lund.

Why, Lund? Because they used the: Rådhuset to kill him. To plan. To crush him. What do  
you call it? That his death place was in Spain? In Barcelona? No, Zlatan. I call it: Malmö,  
Skåne, Sweden.

So, my own cousin: Sara Tanani gave the two devils of the planet: Mehdi Zeitooni and  
Rawad Hadrous all information about me. Because she herself and them killed: Hossein  
Tanani.

You remember that I told you, how she showed me the place of Rawad Hadrous ex,  
Joyce=JOJO?

Year, 2015 I created the best e-book ever. About relationships. The masculine energy  
meeting the feminine one. The unit between two souls. And the goal was: to create  
better relationships out there, between the masculine and feminine energy.

I called the e-book=Män ser sex. Kvinnor ser ex.

Men see sex. Woman see ex. And I put it out for sell in=Akademi bokhandeln.

Sara Tanani, the biggest whore of the universe. Who killed all Iranian in Sweden, and all over the World. Including my greatest and most beautiful angel of all. Her own little brother. Came up with the worlds best devil idea. Which got:

Diploma for

Money ass hell

Devil Nobel price

Oscar for best death movie done

Devil Einstein award for best murderer of mother earth

Money to sell herself to more devils. Not even them want to have sex, with the worlds most disgusting whore of the universe. So, she had to eat them up, with money. She did the same with her ex called: Reza Ayahyari.

She ate him out and ripped him apart. Until the poor Guy was taken by the police officers in Iran, for nothing. And put into prison. And I saw it all happen from: John Ericssonsväg 74 B, while she lived there together with me.

Why, did I live with her? I had plans Zlatan. Big and great plans. How else, would I take over the WORLD?

E-book=Män ser sex. Kvinnor ser ex

Place online=Akademi bokhandeln

They found one place that matched with Katrinelund, which was: Lund.

They took my birthnumber and created: 7 april, Åhléns terror attack. By this:

Woooooow. We walked on a straight road. At left we had: JOJO.

JOJO=1-6-1-6

Her companies name was: Sahars Joy

What did we get Zlatan?

John Cryuff? Tito Vilanova? Åhléns attack? Or, only Nate Dogg? No, we got them all!

ORDER!

Take Sara Tanani, Aida Tanani and Sedigeh Rezaie out of Sweden. Out of Gothenburg with all their devil children. And take them to: Mecca. Next to the black stone of Allah.

There you torture them to death.

Who killed Hossein? GHENDEH! Who killed the angel of mother earth? Who killed him? Me, and my mother? Or, the three WHORES OF THE WHOLE UNIVERSE?

The story goes on!

They took your brother Sapko, to me. Just to say:

You see him? Zlatan is going to shoot you, like the rest. When they understand that their near ones have been killed because of you!

So, Zlatan my brother. What do you think? The largest war and crime ever been committed against a woman?

They not only got 4 billion devils to attack me. They even got the: Parents, sisters, cousins, fathers and mothers of all victims That They had killed, to attack me!

-Look: She is living Her own life. Happier than ever.

Tell, Chris Bevingtons wife. That the whore, Who got your husband killed: Was named: Imam Al Mahdi 12=Sahar Rezaie.

If, She was not in the World. Your near ones would not had gotten killed! Get angry at Her.

So, Zlatan!

Sapko, säger!

Jag kommer att knulla sönder dina barn, med mina vänner i Malmö. Jag kommer att knulla sönder dina ben och ditt huvud.

Hon behöver åka till sjukhus, men ända är tvungen att skriva till Zlatan: Hjälp, mig till sjukhus. Jag har fått: Hela världen på mig.

4 biljoner som mördade hela planeten. Och, sedan deras arga anhängare som har förlorat sina nära och kära.

De lyckades förvandla alla till deras: djävular.

En hel planet emot 1, broder!

Skaffa oss hjälp, nu! Gå, upp idag!

Tack!

Turn on the Atom bombs today! Thank you.

Sapko wants to speak to you, brother to brother!

Hi, again my dear brother. I love you to death. I am here to tell you. That I am alive, through her.

If she had not reached: Enlightenment. I could not speak to you. I am ready, to turn on all atombombs on earth for her and me. She is my greatest teacher. I have never laughed so much, as I have done with her.

Zlatan, listen to this.

She is walking along a road. With me and Jesus Christ at both sides. She goes to an buss stop and ask the buss stop:

-Where am I?

Both me and Jesus Christ looked at her. Is she gone? Gone? Out of her head? Jesus Christ and Sapko, is walking with her? Alive there next to her.

Maybe, she wants the nightmare of the last years to be over. Would my brother not want that? If it had happened to him? Be surrounded by all the worlds devils, tortuering him to death? Listen to this.

She made you, who you are. By sending you love from her heart. She made me, who I am. By making me: The angel of planet earth.

I am an honest person. And I want to end everything. I want to end it tonight. So, that I can move on with my own life, tomorrow.

I am going to explain as easy as I can. I just want you all, to put yourselves in my shoes. That it's difficult, still. To talk about it. I have not yet, cried. I think I will, when I am back in my home place - Bali. Resting in peace.

Pluto=7-3-3/2-6

That was my dolphin in Bali. I was happier than ever. Living there among the most beautiful and spiritual people and woman of the planet.

7-3-3/2-6=  
4/7 CC Åhléns attack

I was getting attacked, by Sweden. The devils from there. Although I had moved away. But, I ignored it.

Why should anyone attack me? What have I done?

After a few months. I started to notice that something was wrong. My cousin: Hossein Tanani's sisters were attacking me and calling me and my mother, the killers of their brother.

I got so mad, that I wanted to blow up the whole country of Sweden. Just to get the: Devils nearest daughters: Sara Tanani and Aida Tanani out of my life.

I wrote to a few trust worthy persons on Facebook:

"I am not in Sweden. They are attacking me. Can you please help me. They have turned the whole universe over my back. I cant carry the whole fucking universe on my own backs. Can you please do something" ?

The year was: 2014. They ignored me and all devil names, That I gave them.

I sent angel messages to help them survive. So, That they could Kill all the devils there, who were attacking me.

I wrote, before the: Åhlens attack!

"They are going to bomb Sweden. An terror attack is coming your way. Can you please save the children? And get the fucking animals out? Take down Mehdi Zeitooni today. I Will Kill those children. And bomb!

"The Zeitooni have just started to attack me. Mehdi Zeitooni, who stood for the: 11 september, 2011. NY twin Towers. Is, killing me with all the rest"

"Please, Sweden. Help me to get to àn hospital."

PART THIRTY TWO

NAS AND DAMIAN MARLEY!

They killed them all. Bob Marley. Our Sunshine man. The father of Reggae and love. Sunshine and good vibes. Inspiration and motivation.

The Hadrous family in Sweden and all over the World. Killed him and all the rest.

Bob Marley killed: 11 maj 1981=2-5-1

11-(1981=1)=11/1=Rawad Hadrous birthday

They lived through everyone on earth. From Adolf Hitler to the murderers of Jesus Christ.

It was them who performed all the crimes on earth. From Finland to Hawaii. From Tunisia to Malta.

They killed everyone.

You wonder how it works? Let me tell Damian Marley and NAS who I loved since for ever.

NAS: You remember your song: If I ruled the World?

<https://m.youtube.com/watch?v=mlp-lIG9ApU>

Now you got your chance, to be one of the: Presidents of the World. I want many: Angels to Vice presidents.

You remember your song: Road to Zion. Me and my brother loved that song. He taught me that song. Damian Marley and Nas. And I adored you both and that song.

Road to Zion=  
9-6-1-4/2-6/(26)-8-9-6-5

I listened to that song i front Hitler: Rawad Hadrous, back year: 2011. And he exploded.

Zion? Zion? She listens to Israel things? Zion like in Israel?

I am sorry to involve you guys in this. But, I am sorry. All on earth are already involved. You all are citizens of mother earth. And have an duty against the planet that you all live on. For the young kids. That is not my duty, Nas or Damian. I am only an freespirit. And look what a fuck happened to me, because I said: I am Imam Al Mahdi 12.

Because I used an muslim name.

ALLAH WANTS TO SPEAK!

She is afraid of you all now, because of the last ten years. Living in hell on earth. Where were you all? In jail? In prison? Doing coke on the streets? In Bahamas? Kissing Kim Kardashians ass? Or, Beyonce? That is why, she needs to involve you all.

Beyonce and her husband. Kim Kardashian and her whole crew. All men and woman in United States with their presidents and leaders get them all out of planet earth.

We are done, sucking the presidents asses. Believing that they would change. They are no changeable. Look what all in Sweden did against her with all Governments on earth. Killed Damian Marleys father and forced him to take good Bye from mother earth. They killed him through something, they call: Cancer.

God, knows nothing about that word. Where did it come from. Who is sitting next to Damian Marley when he reads this? Get him and all the rest out of there. Damian is going to walk a lonely path and become the man he was born to be.

Nas should kick all his friends, neighbours and ex girlfri3nds out of his life. What do you want Bob Marleys families?

Nas and Damian Marley get all atom bombs ready. For we all are coming back on earth. For an last visit. And yes, Bob Marley is coming to. We are going to sing: Dont worry. Be happy and then blow up the whole planet. Get ready boys. Get everything ready.

Nas and Damian Marley. My two spiritual brothers. Get the fuck, up. They are killing all on earth. Behind the scenes, every single second. By the songs, that I loved, the clothes that I wore, the make up that I had, the car that I drove, the Champagne name that I drank, the shoes that I wore, the basket ball game that I was on. Get the fuck up, now. And get BOMBS. Its over. And Kobe Bryant was the last murder that I read about.

This is how they do. Lets take your song again:

Nas, what did it mean. That I could not spell his name, with K but used C? Why?  
Nas, why did the whore of the universe, Kim Kardashian use my name to kill Kobe Bryant? Together with the names of Nas and Damian?  
Nas, please answer me?

She killed all on earth. From year 2014-2020. Why did not the middleast whore of the whole universe, come and meet me. Face to face?

-Hi, dear. My name is Kim. I am the bitch of Roothschids. So, you are the Imam of Mother Earth? The angel that we all have spooked about? The angel that we all have crushed? How does it feel to get crushed by: 4 billions by the hands of: Middleast whore: Kim Kardashian?

They promised me Iran. I knew that you were fighting for the poor children of Persia. Instead of helping you. We all crushed you. Why? Because we do not like the planet that you want to create. That is why, we killed all on earth because of you. Why are you reaching out to NAS and Damian Marley? With my whore breast and silicon ass and body I have hypnotized them all.

PART THIRTY THREE

PAUL WALKER WANTS TO SPEAK TO HIS DAUGHTER!

This is to my daughter. She is here with me now. The angel of mother earth. Do not fight for money. For getting your money, for my death. It was not Roger Rodas or Paul Walkers fault. It was their fault.

You are my daughter. You are my precious daughter. My one and only. My Meadow. My Sunshine. My darling. My love of my life. It was you and me. Get the fuck out of United States. Go to Bali. To the: Angel of mother earth. She needs your help. Daddy will be there in person. Alive and full Flesh of blood. Angel blood.

Meadow - My life is great. I have everything that I always wanted. What about you my dear? Do you have everything that you need?

Do the men in your life treat you right? Just, like Daddy? Do they treat my darling with respect and honor? Like daddy would do?

My other daughter Sahar Rezaie, who is my own angel who have fought for me against the devils of planet earth.

She saved me from the devils, long time ago without even knowing it. By sending time with them and saying:

Come and kill me. I will spend every second with you all. Just don't kill the people of mother earth. You have me, where you want me. 2here I can also work as an detective and watch all over you. And your job on mother earth.

Meadow, the situation is dangerous. Get your friends and leave United States. Because she is about to take down the whole country with bombs, from Iran.

She is the owner of Mother earth. All countries and have authority from God, to do what ever she wants.

Meadow my darling. Daddy loves you. And he wants you to have everything. He wants you to have the: Kingdom of mother earth. I want you to have all diamonds and pearls.

Huntington beach my darling. What does Huntington stand for, darling?

Huntington beach stands for: Zeitooni. What? What? Did I hear?

-Who is this? Playing my dead father? What a fuck, is this for joke?

You ever saw the Ghost movie. With: Patrick Wayne Swayze?

Born: 18 August, 1952=9-8-8

Dead: 14 september, 2009=5-9-2

Nas my brother was born the: 14 of september also.

The angels grandmother. The Queen of Islam. The true one. Was killed in "cancer"=14 of september.

The ghost movie, that is me. Patrik Wayne Swayze. I have become an ghost. But, not an ghost like that. I have become Meadow's angel and mother earths angel.

Death is not the end my darling. Life is all about enjoying, right? That is what daddy is doing. He is living life to its fullest. He is just on a Journey of his own.

Paul Walker is not dead. He is just invisible. He have gone through all Governments rooms and hallways. He has searched through all their files. He have helped the angel with information, with all death ones.

We are talking about:

Martin Luther King, Malcom X, Tupac Amaru Shakur, Mother Theresa, Marilyn Monroe, Princess Grace Kelly of Monaco, Princess Diana, Whitney Houston, Bob Marley, Kobe Bryant, Nate Dogg, Aaliyah, Left eye Lopez, Tito Vilanova, John Cryuff, Anna Lindh, Olof Palme.

JESUS CHRIST

Chapocoense flight crash, Roger Rodas, Hepburn, Einstein, Eazy - E, John Lennon, Robby Williams, Avicci, Hossein Tanani and uncle Javad Rezaie, Buddha, Gandhi, the childrens of mother earth who lost their lives in silly death connection games.

-----  
Beautiful Meadow. Now its me speaking without your father Paul Walker. They have been harissing me. Taking over my body and mind. Like, it's the most normal angel thing to do on planet earth. Anyway, beautiful one. Your father will continue. But, first I have an mathematic calculation to do. Your father only lives through me. Yes, I can see him. You have a very beautiful father, with very beautiful eyes. Yes, he is beautiful and he is on his way to you. To save your fucking ass.

He is right now, sitting next to: Marilyn Manroe. His biggest dream in life, has come true. He is bizzy "darling", don't interrupt your father and: GROW UP!

Nirvana, Kurt Cobain

Kurt Cobain wants to speak to his daughter!

Hi, my dear daughter. I miss you to hell. From hell and back. Around the whole planet and back.

My life was great. More great than ever. I never knew that I died through the "devils". Only one angel knew, Sahar.

She learned to study us all. Go through the information bank of the devils and compare to ours. There she found everything.

I do not want you to get sad. Or, angry. Because your dad, went away long time ago. You are my angel on earth. The one that I look up to. You are my sweetie. The one that I want to enjoy time with.

The time has passed and I am now sitting with the angel, Mr Paul Walker, Roger Rodas and our greatest Mr King of all: Jesus Christ.

He is the master of everything. Our own father, who helped her to survive, so that we could speak to you. Our own families.

Courtney Love is not your mother. I am your father. I do not like her. She is the: devil of mother earth. She ruined my life. She destroyed me from inside and out. And brought drugs to me, so that I could sing and write. Deep into an World of: Hypnotic Rythem.

Me, Kurt Cobain. Will say to my daughter. Get away from United States. I do not care, if you stay on earth or go. Who cares? Your daddy did not care. But, for one thing:

Courtney Love. Loved me as hell. And she loves you too. And I will not let her ruin your life also.

Love you dearly!

Your daddy  
Kurt Cobain

Me and my sister and all her friends went on: Big Slap Concert. The same Concert that killed Avicci. Because of my families love for him. The sweet heart of our family. Our big and little brother. The inspiration to my own brother, who works with music.

I said 6 months ago. I do not care. Kill whole planet earth, because of my love to humanity. I am sick and tired of children games. I am an grown up woman, with a life. But, because of Avicci. Because, the banks used my bankaccount and numbers and killed my: spiritual family with my little sisters information. I will:

-Crush mother earth into billion pieces.

I will:

-Kill all presidents, banks, internet and leaders on earth in 24 hours.

Because of Avicci. My sweet heart. I will:

-Open all graves on mother earth. All dead ones will come back up, on the ground of mother earth. And fight like they have never fought before.

Because of Avicci. I will:

-Take all devils on earth down. 4 billion in 24 hours.

Last time I was on Big Slap was with greatest artist ever: Tiesto.

They had an great Concert. We laughed and danced all the time. What my sister and her friends did not know, was that: Jesus Christ, Archangel Michael, Raphael and Gabriel was there also, with me. Dancing with me.

Offcourse, koskesh. I had the greatest time of my life. It was so nice to visit your country, that one day would become mine, with all banks in it. If, I dear: Sahar Rezaie Bavi (Imam Al Mahdi 12) would just remember the story. Right Putin? How was all your trips to United States? You had as much fun as I had? Hanging all over Las Vegas. Dancing in the

hallways of the malls at: 05:00 singing out loud: I AM THE PRESIDENT OF THE WORLD.

Miss Universe Carina Glattstein. Who by the way, killed the two most beautiful Miss Universe's of Venezuela. Introduced me to her aunt. And I could not believe my eyes. The bitch, was as Carina Glattsteins mother, and an copy of their: Miss Universe: Carina Glattstein.

Back to Las Vegas! I am so sorry. But, maybe I will jump back and forth in time. Just, so that you will understand what has happened.

Maybe, you forgot her whole name. Start again Paul Walker.

Rania of Jordanian?

-----  
Rawad Hadrous who were an: Palestinian/Lebanon whore of Islam. Had parents, who  
were larger devil whores of Allah, then him. They had all bought houses in Jordanian.

So, we have an devil whore named: Carina Glattstein. Who we know, think and believe  
killed whole humanity behind the scenes, working for all devil whore, to prostitutes to  
sluts, to cheap PRESIDENTS.

We also have an cheap, criminal. Poker player. Soccer death player. An huge Juventus  
fan. Playing Don Juan. Thinking that he is the devil player of humanity. The King of all  
Kings. Playing death soccer and poker with whole humanity. Do, we suspect him,  
already? We, only have a few letters.

ROROPIERO (Note: Roger Rodas)

9-6-9-6/7-9-5-9-6

We only have ROGER RODAS. Does that count. Or, do humanity want an large book with  
mathematics of all deaths on earth. Who the fuck do they think that they are? I had to

deal with 3vetything all alone. What a fuck, did you do. It should have been enough with:

I am the angel of mother earth. Here is the names of the devils of the planet and the names of a few dead ones. Please, humanity. Stand up. Leave your works. Go through every country. As an huge family. And rip them apart. Take Putins head and play real: DEATH SOCCER with both his penis and head.

-----  
Anyway, I got the fire out of the way. Today, or yesterday. I am sorry. I am afraid to tell about my thoughts. My real one`s. Maybe someone will get killed in Kenya, because I wrote:

Today!

-She wrote today. Allah/God lead me to that word. My intuition blinked when I read: Today. What date is it today?

11 september, 2001?

-It`s her birthday. What a fuck does that mean? Who am I meeting now? Who should I kill?

Carina Glattstein. The biggest prostitutes of Sweden. Who gathered all people and police officers of Sweden against me. To crush me. To take me into prison - mentalhospital to look me up, year 2019. Because I stood up like, who humanity? Like:

ROSA PARKS?

Oh, I forget. In United States. I had an friend. An old friend from my childhood. Who lived in: California. An Iranian and dear sweetheart to me.

She moved to California, when we were teenagers. Here name is:

ROZA KAZEMI

To, all police officers on earth. We do not talk to Sweden anymore. I have turned my back. The stories are billion times worst. I do not want you to hear them.

But, I have saved humanity and all kids on earn. From Satan. Be kind and take the whole country away and the country of United States. Take: The dead people of my projects families out plus ROZA KAZEMI and family. We are done. But, not with my beautiful and true story.

Is, Sweden still on the map? Bomb and kill everyone in that country. They are not allowed to interfere with my - Humanity angelic work anymore.

-----  
So, Mr Putin had an devil whore in Sweden. And I had an Persian angelic Goodess in California.

I had her on my Facebook through all ups and downs. Proud of having one of my angels in United States. Why, Putin?

I said to you whore of the whole universe, why?

Because, 1 angel=1 billion human beings. So, by having one single Iranian angel in United States and show her off on Facebook, I knew that I could travel there and be. What, PUTIN? I said to you, mother fucking animal. What? Cant you speak? Have you lost your mind? No words? The word=FREE

Me and my girlfriend

Featuring: Tupac Amaru Shakur and Sahar Rezaie Bavi  
3 February, 2020

Tupac

I met her on the train station. She was with another man, he was: Jesus.

Sahar

I was standing with Mr Jesus. When a man called Tupac came by.

Tupac

I met her when she was with my leader. The one and only, Jesus.

Sahar

I met him when I was with Jesus, he came by and said Hi: are you the angel who have saved the world?

Tupac

I met her when she had saved the world. When she was done with all her animals.

Sahar

He came by, when I was standing with Jesus, I said: Tupac. Is, that you Mr Shakur? Let's do an hit them up 3 for Jesus.

Tupac

I saw her when she was when Jesus. She was beautiful as hell. Tired to the bones of her being. I asked her: when is the war of your over? I want to come down, and grab the devils by the Illuminati's head through Jesus.

Sahar

I was chocked. Tupac Amaru Shakur? Your name meant Sha=King in Persian. I thought you were in heaven. What a hell are you doing back on earth. Playing Mr Jesus?

Tupac

I told her I am back with your Jesus. It was me who brought him to you. And I will not leave until the animals of Islam, of Iran, of Palestine and Israel. Together 2ith my own home country is gone.

Sahar

I said: Tupac are you serious? I have fought like hell against 4 billion. Do you know that I laughed at your: I got shot 5 times, bullshit? Did you earn millions for that? What should I say? Where are my money? Where is my shit?

Tupac

I will bring you all banks on earth. With all my Jesus fans. Jesus is right now watching you. Thinking: what a woman. What have I done to deserve a great and beautiful woman like her.

Sahar

I get nervous Tupac. Don't say that or talk about him. I only get more and more nervous.

Tupac

Your words just got shorter and shorter. What do you have to say now. When me and you, are rhyming so beautiful and harmonious?

Sahar

Nothing, Tupac. I have no words left. It's my heart writing back. My head is all gone.

Tupac

Tupac is happy to meet Sahar. And Sahar is happy to meet Tupac, both are happy as hell to meet Jesus.

Sahar

Tupac is he not like an pop artist? Backstreet Boys=Nick? Sweet and kind as an angel?

Tupac

He is not like Nick Carter. Why did you wright his name, do you want to bring us deep into your psyche? Don't go as deep as that ever again. Tupac Shakur can't handle your bullshit.

Sahar

Tupac grow up. You want some more? I can continue for ever.

Nick Carter=zip only an symbol for Carina Glattstein. They went through all on earth. Car=Carina. I just warned Nick Carter. Our beautiful own brother.

Sahar

What do you think that the animals of a United States 2ould say? Is Tupac really back?

Tupac

5upac does not care. What he cares about is your beautiful voice. Sing and rhyme.

Sahar

Tupac I am no rapper. I know just how to write. You can sing and I write. You do the beats and I do the musical math.

Tupac

I hope that everyone on earth is having an great time, right now. Tupac is tired as hell. He has been in the worlds largest death soccer game war.

Sahar

Tupac, what should I say. I was your partner in that soccer game. I made the scores. What do you say, about: World War?

Tupac

I am here with my: curly darling now. Far away from the: HADROUS. How could anyone, not defend her? You had no kings on earth, like Tupac Shakur?

Sahar

No, they did not. I am happy that I had you, Jesus Christ and all the angels.

Tupac

Do the dance that you did with all the angels. Where you laughed and kissed them all.

Sahar

You mean, mathematical bullshit? Or, me just walking pass the most handsome Gentleman's of: Gods heaven.

Tupac

Why are you so great in everything that you put your head in? You are my inspiration. My largest teacher and leader. What do you say about that?

Sahar

Once upon a time, 5upac. When I was young I looked up to all men around me. All my brothers friends and others. And then I went into war. Came out as an winner. Went back in. Crushed with mathematics. Reached: enlightenment. And then I thought: Where the hell are my own inspiration to men?

Tupac

You are to good to be true. To good to be good. To good to walk on the faces of Mother Earth.

Hossein

I have come back for revenge, the greatest one in history of Hossein.

Sahar

Sahar

It feels good to have reached=enlightenment. Now I know, how to Getz Putin. Put the keys and kill Obama. And open the door.

Tupac

The door to what? My dear one, has become so smart that she scares the shit out of us all.

Hossein

What did you do Putin? You played: death soccer game fotball with her that hard?

Sahar

P=16. That is the only letter the animal gets from me. Putin remembers, MR Hetem?

Tupac

I am the sucker of them all. Illuminati could not score. If that dick was empty. I would gather some whores. Put some water in there and grab some store.

Hossein

I am hungry for more. I am the: Prophet of Muhammad. The one and only savior of Mother Earth.

Sahar

If it was not for Hossein Tananis death, this day would 1000% not have arrived yet. What did Putin's, whore to wife say? About 11 of September, 2008?

Tupac

This is the smartest woman in the history of Mother Earth. She played the game. Scored: GOOOOOOOOOOOOAL after GOOOOOOOOOOOOOAL.

Hossein

GOOOOOOOOOOOOOAL. Touch down. GOOOOOOOOOOOOOAL. Touch down. From soccer to fotball to basketball, back to soccer to Putin's hole.

Sahar

GOOOOOOOOOOOOOAL. 1/11 could not take me Mr Putin, nr 33. My number was 8. What did that make you?  $1-1-1/3-3/8=MR\ PUTINS\ DICK!$

Hossein

I am alive. I am full alive. Full of life force energy. My life is great. Living like a PROPHET. Mohammed is taking care of me. Day as night. Kicking all Muslims on earth into another dick.

Sahar

I just woke up from my coma. Looked at my life and realized that I am an saint. Kicked Putin's head and sent them all back to hell.

Tupac

Hell was not good enough for them. They took the runaway to mars, to get away. The prophet Mohammed said one thing: If you take from the poor, then you should be on your knees.

Hossein

I am backing from heaven, back on earth. The angels could not stop me from getting to my: Sahar Bavi.

Sahar

I am talking to both Tupac Shakur and my own cousins. Putin, animal.  
Two prophets plus an Imam. Name: Imam Al Mahdi. What does that stand for? Your whore?

Tupac

I kick the death soccer ball to Hossein. He grabs it with his hands and throws it back to hell. I went back to hell and grabbed it back. Putin, we are not done with you, yet.  
Sucker, suck my dick.

Hossein

Went to hell and grabbed the ball. Putin and Donald Trump sat with their heads down on ground, sucking the ground of Mother Earth.

Sahar

Putin minus hell=Reptilians. What if the reptilians would add themselves with the UFO's and aliens?

Tupac

I am back from heaven, back on earth. I will grab every alien with my own hands. I will call Mr Will Smith and say: Mother fucker, I am Bizzy on earth. Where the hell did your Hollywood go and how the hell did it go?

Hossein

Will Smith! Mother fucker. What about your movies? Where they all false? Independent day? Or, did you just practice.

Sahar

Will Smith. I am the kind one. I saw you in Budapest, in the thermal water Spa. Get your ass 7pm for your children. Did you count the stares from me to you, Mr Gemini man? Or, did you want me to count them for you too?

Tupac

I am alive. I am still alive. Alive for all to see. Mr Tupac Shakur sucking his own:  
Revolutionary dick.

Hossein

I am alive. I am still alive. Alive for all to see. Hossein Tanani. The angel of the heavens

Sahar

Nor, will I say pussy or dick. In this one I am going to be nice and sweet. Will Smith, did

THIRTY SEVEN

ALLAH - TO WHOLE PLANET EARTH!

To all Iranian on earth. The Persian lions of the whole planet. Me and Sahar Bavi Rezaie  
have an song for you:

EBI=5-2-9

Sahar says:

29=Rawad Hadrous. But, I had that number before him, for me it meant=11 my own  
birthday.

5=Five pillars of Islam.

EBI=5-2-9

Allah says:

29=Rawad Hadrous. But, he never stole that number from her. Their destiny was to meet as the greatest fighters and enemies of Mother Earth. The real SHAYTAN and the real angel in the worlds largest war. GOD vs DEVIL.

5=Five pillars of Islam.

Let's get the party of for ever going. The game of forever. I am not for you and you are not for me. I am the purest energy of the universe.

I am love and so are you. I am you and you are me. I did not come to blaim you all or point fingers. What has happened has happened, and we are sorry that you all were effected.

I am not Sahar. And Sahar is not me. They are not like me and I am not like them. They all have their own identities.

King Raphael. King Michael. King Gabriel and King Jesus. They all had their own personalities. So, did Sahar Bavi Rezaie.

She loves men, and men loves her. They all breath love into each other. And inspire one and another.

We did not come to make war or fight, nor did we come to kill each other. We came to love one another.

We need to turn our backs on the cruelty of Mother Earth. Take them away, so that I and the rest can breath in silence.

Jesus Christ wants to speak!

I did not come to kill anyone. I am no murderer. But, this time. All needs to move out of planet earth.

I did not come, to kill anyone. I came to love and hug everyone, even the most beautiful of the most beautiful, of the most beautiful woman.

I am an free man now. Free from war and corruption.

I have been on earth, for months now. Watching all the crimes and the corruptions of this world.

I am not going to stand still and point my finger. Not, to the left or the right. Not, to anyone.

ALLAH

I am not going to stand still in silence. Nor will I point my finger to anyone. I am an grown up man. But, I will start the largest and most profound war, to save all my children.

JESUS

I am not going to stand in silence. I am going to rip the planet apart into trillion pieces. I am going to kill all on earth. By the hands of: Allah. Going back and forth from east to west. From north to south. Back to Sweden.

ALLAH

So, Aaliyah was because off me? One of my greatest? What had she done, except singing and dancing like an GODDESS?

JESUS

I am not like you, and you are not like me. I am JESUS CHRIST, Sahar Bavi Rezaie's own: Barbie doll - Pretty face - Light warrior - Peaceful fighter to angel.

ALLAH

I am not like you, nor will I be like you. Why can't you see? I am like Tupac Shakur and Jesus like Biggie?

Jesus

I am like the princess Diana of England vs King Solomon of Israel. Man vs Woman. Woman vs Man. I am just different.

ALLAH

I am not like you. And you are not like me. I did not come to judge. Just to tell you all. That you have made the worlds largest mistake.

Jesus

I am not Sahar. Nor the angels. I am not Allah. Or, Archangel Gabriel. The trumpet was blownd. But, Sahar would not let go of the planet, and saved its dick.

ALLAH

I am not like you and you are not like me. We are different. Coming from two different species.

Jesus

I am you and you are me. That is my special designed birthday - enlightenment present to Sahar a Bavi Rezaie. To make her feel like the worlds happiest. From my heart to hers.

The name of the bank. Whole all my money. From year 2014-2020. So, that I would not survive the war against 4 billion.

Allah says:

4 billion to 1? Was that not harsh? Did anyone on earth call the police? Why did anyone leave her alone? And all the police officers who knew. Why, did you not help her?

To all lawyers on earth. You are now the next group to take over all police officers. All off them are going out of planet earth, together with all Governments. Get our soldiers ready. Jesus Christ and Sahar Rezaie Bavi owns every single thing on the planet.

Get everyone on earth to pay her, her money. Not, allowed to get to the greatest hospital on earth? When there is an Allah? Not, allowed to leave Sweden? Have to be tortured and killed. Or, get locked up in prison? With medication running through her angelic veins? Where on earth, have you ever heard of an More: tough, harsh, cruel, devastating, evil and ruthless crime?

Crime?

4 billion of the worlds largest devils. All death soccer players of the devil. All death connection players and leaders, under their ALLAH.

Name: Rawad Hadrous

Birthnumbers: 1 November, 1979

1-2-8

\*Killed her 3 times

\*Suffocated her life

\*Played the worlds toughest death soccer game with her entire life, with 4 billion more players.

\*Stopped all her, bank accounts so that she would not earn 1 dollar, from year 2014-2020.

\*Stopped and closed: 20 Facebook pages. So, that the worlds largest death scene: Facebook would not get caught. By the other police officers of Mother Earth.

\*Closed and stopped all social media platforms and pages. So that she would not get the opportunity to reach out the police officers of Mother Earth, to get help. So, that a Rawad Hadrous. The Satan of Mother Earth could continue play th3 death game. And kill: More than 1 billion people under the years, 2014-2020 under her name.

\*Closed all her accounts on work pages, such as Joomag magazine, Gumroad, Google, Youtube, Twitter and Instagram. So, that: The light of the world. Could not earn her own money to get to hospital.

\*Killed all on earth. 24/7. For every second that she walked on it. And then sat infront of you all in national tv and laughed. Is that not right, Donald Trump?

Jesus Christ wants to speak!

I am what I am. And I won't leave this planet, a second time. Nor, will I fight. All my men on earth, will do that for me.

I am the LEADER of the planet earth right now. And she is my Vice Presidents of the world.

I am not nervous to meet you all in person. Who was the greatest of them all? If, not Jesus?

I am not here. To play games or seek for answers. I know everything that I need to know about the planet.

Who were your ruler. Non other than the "Muslim" animal=Putin.

I am not here. To play games 2ith you all. The one you saw back then. Is not the one you see now. God restored an place in heaven for me. With all my billions of angels. To come back one day. For the worlds largest and greatest fall and rise.

4 billion devils of the worlds largest death soccer connection game is going out. The angels, God, Sahar and Jesus will take their place.

I will not take orders, from some pussies such as: Obama, Bush, Donald Trump, Putin or the rest who ruined the world from inside and out.

Allah wants to speak!

Haram! Haram! Haram! What you all did to the worlds most beautiful woman, for your devils.

Did you think that you would succeed?

Did you think that you would play the game forever?

Did you think that I would let you play that game with her head?

Haram! Haram! Haram!

I have prepared the world best and largest surprise for you all. You all watch soccer? Tv? Sit in front of Internet? Technology? Then you do not need to worry.

Listen to this!

I am Allah. The creator of heaven above and Mother Earth. I created Adam and Eve. I created every child and animal. All the trees and the ground. And I will not take any harm or damage on my: MOTHER EARTH.

I created the sands. All beaches. Everything around and all the stones. Did you think that I would let it all vanish, for nothing?

Do I need to get back on earth. To secure my planet? Were there not any humans? Or, any police officers? Or, Mother Earth guards?

Our Iran, is now free. So, is Palestine. And Tibet. All Muslims are going out of Mother Earth.

I say this the last time!

All Muslims shall imideatly be brought to: Poland, Auswitch. To be suffocated and burned up alive. Even the non Muslims, who played the: Worlds largest death soccer game with the Imam Al Mahdi 12 head. And killed up to: 1 billion angels of humanity under my roof. From year 2014-2020. And many more the years before.

We are done. Get the work, going. Today!

Her bank account

Name: Swedbank

Clearings Number: 8480-6

Bank account number: 994 944 192-8

Name of account: Sahar Rezaie

From Allah to all police officers on earth.

You do not believe in a God, right? Nor, Jesus or the light of th3 world: Sahar a Rezaie, right?

That does not matter. You all are going out of the planet, with ATOMBOMBS.

She did not get the banks, yesterday or the day before, right? Her birthright? Her earnings? For saving whole planet earth, 3 times?

What did you do? Did you get: 1 devil? Only one, and tell the world? Or, did you keep the records of the banks playing death soccer with the citizens of the world, under the rug? Under what rights, did you not help her?

National rights? None? UN? None? FN? None?

To all Gentleman's on earth. Get her all banks on earth. From every country, to her home place: Bali. And give the money back to the poor people of Mother Earth.

I ALLAH!

Owe all banks on earth. With all money. With all houses. Taxes. Tax offices. Police houses. Flights. Airports and so on.

This is the last warning. After 24 hours. Comes ATOMBOMBS.

PART THIRTY EIGHT

Last but not least!

To the country of Sweden.

FUCK YOU! FUCK YOU! FUCK YOU!

Year, 2014 I sent messages on Facebook to the Swedish animals of devils, of the planet I said:

Kill him. Kill him. Get him down. Get Mehdi Zeitooni down. He is about to kill me. He has turned the whole fucking universe over my head. I am getting crushed. I have injuries from head to toe. I need money from Sweden and to get to an hospital.

I can't carry the whole fucking universe on my own backs and save everyone's life. Everyone needs to help. The whores of Sweden needs to help.

Year, 2015

I am getting crushed. Where the fuck are my money and hospital? Why are you not taking them away from me?

Year, 2016

One billion devils against one.

Why did not the biggest Muslim whore of Sweden: Novin Berwari call the police officers? Why are you all torturing me to death? Why are you all, killing my beautiful people of the planet? I am getting sicker and weaker. I am in alone fight with all devils on earth. I am getting crushed. Coma in and out.

Year, 2017

In and out of coma. In and out. I make an: 1000 pages long mathematical project. Called the: Infinity Project. To get all devils of Sweden and Iran killed.

Instead of sending the project to all on earth. To help me with money and to get to an hospital. They all surrounded me in coma. Now they were: 4 billion against one.

Year, 2018

When I pack my bags. To go to Bali, to holistic care doctors. The police officers of Sweden, arrest me in lock me up in prison, for 10 weeks.

I am sick. Injured. I have had brain injuries. Stress to the highest level. Blood pressure problems. Injuries in my whole body. I have gotten attacked and tortured by more than: 4 billion of MR PUTINS devils.

The police officers of Sweden!

-Slut! Hon klarade det! Det ar slut med oss. Got folk, nu aker vi ned.

Why, were you angry? Why did you want to go and attack Rawad Hadrous and his family? Our beloved government? You are going to be locked up, without us taking you to hospitals.

You are not allowed to go near our people, police officers, Governments or Muslims.

Are you: Imam Al Mahdi 12? Hahahahaha

Do you think that you are an angel? Saving Mother Earth? Hahahahaha

Do you think that you can save the planet? Hahahahaha

Death soccer games? Devils? Hahahahaha. Lock her up.

-----  
To whole Sweden, Government and police officers. Do the Iranian of Sweden, remember me? Not?

My name is Josef. You do not remember me? Not, me either. Only, two persons. Do you know, what their names are?

Sam Bavi and Malle Mahmad. And Sam Bavi's father: Hossein Bavi.

They were my angels in Boras, Sweden.

I have not come to talk to: hammekareh. I have not come to talk to: koskesh. I have not come to talk to Sweden at all. I have come to look at the: Worlds most beautiful woman.

What did you all do? You remember Josef? The Iranian gentleman. You let the Muslim animals of Islam, gather all from Malmo. The Lebanon and Syrian. The Kurdish and Palestinian gather all Muslims on: Sam Bavi's sister? The daughter of Hossein Bavi? While the government and police officers laughed at both you and her?

Now it's her turn!

I did not know, that Josef would come. Maybe he also needed some fucking closer from the=Devil town of Boras. The Satan country of Sweden.

I said:

Did you not hear me? I said:

Did not the police officers and government of Sweden, know back year: 1996 about Mehdi Zeitouni and his family? Why then did our brother: Josef get killed in "suicide" and get connected to Mr Tupac Shakur?

I am Imam Al Mahdi 12 and I am finally out of the country and this time. The whole planet earth will gather their soldiers to take down the whole country of Sweden, with their: 10 million devils.

Can't the police officers in Sweden understand some easy mathematic? Offcourse, they can. They helped all devils on earth. Cheap WHORES!

Beyonce my own cousin. Your own sister Sara Tanani in Sweden. With aunt and cousins in Houston Texas. Your own sister: Khadigheh and Anna Tanani, together with Aryo Tanani. Taught her. What a beautiful connection, dear: President of UN, right?

You like FN. You adore Antonio? I wish I was in your shoes! Right?

The devil taught me!

If you want to find the connection between you and your man. You only write his and your name plus the days date.

## PART 41

The time is right now: 00:25 before we start to cut in some text's in here.

What are you thinking, so far? How bizzy I have been on earth? How about your sluts, to prostitutes to whores, to wives. Who all fought against the angel of Mother Earth?

Does it sound surprising?

Go, all men on earth. And take all your: wives, girlfriends, sisters and cousins all into the kitchen.

Sit down, as adults and human beings. Ask them, for me and the sake of: Jesus Christ's second coming!

-Where you involved in the years 2014-2020 massmurdering of Mother Earth? Behind my back?

-Who did you work with, behind the scenes? How many did you all kill?

-Tell me, about the years 2014-2020

Yes, I said all your woman on earth.

Ask, who were involved?

-Why did you not call the police officers of earth who did not know?

-Why did you not tell all men on earth. That: RAWAD HADROUS. The Satan of Mother Earth: Brought all "WOMAN OF PLANET EARTH on her.

One mother fucker to devil with all his woman in earth. Against Jesus Christ WIFE?

ASK TODAY!

And say: IT IS OVER! ALL OF YOU ARE GOING OUT OF THE PLANET!

Death connections! Notes to myself!

\*Hetem Sejduie (Sweden, DEVIL)

Connected to my little sister Bahareh Bavi who lives in Lund Malmo.

They took my sisters information. The police officers of Sweden, together with Hadrour, Zeitooni, Tanani and government. And killed: Eva Riesling. The wife of Hans Rausing (Tetra Pakk)

\*Tetra Pakk is in Lund. And from there. Before and after, they killed Tito Vilanova and Cruyff by using the informations of me and my sister.

\*Cruyff and Tito Vilanova was connected to: Ahlens terror attack. And from there, they connected Eva Rausing to the: London Bridge attack, Ariana Grande terror attack and London Bridge.

\*They went further and brought the dead, to surface. Before the fire of: Green Fell Fire, they looked at my Facebook. Where I had left an video and message for them.

-Gothenburg fire, year 1998

Are you that stupid to connect that fire, to a new one?

Yes, they were. Everything I wrote, they copied and committed new murderers.

Let's begin, this part!

BOMB WARNING - UNITED STATES

To all beautiful men on earth!

First we begin with Shaquille O'Neal in United States.

Why do I begin with you, of all men on earth. Because it started with Tupac Amaru Shakur.

He got killed because I loved you and Penny Hardaway in Orlando Magic.

The plan is!

Date: 5 feb, 2020

Time: 10:08

I leave this rapport in the Office of:  
United States - Embassy and consulate in Krakow, Poland.

I leave this rapport in the Office and consulate of:  
Russia embassy in Krakow, Poland

I leave this rapport in the Office and consulate of:  
Swedish Embassy and consulate in Krakow, Poland

If, those whores. Who are going to leave planet earth. Won't call up: Shaquille O'Neal directly and say:

Follow the orders of: President of the World

The light of the World (the last one)

The Imam Al Mahdi 12

The Queen of the whole Universe:

Sahar Rezaie Bavi

150 meters of blood, will be shed all over the planet and all ATOM BOMBS activated.

24 hours is all, they and our brother: Shaquille O'Neal have on them.

Order to Shaq!

Call all your men. All your brothers. The most important one's like the nerd: DR DRE and Eminem. X-zibit and OUTLAWS.

Order to Shaqs men!

Open all Zoo's in United States and take all animals out. All of them are going to be used as my soldiers.

They saved my life. And the tigers are going to be the one's ripping Kim Kardashian and the presidents heads.

Get Mike Tysons tiger out.

Does he have tigers in his home? Is, he joking with me? Get put with that tiger, out in the streets. Because whole America is going down.

Open all Zoo's in Sweden, and all over the World. They are an huge part of the creation and of the universe.

They deserve to be free, just like me. They are after: REVENGE.

Get all tigers and lions to Iran. Prepare them for me. When I get there. Get all Tupac Amaru Shakurs fans, there to.

We are going to eat some: KEBAB!

First I want to say hi. I do not have time to explain everything to you. The story is billion times worst.

You are like my brothers. I cant even lie to an ant. I never lie. I am an truthseeker and creativity is my religion.

Why did I get such a cruel life? Bad together with heaven? I do not know. The only thing I know, is that: 1 billion got killed between year 2014-2020. Because I wrote this:

-I am the light of the World and my name is: Imam Al Mahdi 12.

They took it as an invitation to WAR.

I did not know, that: Light of the World meant=WAR.

Today I am up. Still on recovery, But that does not matter. Even in hospital clothes I will finish everyone off. Even if I was lying in coma. Even if I had no legs and arms.

What do I need and want?

I am sitting with Mr Jesus Christ now. I am giving him a second chance. He was vryle rude yesterday, night. Vryle rude. Very angry. At you all. But, he took it out on wrong woman.

Yes, I am complaining to you now. Who the hell do I have.

God? He, is sitting and watching everything and laughing.

-Chillax. Relax and let go. Do an slow mo, touch down. Like: Kobe Bryant.

They seriously think that I am an robot without any kind of feeling.

The thing is, I am full of feelings. For my brothers on earth. I have fought for all of you. So, that none would go down to the grave, because of me.

Rawad Hadrous lived and still live in Sweden. Laughing.

I killed all on earth, with all her information. Even with the help of her toilet name.

I took the toilet name, and then I looked over the toilet and saw her painting. I saw the painting and copied the artist name (picture in the rapport) and then I went to the kitchen. Looked inside the fridge and took the name and numbers there and killed:

Tito Vilanova, Cryuff, Ebba from Åhlens terror attack, Manchester bombing, Barcelona La Rambla, Reeva Steenkamp, Paul Walker, Roger Rodas and so on.

I copied every single thing in her apartment and killed whole planet earth with her things.

I even used the element ??

I cant cry anymore. I have no tears left. I cant even get angry anymore. Yesterday I went mad. Today I am calm.

That is how my feelings are right now.

Today everything is okey. Tomorrow I want to kill everyone. And take the 2hole universe down.

Can I: Imam Al Mahdi 12 take the whole universe down? The whole fucking universe?

Yes, that is an easy task for me. With all planets, like: Mars, Pluto, Venus and etc.

Who did and do you think that I am? I am very sad, at you. And angry.

To the devil whores. To your wives who treated you very bad. To your sisters who abused and used you.

\*You ran and gave them everything.

The bitch calls at: 01:34

At, 13:40 the animal to devil is out of the door.

-Baby, baby! I am so sorry. What did you want and need? Daddy, is here now to help you.

The whole day is gone. The time is 23:55. What did the devil lover do?

He helped the whore to the mall. The slut could not walk for herself. Daddy needed to carry her.

In the mall. The devil whore wanted daddy to buy:

Gucci shoes, Armani bags, Dolce Gabbana t-shirt, Marc Jacobs shirt, Kim Kardashian breast, Haifa Wehbe face, Lil Kim butt, Queen of Rania cash.

The whore decided to be an vacuum cleaner that day. I suck him out of everything. Even his house, bank cards, car, cell phone, body and soul.

At, 23:55 my devil sits in buss stop. Crying and walking for him self. Borrowing an phone from an homeless person.

-Hi, Mum! She did it again! She robbed me again. Mum, I am back on the streets. Sh3 took my keys also.

-Mum, what home? Beverly Hills? She even took the Windows to?

While at 23:55 The Imam Al Mahdi 12: The angel of mother earth: Sahar Bavi Rezaie is involved in a blood - war.

She is in Europé, and they are attacking her deadly. Without money, bank cards, internet, phone, clothes, water and everything else. That is every womans right to have in life!

The Imam, without: home, water, bank cards, passport, clothes and everything else?

Why? Because Ali Khatami and Donald Trump. Putin and the rest decided to rob her on everything? Close down all her bank cards and bank accounts. Just so that she would die? Put black magic on all men, with the help of their whores. So, that th3 devil lovers would not see her or help.

01:30 America

The sucker, to devil lover. To Kim Kardashian lover is back on his mothers sofa. He is poor and ill. He feels sick. He needs to drink and smoke some weed. Take some medication and ruin my path and all my plans.

01:30 Budapest

I am standing naked without anything. I am locked up. They have surrounded me, from all signs on the clock. They are after me. When a man from the streets comes up to me.

A fighter. An MMA dude. And its middle of the night.

-What are you doing here? I am homeless.

-I am waiting for money. I just need to take the buss to the AirPort to get out in some way.

I dont know what is wrong. But, I buy your ticket. Go and take the buss to the AirPort.

I will never forget him. Why? He, saved me from Putin and all his men in Budapest. By, only buying me an ticket for: 2 dollars.

I call him today, my angel sent from heaven above. I will make him, the leader of the whole planet. The richest man on earth. That is what I do and give to the men, who help me.

Yes, help me. With only an glass of water. I am an giver and not an taker. I am not like your ruthless whores and bitches.

So, what do I want and need. Today!

\*Get me an New passport. To an beautiful, secure, pure and safe country.

\*Get me all banks and money in them. I won.

\*Get me all bankcards on earth. Free hotel, clothes and food all over the World. I am the president of the World. I am begging you, don't make more ashamed of you, more than I am.

So, what do I want and need. Today!

Take me to the country of Sweden and Iran. Take me to the soldiers of mother earth. Collect the best out of the best. Get me today, my police officer name and Guns. I am going to kill: Putin and all his men, whole Islamic Republic of Iran, Donald Trump and whole United States, everyone in Swede, Israel and Islamic Ummah.

The list is long. What do I want and need!

First get me to an holistic care hospital. I have not yet gotten to an real hospital, with the worlds best holistic care doctors.

From there: Gather all men of mother earth and soldiers. We are going into war. We are going to do, touch down just like: Koby Bryant with Putins head.

But, before we go. I need to kill. I need to get to Iran. To take over. I need their soldiers and police officers. They are no muslims. I have money there too.

I owe the planet. So, those men who feel like they want to be the rules and leaders of the planet. Guiding everyone into heaven on earth. You can stand up right away. And run to all banks on earth. Throw the rapport on them and say:

-You really thought tha5 you could kill her 3 times. Kill 1 billion of our people. Torture her and us. And get away?

Who the fuck, do you think that you are? All are going out of the planet. Today we will get up, and start the greatest and biggest=World War for our Kobe Bryant. Today we will unite all gentlemen on the planet.

We will all get up today. And say: Congratulation to the angel. She won the whole planet.

4 billion devils against 1 angel. Did not break her.

Six years, 24/7 war. Did not break her.

Coma and injuries all over her body. Did not break her.

The toughest path to reach: Enlightenment did not break her.

1 billion dead, because of her clothes. Did not break her.

Injuries and killed 3 times, by Putin and his men. Did not break her.

Get crushed by Kim Kardashian and her 4 billion Satan of Illuminati. Did not break her.

Who are we, to sit down and listen to the rules and laws of Putin? Of Obama? Of Rothschilds? Of the banks and police officers? Who are we to read the words of Donald Trump or Queen Rania?

Who are they. And look at her. Look who the fuck, God created. An GOD on the planet.

You did that to GOD?

You killed GOD, 3 times?  
You stole from GOD?  
You gave GOD injuries?  
You took GOD into coma?  
You tried to take everything  
Away from GOD?  
You killed all on earth, our  
Kobe Bryant, because of her name,  
Age and home adress? Her food?  
Persian Restaurang, Nouroz, in Malmö.  
Sweden?

A leader stands up! An angel from some country. Maybe Sweden or Iran.

Gentlemans. My brothers and sisters get up. The News May sound harsh and rough. But, they are not touchier than her path. And the past.

Forget about all the dead. Just get up, all together. Send the messages out, on your Facebook pages and crush Internet and all banks.

If Internet goes down. All their works on the planet goes down in 24 hours.  
If the banks go down. Then the: Death soccer games cant continue. None will  
Get killed.

Gather all men on earth. We are ready. We have waited for this moment.

Get Eminem up. Get the homeless men up. Get the poor men up. Get Will Smith up. Get Joe Reagon up. And all the rest.

We the people of mother earth. Know each other. The good ones. We know our mothers, fathers, brothers and sisters. We are like an huge good family. We know each other, without even knowing each other.

We also have an: Love soccer connection to one and another.

Don't wait 1 second longer. When you read. Directly after, you choose on of these things:

- \*Crush banks
- \*Get all banks, Guns and bombs to her
- \*Gather all presidents and lock them up in Camp Nou, Barcelona
- \*Send out the message on Internet
- \*Go out in the streets to kill all devils, with authority from the angel. The top POLICE chef of mother earth. Our leader: Imam Al Mahdi 12

Choose! One or two. If you sit in front of Facebook and watch Kim Kardashians ass. You are dead, and so is your whole family.

Be an gentleman. An tough love warrior for once. An true leader. All stuckers and whores, goes out of the planet. So, mak3 an great choice my brother!

Thank you  
The angel of mother earth  
The light of the World 2

Don't forget all diamonds from Jerusalem. I warned them:

I did not only save planet earth 3 times.  
I did not only save the whole universe 1 time.  
I also saved all the Jews, from a second holocaust.

I want all diamonds in Jerusalem. They are mine. I owe Jerusalem. Israel is now my country. Get me my police officers and soldiers. In Jesus Christ name.

Its his country. I call him: The New King of Solomon. He is the King of Jerusalem and Israel. Get everyone out of there. Its his and my country. Do it today.

Buss, van, truck, flight, plane or an helicopter like in: Kobe Bryant.

Don't let me, bring him back from heaven with the rest. He would kill you all!

-----

What angels, Putin? The same one, that you fought against. You remember, Archangel Michael and Jesus?

To all my brothers on earth.

-Officer, tell us the truth. Have you tried to kill her all these years. And killed us instead because she was with God, untouchable? Did you instead kill all my brothers and sisters. All over the world. More than one billion. To get her sick?

Sha jumps up. When Smithy is with the cops. He gathers all Tupac, Olof Palme, Bob Marley, John Lennon, Martin Luther King and Malcom x fans.

He goes directly to: LL.

-We have to go and get all: Zeitooni. That is why, the Swedish Prime minister Olof Palme got killed. Because he knew the same truth, that she knew. He was about to save us all. Directly from Sweden. And the years after they took, the other angel of that government. Their own precious: Anna Lindh. Just because she loved: Che Guevara who got killed by the same.

-The story goes way back in time, Smithy. The angel has survived.

-Pinky go and get all the presidents. Why the fuck did you do the movie the: Matrix. J came up. Jesus Christ. Get all Jesus fans up. And say: This is it!

Smithy has not gotten any break. All of sudden he remembers his movie: Armageddon. He feels like: Dejavu. Has gotten him. That Kimmy, did her work.

-Son. Son. Son. This is not for you. My dear beautiful son. Was I not the greatest dad? Can you please move out of our United States. Son, get out now. And let Pinky and Smithy take care of all.

-Son. Son. Son. Did, dad not do everything for you? You became the man that you are today. Daddy's teddy bear, because of all my hard work. Daddy does not want his teddy bear to get hurt. It is not about you. It is about them. Wanting to kill and erase all human beings in earth. I did all those movies. Only for this day. My son. You will see daddy: Smithy on national tv. Talking to all people.

-Hi!

I am sorry Willy! I just got the two letters I and T. You can continue with your fabulous speech.

-Hi!

I am: Will Smith. You probably know me from a lot of movies. But, in my heart. I always knew, that I was more than just an actor.

In your eyes. You saw me only through movies. But, for my Pinky and my children. I was the king and president of the house. Do not ever judge me, by the color of my skin, once more.

Today, I have both: Martin Luther King next to me and Malcom X. Both are saying:

-Our brother. Our king. Who else, than our own angel face of Bel Air? You are our king. And now we all got the letters, T and T for you?

You know any artist in Sweden, with the name: Tito? Who had connection to Iran? She killed all your friends and family. We did not either, know her. Until, the project of humanity. The Infinity rapport was done.

Our brother. Do your job. Go and tear them all apart. Say:

-I do this for both my son and Mr Martin Luther King. Who was the greatest if not him? I do this for Tupac Shakur. Who was not the greatest than him? I do this for Malcom X. Our "Muslim" brother who stood up for the poor. I do this for Oprah Winfrey. The angel saved her ass, from the angels.

She is our black holy Mary. The one saving the asses of all: "Negros".

Martin is out! Here comes X. Number=36.

Hi, number 36. The man of all men, X is here.

Willy, or should I call you: Smithy or Pink? You have many names.  
(Wait, we got the letter: T again) What is it with you, my brother and  
All Devil woman? Why are you so kind to them? Like the angel: Sahar Rezaie Bavi.  
Rip them apart today. Malcom X says that the letter T=Tito in Sweden.

My brother, look up the country of Sweden on wiki and then take out the whole Internet.  
You do not need it and then pass the ball to your goodness: Pinky!

X, angel soccer number 33 is out!

-----  
I love you Pinky and your husband. Right, now. You two are my saviors.

Pinky, they choosed people on earth based on their names and nicknames, matched  
them with the devils.

Do, you know why I=The Imam Al Mahdi 12. Choosed Queen Latifah as my largest and  
biggest Queen of the angels. Team angels?

Here it comes!

Her name is Sedigeh Rezaie. The mother of my dead cousin: Hossein Tanani. The one  
who killed her own son and everyone in United States. Why? Because her nick name  
behind the scene was:

Queen Latifah

She really called herself by that name.

Me, Pinky. Who always adored the real Queen Latifah with my little sister, for her  
powerful manner and strength. Came to understand, that they choose my angels.

The letters changed while I was writing. Did Queen Latifah. My Queen. Feel small? Like  
the others? BITCH!

The other Queen Latifah. Killed all on earth. Your own babies and children. She killed 3  
of your nearest ones, with the help of the presidents and leaders in United States. And  
you: My angel. The Queen of all. Feel small? You of all? Go, up and crush Kimmy and all  
the rest, like the greatest Queen of Goddess that the planet has ever seen.

Take Pinky in your hand and say: Now we are on the right path. No director, telling us to  
do this and that. Act like robots. Now, the God inside of her. Says to the Gods inside of  
us:

-Follow every word I say. Because they come from God. The God inside of me. Is right now connected to the God inside of you. There is no difference between me and you. You and Pinky. Pinky and Smithy.

Kill the DEVILS. And take over the world. The ball is now in your hands. Smithy: jump. Basketball. Over them all. And do an special: Touch down. Blend fotball with basketball and take the score canvas with you home.

Home, where?

Bali, my dear. The angels of Mother Earth. This year: 2020. Goes all to: BALL.

Brad Pitt, my love!

The time is: 13:40. And the date: 5 February, 2020.

When did I write about Queen Latifah? And Brad Pitt? More than 1 hour ago?

I do not see my angels, live on national tv. I see them, through my iPad screen.

Mr, Jolie!

I see you laughing now. You know why? Because I see through reality. I have reached: Enlightenment. And when you reach: enlightenment. You see through time and space.

Do, you know. Who is watching my screen now? Live?

NASA and CIA.

My dear Jolie. You know why?

Because I made it. And they want to know. What is coming next.

So, Mr Jolie. My dear brother.

The American embassy, did not take the order serious, right? They did not call you, without me giving the rapport, face to face into their hands? When they read all on my iPad, right?

Enlightenment says:

Infinity made it. She does not need to prove anything. Except that all are going out of planet earth!

Bye, my second love, after Jesus :)

Infinity says:

I was talking about Brad Pitt. My iPad wrote=Z=Zeitooni.

My mind saw NASA and CIA=NAS in United States and Naser/Issa in Sweden.

What should I do, my dear brother? Another calculation?

No, just laugh at the madness of the world!

-----  
The time is: 14:24 now, Brad Pitt. This is live my brother. Do you believe in God and angels?

I just got attacked by all birds in Krakow. Symbol=Wings of all angels.

Infinity inside of me says:

Matrix was wrong my brother. Tell Pinky, that I was the right: Infinity.

I am ordering: Pollo e Spinach right now. And sitting on restaurang: Pronto and listening to Michael Jackson.

My brother: Brad Pitt. Listen very careful right now to me.

I do not use satellite or internet. Nor tv or any technology except my stupid little iPad. Why? Because, I have 4 billion of Novin Berwaris devils on me. The team of Palestine.

I want you to think back to: 5 feb, 2020. Time: 14:24.

What I see, is Brad Pitt walking out of an cafe. It looks like mine. But, the difference is that he is walking out of the door, to an square and I just came in, from an square.

He is looking to the left.

Pitty. You right now, have Putin at your left with Hadrous.

The man at your left just followed you. And you took up your phone.

My lover boy. Don't worry, I am not going to steal you from Angelina. She is my darling. And Jesus my: Pretty boy.

You are wearing blue light jeans, with holes in them and an black jacket.

The fear inside of me said:

-What if you are wrong and they have cloned and killed our old Brad Pitt?

Infinity inside of me says:

-Tell Brad Pitt to look up his bank account of all the places that he were on: 5 feb, 2020.  
Time: 14:24.

If, he was at home (Listening right now to: Survivor) Survived Mehdi Zeitooni.

If, he was not in that cafe house/restaurant. Then my dear Brad Pitt with his beautiful wife: Angelina stands up right now. Infront of the whole world, with Oprah Winfrey and says:

-Was that Rawad Hadrous or Rami? Who was that, who looked like our angel pretty boy: Brad Pitt?

-My receipts from that day, will tell me the truth. Why, Pitty?

Because if that was not you. It was the killers of Obama. Who slaughtered him and cloned him, to become one of them.

Look, your bank account now, Pitty with your darling Angelina. And then you can get married again. Infront of The whole world and say:

World marriage 3

Angelina and pretty boy (Jesus Christ wannabe) just saved the world!

Braddy!

My own Einstein brother: Sam Bavi, from Sweden. Now owns whole NASA, with: Mr Jesus Christ, Archangel Michael, Gabriel (master of technology) who is going to get married to my own: Sister Bahare Bavi and Archangel Raphael.

I just looked at: Burek (An joguslavian bread) wrote wrong: Th came up, and my brother is right now in Thailand.

We need to go back in time. To year: 2011.

Rawad Hadrous bought me an soccer ticket, to Malmo Arena. Ozil Mesut, who knew Rawad Hadrous and family in Germany. Was going to play.

My angel: Zoki Karanfilovski was also there, with his friends. So, whore to husband. We have witnesses.

He, looked at all sides.

Left, right, back and north. South and west. And I was thinking, what a hell is he doing. Was Amine there? With Casey Hjartirdottir? Or, Carina Glattstein?

I had an shirt with roses on and an jeans mini skirt. Not, that short. Your whore, were prostitute clothes. Not, me. It was elegant, to the knees.

With the family tree of: Nastaran Fallahi? They had many woman dying in "cancer". Maybe, in her nightmares, she told Ozil.

Back in time!

-Husband. Husband. Husband. You married an devil whore to prostitute. I have killed millions on earth, because I wanted to win the label: Miss Universe. Baby, I have always been number 1.

Ghendeh, I take the number 1 and add it with Nastarans name and my shirt with all the roses, to minus Casey and Carina Glattstein. What do you say about that?

Afterwords, we look back at: Rawad Hadrous.

Nastaran=5-1-1/2-1-9-1-5

We have to stop here. And look closer to the numbers.

Enlightenment speaking:

Because he played the death soccer game, with his old phone number:

Nastaran=5-1-1/2-1-9-1-5

The time is here: 22:45. What time do you have in United States? Copy everything and call Penny Hardaway. Tell him to take his daughter or wife to nearest bank, and grab all money out of there and give to all poor people on earth!

-----  
NAS, my brother.

The time is 23:26 in Poland right now. The same date as above. At, 23:25 Michelle Obama and kids used your birthday and the last numbers in your reciet. To kill someone near you, who had the letter=E in his name. He lives in United States. And he is an Iranian.

Ask, the whore why she is copying everything from my IPad.

The truth to my brother!

It started with the sisters of Tanani. They copied everything that I did in life, and killed all on earth.

She is talking to someone called: Rawad.

We kill someone, with his bitch`s name=Novin Berwari=Nelly Furtados friend.

She just walked into H&M. She bough an red dress. We kill someone that is dressed in red and has the name: Red in their name.

And so on.

Then 4 billion devils learned to do the same. We are talking about: NASA, CIA, all police officers and soldiers on earth.

Why? Shaqqy?

Because, it had been an unspoken war against me, since 2014. Why? Because I put down the feet and told them the truth about, the death of my young cousin: Hossien Tanani.

Shaqgy!

I am the light of the World  
The angel of the planet  
Muslim name: Imam Al Mahdi 12

Am I not allowed to save the lives of the children of God?

So, NAS. What did the devils do?

They gathered together and choosed another Imam Al Mahdi 12. Who?

The satan of mother earth. Called: Rawad Hadrous.

Their plan with Islamic Republic of Iran!

Make him the president. Rawad Hadrous. The Imam of the whole planet earth. And kill the real one, before she gets out with the NEWS.

Shaqgy. The News is out now. Tell all on the planet!

-LL COOL J. Is here with me. Two angels of humanity. We just shoot Michelle Obama down with the Hadrous. We went to France and found the hidden ones. We took all by their horns. We took all out of Israel and Brittan. We went on an: World tour of LAKERS. We shot them all down. Yes, we do not need any police officers. Because we got our own. All men and kids from the so called street. We killed them all off. With kindness, truth and love. With real information. We took the project with us everywhere and took down the whole planet earth!

JE=The name of NAS friend, who works for them. Through him, they got information from NAS, and killed Damians friends and family.

Results!

Kvantitativ and Kvalitativ (Swedish) studied of years, 2014-2020 finished!

This is the worlds greatest socialanthropoligist speaking.

No, Enlightenment nor Sahar Rezaie.

Were You not studying to become an lawyer, Kimmy? (Kim Kardashian)? Rawad Hadrous and Mehdi Zeitooni did the same.

They "studied" to become: police officers and "doctors" in mental institutions.

That is an true story.

The other ones. Practiced "money" and "business" to become the "great" leaders of the World.

They did not exposé the dark side, behind Their true paths. But, I did " Kimmy".

What was the reason, behind studying to become an lawyer? To analyse the victims That You killed? Or, to go deeper into That sick devil That You were and are?

I choosed: Socialanthropology. Because I loved humanity and culture.

I loved the connection between different kind of societies and culture.

Lets Put an Tupac Amaru Shakur song in Here. Not the movie: Poetic Justice. But, the song of us all. Our most favorite song:

Changes

<https://www.youtube.com/watch?v=eXvBjCO19QY>

Kimmy (Kim Kardashian) The socialanthropligist whore is out to, cut You up into billion pieces, Middle East SLUT! Listen lawyer and get all your "lawyer" friends to listen to. To real knowledge, truth and deep studies of the "black" sect of Mother earth. Called the: GOVERNMENTS.

The time right now is: 15:39

The social anthropoligist inside of me. After years of the hardest University studies. That is Why, I only honor and love One city in Sweden. And That is called: LUND.

39=Represents for the socialanthropoligist Rahkmat Akilov. The so called: "bomber" behind the Åhlens Terror attack in Stockholm.

Another part of the socialanthropoligist says: What a fuck did he have to Do with the numbers of my: Bathroom and refrigerator.

(i am sorry, to all gentlemans on earth. I Will not use - grammet check. Or, make This rapport beautiful for You. I have No time. Get an school, with full of teachers. To Do That beautiful for me. I just Wright. Wrong million times. Read it as it is)

The heart says: Rawad Hadrous (Satan of Mother earth) exposed them all. He was Their leader. Sleeping and living in your home. While You yourself was out. He helped You, make the worlds greatest study of the devils completed.

The inner eyes says: What a dumb Mother fucker. Did he not know. That I back then could speak to the Dead, when ever I wanted? I told him, million times!

The soul says: Let go of them and find Some true knowledge in it all. 4 billion calls What ever You Do, wrote, study and make=Bullshit. And they are the: OWNERS OF ALL ON EARTH. Without anyone giving them any permission.

The social Anthropoligist says: Okey! Its cool. Mathematics are not good enough for them. Nor, true stories and names. Not, even true photos or Enlightenment. That is totally fine. So, lets give them Some: Lunds University Knowledge.

The time right now is: 15:48

On UN flag, That represents=  
12-15-16-20=  
3-6-7-2=

3=C=Russia  
6=F=France  
7=G=Greece  
2=B=Bulgaria (Sofia)

Why, did we only get European countries? Did, I choose the clock? And What the numbers on the clock would represent?

(ta in all info om klockan. Flygplatsen Köpenhamn)

European flag has: 12 stars=The clock That We see everywhere. Those clocks are connected to Our: Ipads, computers, bank chips and passports.

The bank machines are connected to the chips in our licence cards and Id card. Everyone can look me up now. But, Why would they? That would not help them.

Rawad Hadrous and Mehdi Zeitooni just ordered everyone to help them. To Kill me. Out of jealousy. That had nothing What so ever, to Do with: Presidents of Israel, Donald Trump, Swedish Government or any else. They could just not see me with an: Jesus Christ Type.

Who was my rolemodel of husband.

They could just not see That. So, they decided to Kill all men on earth. Who looked like Jesus, or said his name, or mentioned his Mother: Mary. Or, had the letter: J in his name.

Like Mr Chris Bevington. One of the VD's of Spotify Sweden.

He looked and behaved as Jesus. He was an copy of Jesus. He was an twin of his own "leader" Jesus.

So, the socialanthropologist inside of me. Still in war. Had to put on Her Einstein glasses, without any teacher This time. And walk the path all by herself.

What a fuck is going on? I know, by my intuition That people all around me, are getting killed. By, stories Who are identic to my: SMS's, text messages, mails, bankaccount and the clothes That I wear.

I see clearly through reality.

People are going to the graves, all over the planet. While I am living my own life.

I am walking into an restaurant That is called: Buddha Complex.

The next day, I read in the newspapers That an girl, involved in Buddhism just got killed in Budapest (Where I was eating) infront of an computer company called: Complex.

She got shot at: 17:47

I look, at my bankaccount after millions of those (Eye opening truths) and see:

Restaurant- Buddha Complex - Minus on bankaccount 174:71

I look further and see under That line.

Café - Coby - Minus on the bankaccount 261:81

And I read the news and see both Kobe Bryants death and Flight crash of Iran.

To all gentlemans on earth. After 1 billion of those ("Truths") would You not become an EINSTEIN on your own bankaccount and true life? Your own policeofficer? Your own detective? Your own warrior soldier?

Please, Do they take me for an 5 year old boy? Or, 2 year old girl? Or, What a fuck is the problem Here?

Is, That legal? Tell me the truth. So, That I can say:

-Okey! Not, today. Not, tomorrow. You only have 24 seconds to solve my problems. I want all soldiers on earth. In 30 minutes. How You solve my problems. Is, not my problem. You get THEM!

Kim Kardashian (Chris Bevington. One of the victims of Åhlens attack in Stockholm. Wants to talk)

Hi, everyone!

We are watching Her. Being sick and tired (influsensa) But still finishing of This rapport.

I am alive. Still alive. So alive. Through Her.

I lost my daughter. I lost my wife. I lost the best friends of Mother earth. I had it all.

The top chef of Spotify. The head chef of all.

Puré and nice. An Jesus Christ type, just as She said.

Tupac song - Changes

He is mentioning the violence of the streets. But, never the: Death connection games going on, on Mother earth. I did not mention: Soccer. She made That word up. Because Rawad Hadrous, Put an dip of soccer in there and made his own.

How did he get the inspiration? For death soccer?

He read One of Her inspiration books year 2015. Where She had blended soccer and the soccer players with inspiration and motivation.

He taught, That She made the love book for him.

Go, and Kill my pretty Ex of 3 months love. Go and Kill all. And take my books, as an inspiration.

What a crime, right?

Do, the police officers of Sweden, know. How strong an Woman must be, to take such an crime? And then have to be, Her own soldier, guard and police officer? Throwned out of the country on the same time. Without money, clothes, health or bankcards? No, passport or home? No, SWEDISH EMBASSY Who takes Her to an Hospital? After: Chris

Bevingtons death and 1 billion More? Because of She living Her beautiful true and puré life?

Did, your whores to daughters get HOSPITAL? For an toe, being broken?

Chris Be infront says:

To all working on Spotify. Music was your, mine and hers life.

But, they used and abused all Our songs to Kill all on earth. Maybe, You wont care. Like many did in Sweden. But, I care. Get the assholes to chefs to close down all my accounts.

Why are they still on? So, You were with them? Chris Bevington is coming back. To take down the whole: INTERNET!

Year 2014 I Said very clear!

The Central country of planet earth Will be the country of: PERSIA. What they today call: the country of Iran.

It Will be the central point of whole planet earth. Where the whole universe and planet earth, will circle around it.

We never knew, That the girl watching the same game next to us. Was watching You only to save your lives from the: Hadrous, Glattstein, Tanani, Hjartirdottir, Kardashians, Zeitooni and the 4 billion More.

You are like my son: Sam Bavi!

Get up, my dear son. And fight with my daughter. Get all Messi fans and gentlemen very calm and nice into Iran. So, That She can enjoy Her life in Our Persia.

It is now your turn. My dear son. To help Her. With all true BARCA FAN!

<https://www.youtube.com/watch?v=CbIVlv6mXj0>

Messi!

Get my Imam Mahdi 12 soldiers of Persia, ready. They can walk and dance just like in the video, like NERDS. And make a great del of fun, out of themselves and me.

Tell them to look tougher with suits. All have to go to the hair salon and get another color=Blond/ash blonde/Light blond.

I can't see them like That. And fight like warriors. True soldiers, like the bodyguards with SUITS.

Give them all Armani suits. I refuse. What so ever. To walk around Mother earth with them. Looking like That. Dancing like That. And smiling like That.

I want TOUGH Mother fuckers. Not, lame and sweet dancing - Islamic Republic of Iran.

I want them to Kill all Ayatollas by Their own hands and then hug me. With an red carpet with red roses, all over Tehran.

Who Do You choose?

The real Allah?

Or

The SHEYTANS?

Lions of Allah. True Allah. Please, Stand up. Please, Stand up. Please, Stand up. And KILL Islamic Republic of Iran today.

You are dead, either way! You are dead!

STAND VERY CLEAR ON YOUR HALF OF THE SOCCER FIELD. AND ME AND ALL ANGELS STAND VERY FIRM - LIKE ROSA PARKS ON MY HALF.

It is war! Get all MMA FIGHTERS UP, FOR THE WORLDBANK! I owe it!

Yuri=Russian Ukraine? Like: CG=Carina Glattstein? The universe is screaming out your name. Get up now!

Did, not the whores to prostitutes to devils, to police officers around the world, call YURI?

They did not like to save his ass? Was that my job? Did they not call to warn him?

-Yuri Boyka!

Our dear brother. We beat the hell out of: Sahar Rezaie. We tortured her for more than 6 years. We tried to stop her, from walking around the planet. To give out free money to the: poor and sick.

We tried with al, our power. To keep her locked up: In mental institution in Sweden. Drug her down. Second after second.

We forced drugs on her. With police officers of Sweden, all around her for more than 9 months.

She got out of Sweden, 6 days ago. And threw our drugs away!

Yuri Boyka! Dear GOD!

WE ARE DEAD!

The time is right now, our dear brother. Who we used to watch on sport channels:  
07:57=

G=Glattstein

5+7=12=Imam Al Mahdi 12

We are so sorry. For all your lost friends. But, we had fun killing them in our: death soccer game.

We are so sorry. For all your relatives and families death. But, we had fun copying her data chips and reduce them, and connect them to all: Police officer systems in our cars.

We did the job, for the governments our dear friend.

We, killed WHOLE SOCIETY!

Order to Yuri Boyka!

Get all MMA's to get all police officers away from me. Specially those in Sweden. Get me guns and police officer brick.

I am going to shoot all, I meet on the streets of New York!

You do not do that!

I said: I AM UP NOW, TO BEAT THE HELL OUT OF YOU ALL, ON NATIONAL TV, TODAY.

Date: 13 February, 2020

I SAID: I AM UP NOW!

THE IMAM AL MAHDI 12 IS UP NOW!

Devils to assholes, to leaders of the: Death soccer games on earth. Do, not attack an ANGEL OF GOD, into coma. With injuries from head to toe, in the middle of her: ENLIGHTENMENT.

Get down on your knees, today. Infront of the whole planet earth and beg for forgiveness.

I won't forgive you. Dalai Lama forgive. Not, me. I am another kind of GOD angel. Like Archangel: MICHAEL.

What do you say, Boyka? Another girl down, because of what I am writing live to all police officers on earth, through my IPAD!

What do you say, Boyka? Another girl went down, from team angels. Do, I need to hurry up? For what? It has gone 6 years now. Assholes to MMA fighters should have been outside of my house as the greatest soldiers of a GOD, long time ago. Kicking the fucking ass of everyone.

Back year 2014. The whole Sweden should have told planet earth. All countries. What a fuck, they were trying to do with my life. Just to get me down.

KILL 1 BILLION ANGELS OF MOTHER EARTH?

For every second I was walking my path. With all police officers of Mother Earth, in the audience laughing?

Nobody, can beat us? We are the greatest? Not, even a God, if he would come down to earth, would beat us?

We have an God on the planet. I hope he is still alive. And his name is: Yuri Boyka. And he will get all into the fighters ring of MMA.

This is for: Olivia

This is for the: Angel

And this is for me and my whole family of MMA'S

This goes out to GOD and all the Archangels.

Here he get his lessons again. Exactly like that. Kick some ass. I want to see everything live on tv tonight.

Order to Yuri Boyka! Today!

Take all police officers of Mother Earth as your slaves. Lock them up, in line. They will be brought back to all graveyards.

Not, mine! Not, to those on my angel side. Like: Paul Walker, Michael Jackson, Che Guevara, Nelson Mandela, Gandhi, Martin Luther King, Malcom X, Dani from Barca, Titi Vilanova, Cryuff or any children.

They are going to dig up, their own graves. With their own family and relatives. And burn them down, once more.

Those graveyards with devils in them. Are not going to stay on my half of the planet=Heaven in earth.

The police officers of Mother Earth. Are going to dig up, all old Rockefeller's, Roothschilds, Ariel Sharon and etc.

When they have dug up all graves, you shoot them there. And throw them in, INSTEAD. Half in coma. Half alive. Half DEAD!

Am I not allowed to start the section of: Part 46? Police officers of SWEDEN!

What a fuck? Do you want more? I said mother fuckers? What a fuck do you want more?

Have you not, done enough? Against one single WOMAN?

I said: MUSLIM LOVERS! ISLAM LOVERS.

What a fuck, do you want from me? You want to see the video, once more? To delete it from Youtube?

Yuri Boyka!

Find the animal who made the video: Imam Al Mahdi 12 Trailer. After 4 years. They shortened the video yesterday. So, that you would not see the inspirational truth. Find the one who made the video. He will tell you the truth!

So, Swedish police officers!

For Avicci!

What a fuck, do you want more from us? You killed all beautiful Swedish men and guys. Your own: Swedish identity.

What does: Swedish House Mafia say about that?

Our own Swedish men? Klabbe and Avicci? MALEK and Emil Forselius? Our own little brother of Brad Pitt beauty, Emil Forselius?

What about the rest? I have the death list on me. Get the fuck out, of my Ipad now. Turn off the sound.

My enlightenment ears and eyes see and hear everything that you are saying. It hurts in my ears. I hear all your plans. Are you preparing yourselves? Am I not allowed to do the same, with all my men? You don't like to play real: death soccer live on the streets of mother earth?

We are street fighters! They call us: GANGSTERS

We are street artists! They call us the threats of society.

We are the DMT dancers. They call us the killers of brains and cells.

We are the soccer players of the planet. They want us deep into: destruction and WAR!

This time, it's okay. I am ready. And so is Yuri and all my men. They have practiced like me, for years. We are ready to FIGHT like never before, and take all: 4 BILLION DEVILS DOWN IN 24 HOURS!

We the street "kids" of Mother Earth. The real PRESIDENTS call it:

Non spoken meeting without conference, computer or internet. Without police officers, governments or soldiers.

We are our own: PRESIDENTS

We are our own: LEADERS

We are our own: SOLDIERS

We are our own: TEACHERS

We are our own: ANGELS SENT BY GOD TO HUMANITY!

Stand up, Boyka. And start the fight. Here comes the song of 88 soldiers again. By two dead Latinos of Sweden.

Gustavo and Alvaro!

Put it high on all speakers of Mother Earth. And say: Keep away. We now owe both the streets, the air, the ground, banks and all countries. Get the fuck away. And get your lame kids out of the planet. We are ready for WAR AND FIGHT. Cause we are STREET KIDS OF MOTHER EARTH!

Before we start, Mother Earth!

Is, Dr Masaru Emoto and Professor Nassim Hamein still alive?

I am so sorry, Nassim. Somewhere in the rapport I wrote: Nassim Goreng!

Is that not an Thai food? Goreng? I think so.

Did, you go to an Thai restaurant my dear brother, last week. And get poisoned? I do not know. But, I ask you. As one of our greatest on earth. Who my brother: Sam Bavi introduced me to. Together with Dr Masaru Emoto, to grab the largest automat weapons as you can.

I beg you, to take an closer watch, Nassim to your connected UNIVERSE. I have reached: Enlightenment. I know all about that connection, through their: ONENESS - DEATH SOCCER GAME OF CONNECTION ON EARTH.

Did, they kill your daughter? Or, an young woman close to you, in "breast cancer"? That was because I wrote your name in my: Sunshine World - Government year: 2014.

The same goes to the greatest one on earth. Dr Masaru Emoto.

They are killing me. By, killing all close to you. Because I love you. Is, that not the hugest crime ever been committed on earth?

For the police officers of Sweden, together with Mr Obama and Putin, put satellite in my apartment. And count all walls, to kill all who had the last name: WALL on earth?

Her Nassim comes your video. Take an closer look at it. Everything you said and wrote. They killed her, through that video of me and my brothers!

[https://www.youtube.com/watch?v=xJsl\\_klqVh0](https://www.youtube.com/watch?v=xJsl_klqVh0)

Nassim, I was born as: Imam Al Mahdi 12. The messenger of God. Stand up, for all my: Woman's and human rights on earth.

I owe the planet. All banks. Soldiers. My own police officers. "Governments". "FN".

FN with Antonio, played death soccer team: FC FN=6-3/6-5=My youngest cousin Hossein Tanani, killed: 3 of March, 2013=3-3-6/(5=Five pillars of SHEYTAN).

I can't afford to loose more angels on earth. The people of humanity. Get on your YouTube pages, Facebook pages, and all social media. And I write:

-They are killing the: Imam Al Mahdi 12. By playing death soccer of universe connection game with all of us. She has exposed them. And was long time ago: The president of the planet. But, they have done everything to keep her silence. She now have 4 billion of the worlds largest death soccer devils on her. Jesus Christ and all archangels have come down to earth. To get her away. Stand up, whole humanity. Our team. And get out on the streets and play real FOTBALL!

Hasta Siempre Text!

Until Forever!

We learned to love you  
From the heights of history.  
You beat the death  
With the light of your bravery.

Here stays the clear,  
And fond transparency  
Of your dear existence,  
Comandante Che Guevara.

You approach burning the breeze,  
With the sunlight of spring,  
To plant the flag,

With the light of your smile.

Here stays the clear,  
And fond transparency  
Of your dear existence,  
Comandante Che Guevara.

Your revolutionary love  
Leads you to a new formation,  
Where they wait for  
The strength of your liberating arm.

Here stays the clear,  
And fond transparency  
Of your dear existence,  
Commander Che Guevara.

We'll march forward,  
Like we marched with you.  
And with Fidel we will tell you,  
Until Forever, Comandante!

PART 46 (The land code of Sweden) AVICCI)

I do not know, if this death section, was in any previous part. But that is okey!

The devils send the same news, to create fear everyday 24/7. Repeating themselves. Of, my: Wardrobe, shoes, clothes, glasses and hair color.

They even used my own Canvas in my toilet. In:

Åhusgatan 7  
21438 Malmö  
Sweden

To, kill Mr Tito Vilanova!

Instead of writing R.I.P on your Facebook pages. Whole planet earth, go to my apartment in Sweden. And see the death row, with your own eyes.

Get your own police officers there. To take pictures. And then leave roses outside of the building.

159 meters up to the sky. And write everywhere:

Rest in Peace: 1 billion angels of Mother Earth! R. I. P

Introduction

Here comes the song again. Do like me. Listen to it as high as possible. And I listen to it, and write. As high as possible!

<https://www.youtube.com/watch?v=SvPo3w3hgdg>

Story 1 (Jake Gyllenhall)

The years was between 2008-2009. And I worked in: Ica lagret in Lund. It was an store fabric, with a lot of guys there.

Me and another Swedish girl, name: Sofie were the only girls there among all strong guys, boys and men.

There was an guy working there, from Jordanian. He was so beautiful and smiled at me every second.

My heart says now, after so many years:

-I am fucking smiling at You everyday. Without saying One single word to You. Only say: AVENY killen when You are done with the Infinity project so That they Will get me and family out of Sweden, while they take down all the other "Muslim" devils. You called me: Aveny dude for One reason. That was Because I spoke to You only once. And You fell in love with me. For many years.

I said to You:

I am from Jordanian (no Muslim. Like all Swedish boys)

I used to live in Gothenburg. Near all your devils.

Yes, I am an twin of: Jake Gyllenhall. We look exactly the same. I Do not know, If his Mother was mine. Or, mine his.

I worked in This store house, 3-4 times a week, after University studies. I needed money. And they paid a great deal of cash.

I fell in love with This: Aveny dude. In Swedish (killen)

And Because I met the: Satan of Mother earth: Rawad Hadrous on a gas station in Sweden, called: Statoil. I called him: Statoil killen (dude).

Just like Illuminati I had nick names for everyone. The only difference between Me and them, was That I said the nick names to all.

My, sister, brother and so called old "friends" knew Their names.

Aveny killen (Jake Gyllenhall) Angel of the planet - Jordanian

Statoil killen (Mark Zuckerberg) Devil of the planet - Palestine/Israel

Do, my messangers believe in destiny and God? Listen further. I Do not have time, to correct my words with grammet check. Why Do I have messangers on earth? Get the fuck up!

Archangel Michael Will now take over. Because I get tired of all these stories of my past. He Will explain better for You!

The guys name was: Mark Zuckerberg in Sweden and he killed whole planet earth by using his greatest devil. The satan of Mother earth. That We found: Rawad Hadrous.

They performed black magic on whole planet earth. On all people. To keep them down in darkness and ignorance.

The Aveny killen was just an (profile) for That song That You listened to. He was an symbol for: change.

Not in her. But, in You. Because You all are: Aveny killen.

Who She met a few months ago, for the first time. In a disco club in Sweden.

I looked at him and said (wiiiiief. Spit on him) What kind of taste does She have. When She have the most beautiful Archangels of God and Jesus all around Her.

The story short!

She is an drama Queen. Just like the rest. But, an funny One. I Will take care of everything above You.

Because, there is none greater than: ARCHANGEL MICHAEL, right?

Our: Chrissy! Chris Brown. Stand up. Can Chris Brown, please Stand up. Please Stand up. Please Stand up.

What is it With You and all your cross (Jesus Christ) wearing? Where did you all get your tatoos and crosses from? I and ARCHANGEL GABRIEL did all the work for Mr JESUS CHRIST.

He is sitting and Laughing at Her.

-I am Here. Why is She writing and laughing? Her face glowing up. Why is She not speaking to us alive? Infront of all people? Is She afraid of them? To be Put into mental Hospital, like they did in Sweden?

Telling Her:

-You are sick. No, Imam and no angel.

-Did, You really think That You could save the World?

-You are sick and crazy. For having such huge "dreams".

Do, the messangers know What We call them: Devils of Sheytan.

Kill all in Sweden, fast.

Who, should be locked up?

Someone fighting for all Her human rights? Or, the Queen Whore of Jordanian: Queen Rania?

Who made war and Who walked Their own path to reach: Enlightenment?

We are out. Take them all out. Now, She don't feel like telling the second story. But, You got the name of That story. Ask the: President of all Muslim Woman in Sweden: President Novin Berwari!

Our message to each other. When We score goals. Live on National Ipad tv to Nasa and CIA.

Niiiiiiiiiiiiiiiiice!

To all my messangers out there!

I only have time for One motivational story. To get You and me up, to the highest sky!

I need spa. You are the ones who should inspire me. Don't forget That!

The year was: 1998

The discotec Fire of Backaplan (Gothenburg)

The devils created an death scene. That my cousin: Sara Tanani and Aida Tanani, were going to trick Me and my brother: Sam Bavi to go to. With Their: Devil cousin: Arash Rezaie.

We never went.

At night, before midnight the night club burned down.

They locked the Doors, so That they could not escape.

The teenagers were, between 12-24 years old. I have been waiting for This moment.

Because, I have two of the guys next to me, from the Hammer click hiphop Group.

This is Their song, from back then. Put it on: Every Street on earth.

99 soldiers - HammerClick

<https://www.youtube.com/watch?v=WHBRYv3nwiw>

First, I Tell my inspirational story, before they start with Their story!

Half of the group of teenagers. Most Iranian. Were locked up on the second floor. They could not get out. So, they started to Open, the Windows.

How were the Windows made?

Out of metal.

Even the police officers said:

It's impossible! How Did they Do it? How the hell did they open the: Jail Windows and jumped over 5 meter down to the ground and survived?

GOD SAYS:

They were the LIONS OF GOD!

They did not see any limitations. Nor, did they worry about death. They did What Their intuition said, for them to Do. And they survived.

They got burned. They got scared. They got crushed, from Left to right. But, they jumped and made it.

LIONS OF GOD!

Another One, was an Woman Who got Her own baby under a car. The Woman, became - SUPERMAN. And took the whole car up, and took Her baby out of there.

How the hell, did She Do it?

GOD INSIDE OF ME SAYS:

She was One with GOD.

She knew That She had the power and strenght of the whole universe inside of Her.

She knew, That it was not meant for Her baby to die. She knew, That She could save the babies life.

Willy. Pitty. Crissy. T.I. Bone Thuggy. Outlawish.  
Yuri. Shaqqy.

Now, She got sad (Shaqgy)

-Why, the hell did She Put my name there? First, I was First. And now I get lost?

Now, I just made it for FUN!

The baby, is now me. I am under the car. And my messengers, are wondering:

-Why, is That bitches, ass That great? So, Big T.tiggy?

-No, She is mine, Bone Thuggy.

-Ey, man. I got an wife at home. Get, Chrissy. He likes devil whores. Like Jigi.

The baby is under the car. Wondering, who the hell is going to save me!

Shaqgy, looks back at the car and says:

-Ey, guys. There is an baby under the car. Who, is going to save the baby? Who wants to Do the job!

Penny and Mickey Mouse, starts to cry.

-Why, a baby infront of us? Ey, Penny. Get Her out of there.

-No, man. You are smaller. You can get better, under there.

Shaqgy! Laughs at them both!

-Ey, man. I am to grown.

-Bone Thugs laughs and says:

Ey, the baby is not mine. I have mine at home. I am not doing it, for another whore as Kim Kardashian.

Willy. Great Bad Boy Smithy. Also he laughs.

-Ey, I am done with action. I have my all to win all those OSCARS. Is someone using Their cellphones to take pictures of us?

T.I jumps in!

-Mother fuckers. I am the baby angel of You all. Everyone have always called me: The angel of all "negros". What a fuck is wrong With You all. Look, at the car. On it says:

Hammer Hill Click - 88 soldiers and under is an baby.

You remember the movie: 3 men and an baby!

-Fucking, whore. Willy help me Here. If, a Woman could lift the whole car, What a fuck can We Do?

TIME OUT!

Here comes. Alvaro and Gustavo! Who died in That Gothenburg fire. In That discotec, back year 1998.

First listen to Their song (commercial for my Dead ones) I can also Do it, Illuminati WHORES!

Angel Soldier:

Gustavo C Galvez

Alvaro is speaking First!

Hi, planet earth!

I am Alvaro. And I am alive. Still alive. So, alive through Her.

I did not come, to talk a bunch of bullshit "math" to crap, like Her. I came to Tell my version of the: BACKAPLAN FIRE OF DISCOTEC OF GOTHENBURG, SWEDEN!  
After me, Gustavo wants to speak.

Alvaro wants to say.

I am Here now with Her. What a FUCK, did you all Do to Her? Why, not just Kill Her? Like, You did with us?

Why, torture Her like That? Is, That the: DEVILS WAY OF TREATING an real Woman?

Angels have come alive. We are the angels from above. Coming to planet earth.  
Specially back to GOTHENBURG, SWEDEN to crush and burn everyone up.

Specially my little devil whore to friend: Miss Nelly Jamal.

THE BIGGEST DEVIL OF WHOLE PLANET EARTH!

Why, did you=4 BILLION DEVILS, try to BURN Her up to? Because, of me, Nelly Jamal?  
To, burn me up a second time? Like, You did to: Jesus?

My own homie. From high above?

Now, Gustavo wants to speak!

-----

Hi, everyone!

Hi, Mother earth!

I have never done This before. Spoken in front of: NASA, CIA, Presidents of the World.

(Mice)check! Is, everyone hearing me?

I am Gustavo, from the Gothenburg fire. I survived with a few injuries. Why, am I not on the news, of E-magazine?

They thought that they owed the world, and everything in it?

I am back. And I want them to come and interview me.

(Her iPad: changes color and text styles, right in front of us. But she is used to it by now.  
Does not: E-News want to see the: Fenonema?)

Gustavo wants to say:

The Gothenburg Fire was not her fault. Why did the victims' friends, from Sweden attack her. When she told everyone about the devils?

You all tried to kill her too? For losing your: Gustavo and Alvaro?

Gustavo, says: The payback is the greatest in the history of mankind.

You lost your love one's in the Fire. And she told you, about the real killers. Killing all on earth, to make her afraid on her name and birthday. And you joined them?

Will Smith, my brother! You have only read 1% of the whole crime. Of, what all devils on earth. Did against her. From year 1996-2020. They are still trying.

How should we stop them?

Should Paul Walker's daughter also join them?

And blame on her?

Your brother and sister watched Fast and the Furies movies and put them up on YouTube. And then you painted a canvas picture that looked like Paul Walker, and had a refrigerator that had my dad's birthday numbers in it. I am going to join all devils on earth, and kill you?

Gustavo says!

NAS!

My, brother. If you were not the greatest of all. After our Tupac. We would never, call you: THE KING.

The: LION of PERSIA

Get up my brother. And take E-news by the horns. And solve it all. Get 4 billion devils, today.

OUT OF THE PLANET.

That was the job of the: DEVIL!

My brother. O'Neal!

We, do like this!

I come to United States. And you all, meet me in the airport. If, any guard, security guard, police officer of them. Come 100 meters near me. You shoot them.

Empty, the whole airport and put an red carpet and say:

The president of the world. The president of United States has come to: Emerica to kill everyone.

Tell OUTLAWS, and their men. That they now, are my police officers and guards of the angel.

I have just given you free knowledge and education. And from now, you all are my soldiers and police officers.

No, need for school or education.

You got more knowledge than NASA!

Tell: Donald Trump, and the other assholes to keep themselves in their: WHITE HOUSE!

Get Bob Marleys whole family there and the others. I want everyone outside of: White House. Just like Martin Luther King had.

Do, it for ROSA PARKS and me!

OUTLAWS!

If, the soldiers and "police officers" of Emrica asks you why? Why, are you trying to kill us? We start an WAR against you.

You my brothers answer: ITS OVER. Here it comes! It came from her, heart!

Year, 2014

They started the war against, the president of the world. The Imam Al Mahdi 12. You don't know, who the Imam Al Mahdi 12 is? Then you, mother fuckers of the whole planet. Go and google it.

For our brothers: Malcom X and Mohammed Ali. That got shot and killed by you. The rapport is in her hands. Your death connection games are over.

There were one Muslim man on earth. His name was: MALCOM X. Did you hear about him? Or, you could not handle "black" Americans?

NAS! Stand up!

Malcom X. Was nothing. Martin Luther King was nothing. Mr Jesus Christ was nothing. Rosa Parks was nothing. John Lennon was nothing. Che Guevara was nothing. Malcom X was nothing. Michael Jackson was nothing.

Wait. My beautiful "black and white" brother wants to speak to NAS, and only NAS!

-Hi, NAS!

I am alive. I am still alive. Through her. Tell my whole family. That they are dead. They killed me, together with Illuminati.

I never hurt anyone. I never did any crimes. Everyone loved Michael. He was the one. I am here to tell you all. That the death games of Illuminati is over.

Peace out, my brother! Take care of you. Maybe I see you and everyone else, up in heaven.

Let me continue!

You tell all police officers on earth. To move at the side. All leaders in America and their devils are going out. If they ask.

-Where are your proof? We secure the country and it's people.

OUTLAWS, answer back!

We are the people of Love and light. The people of humanity. If, you would ask anyone, they would call us: The free spirits.

We had light and soul inside of us. We gave to our nearest and we helped. We ruled the world, from when we were kids.

We sang. We wrote books. We dated a lot of devil whores. We made movies. We were creative.

We used words and mathematics, only to write down our own birthdays when you needed them.

We trusted you, with all our hearts.

The governments and police officers. We're going to take care of us. They would secure us. Take care of our children.

We trusted in you. We gave our votes to you. We gave our many to you. We gave our time and attention to you.

I think that some mistake has been going on her. You really taught that you could kill her, with your: 4 billion devil men.

We have one: Shaquille O'Neal. He is the greatest. He is like million men.

We have another. Black brother: Will Smith. Our gentleman, that will secure everything for the angels.

We trusted in you and in GOD. But, we found out that you both used and abused our privacy, birthdays and names. That you played: death soccer game with our names.

We are sorry, that we lost all our brothers and sisters to you. You want more? Here you have: Tupacs friends, foes, family and cousins.

Take us down. We are begging You. All That We have done wrong, is to live an honest life.

You wanted proof? I printed out this Section for You!

Her name is: Imam Al Mahdi 12. Copy that. Even the dead ones from the other side, come to planet earth, to rip the planet apart for her justice and injuries. Copy that!

Her name is: Imam Al Mahdi 12. Copy that. Even the handicap ones in hospitals. Gets strength to fight for her justice. They get up in one day. Just to kill 4 billion devils to massmurderers on earth. Copy that!

Her name is: Imam Al Mahdi 12. Even Jesus, God, Buddha and all Archangels come back to planet earth. Just, to rip the heads of all devils. And then leave. The minutes after that. Copy that!

Nobody, dares to touch her or do her any wrong. And you all: 4 billion devils did all that shit, behind her face and infront of her!

YOU ARE DEAD!

Time is running out.

The Swedish Governments police officers and workers:

Imam, what are you going to do about it?

Ghendeh! HAMMEKAREH! Mahdar ghavveh!

First, number 1.

I will get NAS, and 7 billion people. Among them 4 billion devils. Forced to Sweden. To rip the whole country apart. But, first they go to: Swedbank to get all my papers.

Bank account

Name: Swedbank

Clearingsnumber: 8480-6

Bank number: 994 944 192-8

Everyone on planet earth, are forced to pay: 1000 dollars each, into that bank account, today. If, you will not have receipts, on that payment. You will get kicked out of Mother Earth. With all PERSIAN soldiers of Iran.

Number 2 whore!

What are you going to do about it!

Bitch! I just found out a few years ago, that billions on earth got killed because of me. Whore of the whole universe. What a fuck, would you do?

NAS!

When the papers are out. You go back in their system. Back in time. And find all dead ones. By looking at my account.

I believe 11 of September, 2001 is there. Am I right or wrong? Anna Lindh? Am I right or wrong?

Mother fuckers. I was only 15 then. Are you crazy, or totally sick? I am 37 now. Took the bullshit of the whole universe. I am back on my feet's. Without one single dollar. Ready,

to rip the whole planet earth apart. All countries and take everyone and 4 billion devils down!

Imam Al Mahdi 12

-----  
Let's start again. The date is: 7 February, 2020  
Time: 19:16 (European time)

It's 2020. And she did not get 1 dollar from the people of Sweden, to get to hospital. After more than 1 billion dead, and the greatest war against her? Fighting all alone, against all? With all injuries?

Did, Princess Sofia. The devil whore of Sweden. Go, out these years? Why? She started everything. Because of jealousy, of me putting her down in the: 1000 pages long Infinity project.

You did not tell the world?

The: Light of the world is injured. We are playing with her head. We have killed her million times. She is dead down in coma. She fought for you all. The people of humanity.

But, we paid money to all Devil whores. To Aida Tanani, to rip her and her 3,5 billion.

The Swedish Government whore!

Laughing!

-What are you going to do about it? We rule the world?

Translation in Swedish!

-Vad skall du göra åt saken?

What I am going to do about it, WHORE?

Anna Lindh is here and Olof Palme. You want to see, what we are going to do about it?

Anna Lindh speaking to all political leaders on earth and governments. To all presidents.

-You did not respect me, because I was a woman. The greatest of you all. Everyone loved: Anna Lindh.

Did you really, tell her:

The Imam Al Mahdi 12?

What are you going to do, about it?

I have never cried and laughed this much.

She is begging for money, just to get to spa and Bali. While we the rest, just wants her to open up her mouth and save the earth.

We have never cried and laughed this much.

She is begging for 1 dollar. After all that she has been through. Just to get back to Bali. To her own life and get to: Beauty salons.

What is she going to do, about it?

I am alive. Still alive. So, fully alive. Just because of her: reaching enlightenment.

This is, what she is going to do, about it for a little bit of Spa, harmony and the love Island of hers: Bali!

Kick them hard, right we're it hurts the most. Do an master mathematic like none has done before. Connect the devil to the angel. So that planet earth will understand the truth. Once and for all.

Their death game is called: Death soccer game connection of the people of Mother Earth!

Bouncing and connecting people. Through numbers and letters, to create an: Pokkemon story, live on earth!

Thank you. See you soon again.

Anna Lindh!

Here comes the rest of the story - 11 September, 2001 NY Twin Towers.

Did, not Donald Trump, Obama and Bush. And their whores to wife's and Oprah Winfrey, tell you all!

What really happened? What a fuck, I just want to come to Bali!

I lived in Canada, Toronto. Until, late september 1996.

I went back to Sweden after Tupacs death.

There was one man that I loved to death. I watched a lot of sport. At that time. His name was: Donovan Bailey. Me and my brother loved him. He was our favorite at the olympics.

OS=6-1

We had two devils in Sweden, who killed Anna Lindh, by taking charge of the body of her murderer. They performed the killing, but blamed it all on him.

If, you have assholes in the system, who believes everything they read. Then that is not my problem. But, when they attack me. Just, because I want to earn some money, by telling the truth and giving out correct information and knowledge. The bitches and whores of Satan. Like, the biggest whore of the universe=Beyoncé. Then it is my problem.

GOD, made my the=MESSENGER of Mother Earth. Did not the devil whore read any history in school? Is, that why, she killed all children?

Back off, slut! There is an couple in town. Called: Smithy and Pinky. They will take care of the devil Queen, with the real Queen=Queen Latifah.

Let's get back, to the truth!

They did this scene for 11 September, 2001.

The twin towers was an symbols for woman and man.

They choosed: Coolio to be the man and Michelle Pfeiffer as the woman.

After that, they needed to give an code for: Pentagon. Which they choosed the movie: Gangsters Paradise.

Stand up, all my angels on earth!

Gangster Paradise (by using the alphabet, like the devils do in their death games. Ask, the slut: Beyoncé!

Then they needed to take it further. Because when they choose to create an scen with the Satan. They want to have fun.

So, they took my own Uncle from Toronto, Canada and put him together with: Donovan Bailey.

The Olympic runner.

Than that bitch from the government of Sweden. Wondered what I was going to do about it?

Whore of the whole universe. Queen of Satan. Devil slut. Prostitute of the devil.

This is what I am going to do, about it!

Rawad Hadrous tried to steal my uncle's name. My uncle's name is holy. He is called: The Angel of God: Javad.

Do, the whore of the whole universe. See any connection between the universe largest angel and the worlds largest Satan?

Is, the whore of the governments, kidding with me?

You do not use, our names or birthdays to kill anyone.

Who're of The Whole universe. You use your own devil names. Let's continue!

One of the devils who were involved in the scene making of the Hollywood movie called: 911 Twin Towers of NY. Showed me the airplanes and the Iranian flag, weeks before the scen was done.

His name WAS: Mehdi Zeitooni

Why, was? Because Sweden, loves their DEVIL. He is the king of the universe for them. They have protected him, with all police officers.

He, even. When I tried to run away from him. Put, coacaine and HEROIN in my mothers house. And called the police officers. So, that me, my mother and brother. Together with my little sister, would get caught.

But, we threw him. Back in HELL. Infront of his police officers. Is, that not an crime? Forget, NAS about: 1 billion deaths on my account. Is, that not an crime?

Mr Bush. Beautiful devil of Satan.

Put, an Afro American man in jail. He got death row. For stealing a pair of sneakers.

NAS!

My brother, stand up. It's over. And the assholes are all going to be burned up. Once and for all!

So, Coolio was chosen to be the man and Michelle Pfeiffer to be the woman. In their death soccer game of New York.

Why, NAS? Why?

Because, me the dumb one. Went on cinema in Gothenburg, Sweden to watch the movie: Gangsters Paradise, with Mehdi Zeitoonis partner in crime. Called: The devils nearest daughter=Aida Tanani.

The thing was. I went to cinema with her Satanic sister: Sara Tanani and all her friends. They started to fight. And she banned her own sister from coming to the cinema with us.

Why, NAS? Why?

Because me and she. Was the greatest enemies on earth. We could not stand to be in the room, for 5 seconds together. Without starting an huge battle fight.

We hated each other. To life. All around the universe. Back to life. To GOD. To SATAN. And back.

The fight between us started when I was 2.

Yes, you heard right. She threw me in a spring full of shit. Tried to kill me, already at age 2.

We were babies, fighting.

She and everyone around us. Knew that she was the daughter of Satan, brought to planet earth. And me the daughter of God, brought to the same planet as she.

She started the war. I was only 2. How the hell could I know, what she was able of doing? Am I some fucking saint, knowing it all? No, I have just walked the right path!

Back, to NY 11/9.

Tell Coolio, to stand up for my greatest justice!

So, they had the two names for: Twin Towers.

Now they had the date=My exakt birthday. 11 September. For the attack.

Who should they choose, to replace the devil: Usama Bin Laden?

Guess who?

Usain St Leo Bolt (Real nickname: Lightning Bolt) Jamaica

And the other person? They needed two?

Donovan Bailey (Canada)

The first one born: 21 August, 1986:  
3-8-6

The second one born: 16 December, 1967

7-3-5

-----

1-11-11(2)=Rawad Hadrous (The Satan leader above them)

Okey, let us continue!

So, we had one couple. A beautiful Hollywood couple. And two Olympic sprinters.

When did they meet, NAS? Or, did they ever meet each other for an game, in Olympic?

"Competing at Atlanta 1996, Donovan Bailey became the 100m Olympic champion and world record after winning the final with a time of 9.84.

Wiki - Maybe, you will call the police to. Try to get me caught for any crime, what so over. Therefore I am very serious of following the "laws" until I am done. When I am done, with the rapport. Wiki goes out).

NAS! Stand up, for your spiritual sister!

1996 was the year Tupac was killed. And they saved all information from that: Death soccer scene, that was created for them. To, create an new one. By, connecting a Tupac Amaru Shakur to the death scene of NY - Twin Towers. World Trade Center.

So, back to Coolio and Michelle. Who the hell were they symbol for?

The greatest time of my life, was when Fugees did that song: Killing me softly.

It became an great hit in Canada, Toronto. Before Mr Tupac Shakur was killed.

In, Scarborough, Toronto. They had an huge concert and theatre of Fugees song - Killing me softly.

When I came back to Sweden. And talked about my time in Toronto. I always mentioned that concert.

She became Marleys wife, right?

Put, one billion more victims on that list.

How, do you want me to feel?

I have nothing more to say. Because they did like that, to all on earth.

There were no: Terror attacks. Or, flight "crashes". Or, "suicides".

You want to know, how Avicci's death scene looked like? You know Avicci? With the Swedish House Mafia? Down there in United States?

They choosed: Ronald Reagon vs Avicci.

This is intuition speaking.

Look, at the picture. An copy of Anna Lindh.

NAS!

My brother!

The year was, 2014!

I told the people of Sweden. In the Infinity project (1000).

These are the people around the world, that got killed by your devils.

I mentioned: Arafat, Tupac Amaru Shakur, JK Kennedy, Michael Jackson, Whitney Houston, Left Eye Lopez, soccer players, Anna Lindh, Olof PaLm.

Wait. The keyboard, writes: R - Malmo.

I swear on everything. Without me doing anything together with I.

I gave them the death list and all mathematics and my own life stories. I counted how many hours I had worked as an angel in that country.

1 000000000 hours x 85 kr in the hour=This much money for all the lives, that I have saved and now will save.

Put all money in my bank account!

NAS! My brother!

Instead of gathering all soldiers like I wanted.

Instead of paying out my money.

Instead of taking me to an hospital.

They got more angry.

Is, she telling the world, about us?

Is, she telling all. What we have done, under all years?

Gather, all devils on earth on her. They started with 2 million in Sweden. By: 2019 the numbers were up to: 4 billion devils.

From year 2016-2019 I fought only for my money.

Why, are you not paying me my money, for all injuries? For all the people that you killed on my name with Iran (Islamic Republic of Iran).

I gave my bank account!

Instead of paying my money. The banks of Sweden closed my bank accounts and changed the numbers of the one that I had.

So, that I would not get any money, to get to hospital.

The date is: 8 feb, 2020

Time: 07:16

I have still not been taking to an hospital.

I gave my bank account to the "people" of Sweden. And told them all about the family of Hadrous.

I told them exactly how many they had killed on all. From, Martin Luther King to Avicci. That more deaths had come on the list, from 2014.

You know what they did? LAUGHED!

I gave the "people" of Sweden, my bank account and said: I need the money for my recovery. So, that I can survive. I need to get to an hospital.

It's 1 billion devils against 1 now!

NAS! My brother!

They laughed!

I sent to everyone, put 1 kr into my bank: Swedbank

Clearings number:

Banknumber:

The Muslim devils of Sweden with their government has thrown me out of the country. With injuries from head to toe. Without money. Arguing with everyone in Sweden, for my money. Fight and war with 4 billion devils. And no people from that poor satanic country helping or their police officers?

My, family have 5 houses in Sweden. Whores, they are begging me to pay rent and tax. And my whole family. From year 2014-2020.

If, anyone would dare to steal Will Smiths name, honor, dignity and start an Great War against him. Because of: Jealousy!

What would my dear brother Will Smith do? In real life? On earth? Planet earth?

I swear on everything. On my two little breasts. That has gotten small. Just because of the whore Kim Kardashians war against me.

That our Willy. Would sit still for a few months. Not move or do anything. Until, he was ready for the greatest war ever.

4 billion devils against 1.

Now, it's going to be 4 billion devils of earth vs 4 billion angels of the whole universe.

Split the planet into 2 half's. Like an game. Soccer, fotball or basketball. WE ARE GOING TO FIGHT!

Look, at the video again, Will Smith!

<https://www.youtube.com/watch?v=k1mcOXs3aQc>

They took me, and hit me bloody to death. And killed me three times. In to coma. And beat me to death, in coma. In and out for months. While I was lying down.

Is, BUSH listening? Obama? Donald Trump?

Your whole party is going to be ripped of. Just to save: The "white" Satan of Mother Earth: Rawad Hadrous. Walking there in white clothes. Next to me!

Great crime, right?

Will Smith, you have only read: 2%.

Gather all men on earth, in National Tv and say: Its time for war!

-----  
Will Smith!

This is live (Everyone put on your Facebook pages)

I just got out of Sweden, again. Rested my body in my mothers house. With everyone in Sweden's eyes on me. Together with their police officers and government.

One Swedish man made me survive again. His name is: Roger, a friend of my mother. Get him also out of the country.

The last threat that I got, was 1 week ago!

-If, you move out of the country. We will take you back. If you don't take the drugs that we have forced upon: THE LIGHT OF THE WORLD. We will lock you up!

All on earth. Put this video on all your Facebook, pages. Say: The greatest war on earth has come. Get up everyone and fight like never before, against the police officers and corruption of Mother Earth.

Come near me. 1 meter and I shoot. All men on earth. Gather around me. The devils of Sweden, are not coming 30 millimeters near me or my pure body.

You give drugs and force the presidents into mental hospital jail. And not me.

Order!

150 meters blood. All over the planet!

Put on Lupe Fiasco - Words I never said, loud and clear for all presidents to hear.

<https://www.youtube.com/watch?v=22l1sf5JZD0>

-----

Specially: Kobe Bryant and ONE BILLION more angel WARRIORS!

The video one more time. Humanity don't question anything. I know what I am doing.

With the other video, a few steps up. A, boy in Kenya got shot.

Let's continue. One more time for NAS and Will Smith!

<https://www.youtube.com/watch?v=22l1sf5JZD0>

Tell the whole world. With costume on you and a microphone. That she is up!

-I am sorry, humanity. I am sorry Presidents and police officers. I am so sorry country of Iran. She is up!

-----  
NAS!

The time is: 08:52

The date: 8 February, 2020

I am sitting on the toilet. (I am sorry, for my English. Willy, back year: 2014 I could speak in front of the whole humanity. With perfect English. Now, my English after the war of year 2014-2020 is 0%. I can't even write or speak anymore)

I am trying my best. To get my message out.

I have a toothpaste name:  
Pepsodent on my right side.

Pepsodent=

7-5-7/1-6-4-5-5-2

Is, Pep Guardiola from old Barca, still alive?

Putin, put. Signals all over me and around me. By the help of my: Pad.

Do, I care? No, not the least. But, I just wanted to warn: Pep Guardiola before he got shot or killed. That he is in their death game. And that he is next man on tour.

I have an label infront of me. Name=Sanica

Sanica=1-1-5/9-3-1

I just saved someone in Barca right now. I see Xavi's ass. Why?

Because, my old work place name in Lund was=lca

It was with that name that: Tito Vilanova and John Cryuff got killed (City: Lund)

I want to teach all my brothers on earth. One thing:

\*Follow the numbers of my death project/rapport. And 4 billion devils are down in 24 hours. With all police officers on earth. Who did not bring me money, help me to hospital or gave me an new passport.

You really thought that you had authority on earth?

My IPAD and Enlightenment have!

I have an bag on the floor. The name is=SON=In Swedish=Sunday.

Today, is Saturday. So, we get:

6-1=5=5 pillars of Islam=Satan of the planet=Rawad Hadrous

On the top, I have an Victoria Secret mist.

NAS!

Get: Akon and all Victoria Secret models ready.

They are all going to walk on the runaway. In, Iran. In, the middle of their "Muslim" city: Tehran.

Order!

Red carpet to the main square. With all Victoria Secret models of old. Running and showing of their nude bodies.

<https://www.youtube.com/watch?v=22l1sf5JZD0>

Persia is free now, from the holy Quran of five pillars of Islam=Ali Khatami.

Ali Khatami=  
1-3-9/11-8-1-2-1-4-9

His name was: Rami Hadrous

He ruled whole Persia from Sweden.

What a hell, did an prostitute devil of Hadrous do in my own country.

Get, Paul Walkers daughter to nude model there to. She is going to walk the cat walk, as the: Highest Angel!

-----  
NAS AND DAMIAN MARLEY!

Tribes, at war!

<https://www.youtube.com/watch?v=ubssDHIGi6g>

I told the country of Sweden and all governments on earth. And police officers in Scandinavia. Plus, the bodyguards of Europe.

-Gather all your men. And crush the whole country of Sweden. Take out all my money out of there. From all banks and spread the money, to all poor men and kids all over Europe.

Take down: all schools, hospitals, buildings, governments, devils and "people" who helped them. I want 10 meter blood. From the ground up to the sky.

They did not listen!

So, more people got killed. Like, your brother: Kobe Bryant.

I told the bank chief of Swedbank. Sweden's largest bank, who worked with Putin to kill both Kobe Bryant and Avicci, by using the numbers of my account. To, put all my money in my bank account. Because she worked with the devils of Mother Earth: Rawad Hadrus and Islamic Republic of Iran, Putin, Obama and Donald Trump.

Did, you know. That Obama, came to Sweden a few months ago. When I was there.

Swedish Government meeting!

Enlightenment satellite, who knows everything like GOD, speaking!

To, President of Sweden: Stefan Lovfen

-Is, the "devil" whore still in Sweden? Why, is she not leaving? We are controlling her and everything!

NAS!

I had Jesus Christ, all archangels and Paul Walker next to me. Lying in my mothers cabbin, planning my get away.

Paul Walker had brought with him: More than 1 billion angels of GOD, who kept me secured and protected, until I was up. To take all photos of all buildings in Sweden, where they used his and Roger Rodas name and birthdays to kill.

(the photos are in the rapport)

Back to Obama!

-Imam? Haha. We are the "Muslims". Taking off his mask. Did you know that he was cloned twice. Together with his devil prostitute to wife.

Willy, stand up!

I swear on everything. That I am telling the truth, and nothing but the truth.

Do, you know why me and my brother: Sam Bavi choosed you. (yes, because he lived and love Smithy).

Just because of his movies. I have almost seen all of them.

My brother, have met: Aliens, Ufo's, Armageddon and homeless people. He knows about the death game of theirs.

Deep in his Inner GPS, it says:

Obama, who? Donald, who? Mc Donald's or Prince? My, brother Malcom or their princesses? Martin Luther King, or the kings of Saudi?

THE ROCK!

You had all your practices, through all your Hollywood movies. Stand up for your brother: Paul Walker and Roger Rodas.

Roger Rodas, your "dead" angel worked on: Bank of America, right?

He lead me to: Birgitte Bonneson

The lead leader of the bank devils of Scandinavia. She is the one, who called the police officers on me. Through her, they took me. Instead of the devil whore, who killed whole humanity.

Strange? It gets stranger.

He lead me to Roothschilds in Sweden. I did not even know, that Philip and those animals owed all banks.

I swear on everything. I do not search knowledge or information, through anyone. Except myself and the birthdays of: NAS, WILLY, PINKY AND MICHELLE through wiki.

Smithy! I work the old way.

They kill 1 billion to piss my off. And make an PDF BOMB.

Gandhi and a John Lennon in one. And they took me? Into mental hospital. And ripped me apart in there, with all sick devils in Sweden?

Do, you guys know what they have done? Nothing in my opinion, but everything in GODS eyes.

Gather all men on earth. From all countries. Say to everyone: She won. But, it is not finished yet. In, 24 hours all devils of Mother Earth are going out with all their soldiers and police officers.

Nah mean!

Did, you only do those movies and music videos for fun? To get money? To get attention and fame? Stand up for BOB MARLEY!

Her name was and is: AIDA TANANI. The one who killed: Your father Bob Marley, with all the rest. Her aunt in United States, Houston Texas did the job.

Did, not the same OBAMA, tell you all!

-Yes, we knew! Her name is: Khadijeh Tanani.

We saved her, all years in United States to kill you all.

We have our guards. You can't do anything. We owe the planet!

Enlightenment speaking:

Bob=

Bob Marley is here. And says:

Don't worry. Be happy!

<https://www.youtube.com/watch?v=L3HQMbQAWRc>

Bob Marley speaking through her: enlightenment!

Dear, brothers. Did, you know that she right now. Can see us and feel us.

She has felt the dick of Mr Jesus Christ, 24 hours. In the air. She calls him: Her pretty boy.  
Her savior. Her warrior angel and GOD!

And he is just sitting next to her and asking himself:

-Why, did I fall in her trap? Why, was I the chosen one? Why, did she do that to my life?  
My existence in the universe?

She changed my whole being.

Before I was the: Light of the world. The son of God. Then she came along. Kicked me  
out of heaven, down to earth. Stole my label and name. And fought against the whole  
universe and God.

Bob Marley telling the truth about her!

So, my boys. She did not only fight against all "devils". I call them: The most evil UFO's of Mother Earth.

Bob Marley says:

The NASA, knew about them. That was why, they kept their antenna high above the rest. They protected themselves with satellites. And let the people of Mother Earth, suffer.

Back to the angel: Sahar Bavi Rezaie and Mr Jesus Christ!

She kicked him out of the heaven. Down to earth. She got us all to laugh. When our Jesus was gone.

Where is the son of God? Why, is he not among us all?

Tupac, laughed day and night.

The daughter of God. Went for crushing him to.

-Why, did you not help me? When I was sleeping in airports, with all devils on me? Poor and in fight? Against all the devils? Why, did you laugh?

Bob Marley, speaking!

Her enlightenment is still mad. At the madness of the world. She has taken our Jesus away from us, as an hostige. He is in her home. Living as an slave. Working for her ass, day and night.

He left his kingdom of heaven (diamonds and gold, roses and billions of beautiful angel princesses) to get involved in her drama, sleeping in airports.

Bob Marley, says!

Our Jesus Christ, sleeping in airports? Seeing the: Daughter of a God. His own: Twin soul getting afraid, scared and getting killed infront of his eyes?

So, Damian Marley. She is free now. In a Budapest, Hungary. In three days, from the days date, the rapport will come out.

She is going to walk the streets of Budapest, and throwing the document on everyone.

Did, the police officers of Mother Earth. Not, tell my son. One and only: Damian Marley:

Back at the exact date and time, when I wrote this on her IPAD?

Date: 8 February, 2030

Time: 10:20

Damian, my son!

Corruption, is nothing. Don't read the stupid news my son. They tricked you all. And she is still alive.

If, she would get killed. Bob Marley would go to United States, to get Obama himself.

What did their black brother, wanted the real black brother? The father of Reggae and Love?

What did their black brothers, want the one and only: Bob Marley? The father of all black kings?

Get, up my son. And fix everything, today. The situation is getting worst and worst for them, for every second.

Jesus is going back to the heavens. So, you and 1 billion Gentlemen of Tupac Shakur will marry my daughter: Sahar Bavi Rezaie!

(Damian, she thanked me)

I told her:

-Are you crazy, girl! I am concerned for my son. And you thank me. I want him to survive. And you want war. Then we work together, as ONE. Put on my song: ONE LOVE. Order to the angel doll. Damian get her all money in the universe. For her last years in hell. She is pissed off, for money. She wants to rip the head of Kim Kardashian out. Do it instead for her, Barbie black son and brother. Tell: Lauryn Hill: You left my son? I will kill you? Get back to my family! Peace out!)

Bob Marley, ordered his own song: One Love. Stand up, humanity for Mr Bob Marley!

Buffalo Soldier, dreadlock Rasta  
There was a Buffalo Soldier  
In the heart of America  
Stolen from Africa, brought to America  
Fighting on arrival, fighting for survival

I mean it, when I analyze these things  
To me, it makes a lot of sense  
How the dreadlock Rasta was the Buffalo Soldier  
And he was taken from Africa, brought to America  
Fighting on arrival, fighting for survival  
Said he was a Buffalo Soldier, dreadlock Rasta  
Buffalo Soldier, in the heart of America  
If you know your history  
Then you would know where you coming from  
Then you wouldn't have to ask me  
Who the heck do I think I am  
I'm just a Buffalo Soldier  
In the heart of America  
Stolen from Africa, brought to America  
Said he was fighting on arrival  
Fighting for survival  
Said he was a Buffalo Soldier

He got more than: 1 billion devils on him. After death.

They stabbed him: million times. In face and under body. They could not just shoot him once, and get it over.

After his death. When he was killed.

1 billion of their devils were sent to his body, in the same apartment to kill him further. Like they did to me, year 2018.

Ali Khatami, it's war!

1 second, and you down.

This is live speaking. And the time is: 11:16

Date: Still: 8, February, 2020 on earth

In, heaven it is the same date, except the year: they have 2030 right, now!

To all Iranian angels in a United States. Thank God, that we were never Muslims. We were the "Lions" of Persia.

Get all your lion flags out. In the streets of United States, with Bob Marleys Reggae flags.

Scream: Iran, is now free! Sing and dance in the streets.

Go, to White House, with all lions from the Zoo's. With NAS, Will Smithy, Damian Marley, Tupacs friends and Outlaws!

If, you can't handle lions. Get the lion takers from the zoo's to help you. Maybe, Mike Tyson, if he is still alive. Can help you.

Micki! Micki Mouse!

He named his Pitbull: Mike Tayson. An big mother fucker. And locked the door to my room, and threw the pitbull on me.

GOD, saved me that minute from the: Satan of Mother Earth. The left brain of: Sheytan.

I got away and survived. What do you call that? Crime? Not, in 4 billion devils game.

They called it: The funny death soccer game. If you can't handle us, and all the torture on the Angel. By, the devils. Then kill yourself and leave the planet.

My, English is Enlightenment. I am writing from the heart. The mind is not working anymore, through all brain injuries of: Year 2014-2020.

His name is: Mehdi Zeitooni.

His family are around: 10 000 arabs of the richest Donald Trump sheiks in Arabs miraten and Dubai. They killed all on earth. Behind the scenes. And all your friends.

Go, through Tupacs death. And then you will understand his connection to: Mr a Mike Tyson.

Back to Persian Lions (The nerds of planet earth)

One is sitting infront of Facebook right now. Writing an status update!

"it is an great day. We just celebrated my sisters birthday. Happy birthday, Parasto. Wiiiiiii. Now, we are walking further, to grand Square. Who wants to join? Wiiiiii. Great day, all.

I wish you the best day in the universe.

The king of all

Abtin Irandoost

-----  
Get my Persian (nerd) Lion out of Spain. Our greatest king of all kings of Persia.

-----  
In Persia Iran.

You get only an devil American there, to torture him to death.

Order!

António Manuel de Oliveira Guterres. The head leader of FN!

You were big in your mouth, but small on earth. I was both huge in my words. And in my actions.

Next time, you want to send all your death soccer players of Mother Earth on me. You first ask!

-Angel, is it okey. If we start an war against you. To save our asses? I saw that you wrote very clear to all in UN and FN. and told them all, the secrets that we had kept secret. For many years.

You mentioned the dead ones, like Mr Bob Marley. We listened to your phones and computers. And got all informations.

You never do that to us. We do not care about your: Jesus, God or Archangels.

You are going out of planet earth. Like the rest. We both are finished with one and another.

For Anna Lindh, I do this. And Mr Olof Palme. Martin Luther King and a Malcom X. Don't forget about our Che Guevara or Mr Jesus Christ!

\*Get his head out of his body. Use, an doctor instrument. Like surgery. But, don't let him die.

\*Take the eyes out of his face. Use knives and torture him to death. But, still do not let him die.

\*Take his nails and eye brows out. Suck his dick and say: Here is her Prince, Mr Jesus Christ.

\*Take the dick out of the body. And stuff it into his mouth. Send the dick to Obama, before he goes down.

Before every killing. You send the dick of Antonio further like an fotball (soccer ball). All are going to suck his dead devil dick, before they go down.

We the angels calls it: The sacred ritual of Satan.

That is what they all do, in private. With the popes and poves of Poland and Rome.

Back to Iran!

Get all lions there, and throw them on: Islamic Republic of Iran.

So, Will Smith. My beautiful spiritual brother, what do you want me to do?

I am an author, writer, cognitive coach, creative teacher, photographer, designer, healer, painter, social anthropologist and a Jesus Christ's wife.

Damian Marley!

Take a look at the three videos. This is them.

They locked me up. The angel of Mother Earth. Just because I sent the videos to FN, UN and police officers around Mother Earth and exposed the: Hadrous clan!

Just watch them. And then watch the clan of Bob Marley. What do you see, that I can't see?

I see Devils VS Angels. But, your father calls them worst than that. He says: Alien UFO's.

They look very "normal". But, one of them have killed up to 1 million human beings on earth. Through the death soccer game.

An, professional player of their death soccer game of Islam. Have killed up to: 1 billion on earth. And then cloned them. Ask, your animal OBAMA!

[https://www.youtube.com/watch?v=7h07r\\_j7eGQ](https://www.youtube.com/watch?v=7h07r_j7eGQ)

Damian Marley. These are the ones I got on me. All alone. Plus 4 billion more of these!

These are the ones. Who killed all on earth. You call them: The "Muslim" gangsters of the streets.

I call them: The hidden Sheytans

<https://www.youtube.com/watch?v=3tUpkb4C9xw>

The third video, is the children of Hadrous. One of those children. Killed: Up to 1 million Brad Pitt, Johnny Depp, Orlando Bloom and business leaders of the world.

Seem, beautiful young and harmless, right? In, my fucking ass. These children are going to get burned. From head to toe. By, you all!

<https://www.youtube.com/watch?v=W7nP12-d9Nc>

I am so sorry, FN and UN. I hate you from the bottom of my heart. Not, like the others on the planet. But, deep from an angel heart.

Antonio!

This was the video. That got you to gather al, devils from America on me? Why? Was she famous? Was I not allowed to put, that beautiful angel on tv? On Facebook? Did the biggest devil whore of United States. The leader of: Illuminati owe Facebook?

I bet you did, mother fucker!

I want to show, Will Smiths wife: Java Pinket and Queen Latifah the "normal" video, that all have seen.

Is, it only banned for me?

The Imam Al Mahdi 12 of the planet?

The second: Light of the world, sent from God?

Pinky, here is the silly video. You have seen worst, right? Find that woman. Obviously, there is something very special about her?

Maybe, she was attacked just to be connected to "dead" REEVA STEENKAMP? Or, am I wrong? First comes the video. And second my: thoughts!

<https://www.youtube.com/watch?v=3JmMRzf-bnw>

Antonio from FN!

Antonio Guterres!

I first need an cigarette. And then I can handle you again. But, this time. Not, only get you tortured and killed. I mean this time: Get you directly to GOD!

GOD! PAUS! Do, the math and calculation, while a take an break. Cigarettes and a glass of wine=C-G-W=Find your own truth!

I forgot one video of the whole Hadrous family in Sweden. On funeral of: Ahmed Hadrous. There own uncle that they killed together with: Rothschild.

Will Smithy!

I was on that funeral. Playing calm. The angel of Mother Earth. All alone. The worlds greatest Iman and Social anthropologists with a touch of police officer and a whole lot of grace, elegance and style.

<https://www.youtube.com/watch?v=4mf6TuwFGsY>

Sahar speaking:

I put that video on Facebook. To warn the world about the family tree of Hadrous. I wrote all that they had killed on earth.

Bob Marley, Whitney Houston, Paul Walker, Roger Rodas, Sha of Iran Reza, Arafat, Che Guevara (Tried Michael Schumacher to put him together with Paul Walker), al, the kids in Tehran and Africa, Nelson Mandela, Left Eye Lopez, Kim Wall, World Trade Center, Ariana Grande terror attack, Tito Villanova and Cryuff.

The list is=1 billion more names. I mean: 1 billion more!

They are the family tree that all on earth have been searching for. Together with the family tree of Zeitoonin and Tanani.

The Rothschild made them and made the rest. Today the Satanic sect is up to: 4 billion.

Will Smith!

Did, you see that woman in the video? Those woman, are my woman on earth. Like, your beautiful wife: Jada Pinkett.

Jade Pinkett, knows her ladies and I know mine. That is why, we the real woman call other woman: Whores and bitches.

We, know deep in our hearts. Who are the real ladies of humanity and who is not.

Like, our Michelle Phifer and Angelina Jolie.

We, know what an real woman is. And who are the "devils".

There was one spy, on Facebook watching that video. Her name was and is: Novin Berwari.

The daughter of Islam. Who married Rawad Hadrous, brother. The real soccer player: Rani Hadrous.

She saw my video. At the same time, where I sent an message to Antonio and UN on Facebook.

I wrote:

Hi!

You are going to meet me and all Iranian Gentlemans in United States. Head Quarter of FN.

Then I mentioned the name of Hadrous and my name: Imam Al Mahdi 12.

I closed Internet and went to Sofia, Bulgaria. Wanting my money.

So, I BOMBED, all police officers on earth. UN, FN, SOS and all authorities.

So, I BOMBED, all governments and banks.

So, I BOMBED, all fireworkers and soldiers.

So, I BOMBED, all "Muslim" Imams and all the rest.

I wrote an special message to my brother. I hope that he has kept it. Because it counts as proof!

I wrote:

Get all your friends in Sweden to get all my banks. The Hadrous family is sent by the Roothschilds. And they all are in Sweden.

To all police officers. I wrote:

They killed Avicii. Take care of your own shit. And two girls in Sweden with mathematics.

Donald Trump and Antonio, got furies.

-What a fuck is she doing? Send all our men to Sofia, to the: Princess hotel.

Who, saved me there? Israel, or an Iranian couple From Israel?

Jerusalem. Was mentioned.

Donald Trump and Antonio, got so afraid of Jesus Christ, second coming. That they drew their men out of the Princess hotel.

Message to all men on earth! Write on your Facebook pages!

Name: Sahar Rezaie

I have saved the people of the planet. Those people who are part of humanity. By, saving you from real: Satan (The one and only DEVIL of the planet)

This is how he killed all your sisters, brothers, fathers and mothers. Cousins, aunts, grandparents and unborn children.

He went through your history files with the Governments and got all your numbers, and did the work for Satan.

It does not matter if they were killed in: "cancer", "stroke", "heart attacks", "car accidents", "suicide", "murdering", "flight crashes" or anything else.

HE KILLED ALL.

By, blaming on outer factors!

Please, Smithy!

You are the smart one of all. Please, my brother from another mother. Tell, them about the work of: Satan. Because I know, that Will Smith of all people together with Chris Brown, Nas, Damian Marley and T.I believe in Jesus Christ/The Universe/God and their angels.

Let's do this. One more time. The last one! I promise!

Who made the video? With an Swedish man from the government talking about  
(violence) and how sad it was that an "Muslim" man had gotten killed through violence.

IT WAS THE SWEDISH POLICE OFFICERS WHO MADE THE VIDEO!

Who did the publicity?

IT WAS THE SWEDISH POLICE OFFICERS WHO MADE THE PUBLICITY!

They wrote about his murder in all news paper in Sweden. Even in all tv-channels.

STAND UP, PLANET EARTH!

Archangel Michael, is sitting her next to me. And saying:

She sent her story, with all their names to all newspapers to test them.

She sent all the names of the devils and deaths that they had created to all police officers in Sweden, banks and newspapers.

I was there. Witnessing the whole drama.

One reporter of Sweden, could not come to ask her:

-Dear one! What has happened?

And you call yourself, human beings?

I am an angel. An true archangel. An very happy and funny one.

I have just decided to screw the whole planet earth.

Thank who?

Thank the country of SWEDEN?

It is not over there!

He took the science book of codes from the video with him. To her old apartment: Ahusgatan 7. And completed the death scenes with the death soccer leaders of Sweden.

Who the fuck, were the government's and police officers of Sweden, to even touch her beautiful and pure body?

Just, because she finally took the courage to her to: Kill whole Hadrous family and everyone in Sweden!

I said: This is Archangel Michael speaking!

Who the fuck, were the police officers of SWEDEN to grab her in her hands. And lock her up in mental hospital and take all her evidence, cell phone and computer away from her?

TO SAVE RAWAD HADROUS LIFE? SATAN OF MOTHER EARTH?

To all police officers and Government in Sweden!

This is Archangel Michael, speaking!

I am alive. Still alive. Fully alive. Through her.

She reached: enlightenment. That is why, she is going to bomb whole planet earth and burn everyone alive. Through me.

It's me, doing the job!

You put Jesus Christ.

Naked and nude. Without money, health care, clothes and bank cards in central stations, from year 2014-2018.

That is 4 years.

Will Smith!

We saw your movie (Persuit of Happiness) with her for the first time.

How many days and weeks, did that man have to sleep in central stations?

This is real story!

She was banned from all hotels on earth and all countries.

They banned her through her: cell phone, computer and bank cards.

They still are!

They have banned the angel from walking freely on Mother Earth, just because she exposed them.

She is even afraid of going to: One real hospital, because of the country of: SWEDEN.

At the same time. They sent IRS on her.

-We want you to pay money. A fucking whole lot of money. Or, we will take your apartment in Sweden from you.

They sent the IRS on her father: Hossein Bavi (Go and get him out of that country today)  
She is finishing the rapport just for him. To get him out of their devil hands.

They caught him in great debt. Put debt after debt on him. So, that he would turn his face away from his daughter and say:

-What are these debts? We are poor and hungry. We are working 24/7. What did you promise dad?

Kingdom, money and the holy garden of Persia, called Iran?

Archangel Michael Speaking to all Jesus fans on earth.

You see all churches in Sweden? Burn them all to the grounds!

Have you ever seen the bar is doll?

She believes the tough years have made her old and happy.

We are saying:

Don't worry. You are still beautiful. They could not kill your soul.

Coffee break!

Put on her song. Not mine. To piss all Muslims on earth!

<https://www.youtube.com/watch?v=GzJbsPOKtcE>

Coffee break is over!

I eat and drink through her. And sometimes stand outside of the body. Just, to watch her (beautiful breasts).

Let's continue!

To all woman on earth.

I am alive. Still alive, through her. And outside of her. I see you as clear as you see her.

What game was that, that you all played against the: Barbie doll?

What a fuck, was the for nick name that you all gave her?

Pretty boy to Jesus and bar is doll to her?

I have no honor, dignity or respect in your ugly (breast of silicon) heads?

No, brain cells at all?

We can understand, that it is killing you deeply. With jealousy to see an real woman, taking care of all men. And keeping them protected from all devils.

Was that not your work?

Wife of Zlatan Ibrahimovic. Was that not your Swedish work?

Wife of Tito Vilanova. Was that not your work?

Wife of Paul Walker. Was that not your work?

The daughters and mothers of all victims around planet earth. Who sat for days and years and cried deeply.

God, why? God, why? Why, was I the one to loose my son? Archangels why? Please, help me and restore me? I have lost my sight?

Help you? While you at the same time, attacked the barbie doll with 4 billion devils?

Help you? And restore you? While you at the same time, that you mentioned our lord: Jesus. The King of all kingdoms, attacked his WIFE.

Whores of Sweden and all over the world. Yes, you read right. His WIFE on earth.

We need to stop. For another coffee break. Angels drink coffee too. We are not invisible as you think. We walk next to you everyday and speak a lot of nonsense in your ears.

Like: Turn left!

(Archangel Michael speaking through her in real life)

-§It was such an long time ago, that I saw the sisters of Tanani: Aida Tanani and Sara Tanani in Sweden. I hope they are doing well. Can I please shoot them today. Or, do I need to get an licence from all police officers? From all around the world? What happens if I shoot them today? Will they put me into prison? But, why are ALL police officers around Mother Earth allowed to kill and shoot? I am not only the president of the world. But, I am also the: HIGHEST POLICE CHEF OF THE PLANET!

Coffee!

Nasheed Palestine. Archangel Michael, wants to see. One more time. What Mark Zuckerberg and Facebook will do to her. Through her iPad. We are now in a totally different system. You keep yourself in your own dubble whore home. And I in my beautiful iPad, among all her beautiful pictures.

<https://www.youtube.com/watch?v=giurAsjnCJE>

He sent this video to all her murderers of Swedish Parliament fighting with the Hadrous family and the Lebanon/Jordanian/Kuwait/Syria/Palestinian animals to devils for their Felestin=Palestine. While they at the same time tricked the whole planet earth. By, killing them all in their death scenes.

Whore for the Palestinian who recognized Palestine as an state! From Swedish Government. That was sent to Mark Zuckerberg. Who gathered whole: Rothschild.

-The Imam is alive. And she is her. She has threatened my whole Facebook employers in United States. Even my own police officers and guards.

That was not her, doing the job. That was: Archangel MICHAEL!

<https://www.youtube.com/watch?v=xsFVuB7itD4>

This is the video. That blew their minds. The governments could not handle an peaceful woman of Gandhi - Non Violence to keep her temper so calm and high. She put and sent the video to all governments, Imams and police officers. With true stories of Imam Al Mahdi 12 without money and hospital. Did not Archangel Michael and Jesus stories come out?

2000 pages total? From year 2014-2020?

Then we will blow up, the whole planet. She sits. We the men of Jesus Christ do the job!

Archangel Michael is saying to Sam Bavi in Thailand. (Her brother training MMA)

-Are you having fun, brother? Put, on your "devil" Facebook.

(from Archangel Michael to Shilan Miran Karanfilovski, Carina Glattstein, Sara Geranpajeh, Casey Hjartirdottir, (Martin ex of Carina Glattstein. Our True Barca fan) Milan Ramanzankhani (our true Barca fan) Poyan Ebrahimi, Abtin Irandoost, Malle "Mahmad" (True Barca fan). Devil whore: Azita Ari.

You watched my sister: Sahar Babi Rezaie, through my systems? Shilan Miran Karanfilovski. Once upon a time. When we were "children". Me and Milad Ramanzankhani loved you. Then you grew up. And stole all our birthdays and information from: IRC (Skatteverket?). Was that why, they made you the boss of Sweden? You stole my mothers companies numbers? And played death soccer in my name? Devil whore! You killed Avicii by stealing my companies home address? My own brother Avicii?

Mother fucker! Get whole: Swedish house Mafia in United States up. For real death soccer game. I have been through hell. Because of them. And now: Archangel Michael and my sister: Sahar Babi Rezaie. The president of the world. The owner of all countries.

Have just made me the: PRESIDENT OF NASA, ALL ATOMBOMBS, BANKS, SOLDIERS and the ruler and leader of Tupac Shakurs homies. The OUTLAWS and BONE THUGS N HARMONY!

We will run this world. Whore=Beyoncé. Not the woman of Illuminati. But, the gentleman's of Archangel Michael, Gabriel and Raphael!

Coffee break!

Beyoncé (Leader of death soccer game in United States. Killed up to: 50 million children of Jesus Christ. Just in United States) Lived for 100 more years than you all knew. The murderer of: ROSA PARKS. Nick name: Jimmy Choo.

[https://www.youtube.com/watch?v=VBmMU\\_iwe6U](https://www.youtube.com/watch?v=VBmMU_iwe6U)

Archangel Michael, speaking! Sent from God to humanity!

What does an devil "artist" like Beyoncé have to do with Sweden. Why, are just mentioning the country of Sweden?

Archangel Michael says: We take 30 minutes more, to finish of our work.

She thinks this is funny. Just to crash and put down the devil whores. She dances and laughs. Love to use music videos and calculated "bullshit"=That was what her 1000 pages Infinity project, left in Sweden. To save the whole planet was called.

Archangel Michael says:

Bullshit=  
2-3-3-3/SHIT/19-8-9-20

Who was born with those numbers on earth? Does he or she have the same numbers? Maybe: 1 million with the same numbers? Like, astrology? How come, we find the exact human being, out of 7.5 billion?

Answer:

We see everything with our inner eye. In your world called the: Third eye.

We see everything through source, God, heart and intuition.

We use our intuition and heart at the same time.

Now, I see an babie walking from one room to another. At the same time: The barbie doll saw her own sisters son, walking from hallway to room.

I calculate that to:

His name: Dominik

We mentioned his "murderer" Casey Hjartir Dottir in Sweden. Have not just gotten the chance to kill him, for all SWEDISH POLICE OFFICERS.

So, the name Archangel Michael would get without her help. The hugest angel of all 7 levels, would be:

Dominika!

This is live. No, cheating here. We do not use calculators, programs or systems. We are TRUE ARCHANGELS.

Dominika=  
4-6/4-9-5/9-11-1

Her sister: Bahareh Back's son: Dominik. Left behind in Sweden. Michaels only son. Was born on the same day of Anna Lindh. Long time ago: President of Sweden. Who was killed, because she saw 1 video of her role model. By the death soccer connection leaders in Sweden. Mahdi Zeitooni and Aida Tanani.

Back to the numbers. Do, you see anything similar between:

1. Dominika=  
4-6/4-9-5/9-11-1

And:

Bullshit=

-Mother! I have seen all your fights with father. Mother, take him away from me. Mother, he is touching me and you all over the place. Mother, I will choose the name: DOMINIK! And be born on ANNA LINDH'S birthday!

His name is going to be Hetem=

8-5-2-5-4

Archangel Michael says:

I am no player. Like you all on earth. This is his true soul speaking. An five year old. Back to the Queens, sisters son: Dominik.

-Mother! Kick him, out of planet earth. He has played an death soccer game with you and your whole family. When I come out of your stomach I will go to him. Directly to him. To his stomach. And ask him, for all information.

Archangel Michael and Jesus said in my ears!

-Go, to Hetem Sejdui (The ALBAN KING) in Sweden and get all information from your "fathers" stomach. Ask him if everything. He is both blind and dumb. We have given him: POISON.

Ask of Anna Lindh, Olof Palme, Kobe Bryant and Paul Walker. Ask him about the devils: Casey Hjärtadottir, Mahdi Zeitooni and Aida Tanani.

Take all information out of his body. But, don't tell anyone. And then we will erase all memories from your brain. Like we did to your: ANGEL QUEEN - SAHAR.

Hetem Sejdui is still alive and well in Sweden. With Mehdi Zeitooni, Aida Tanani and 10 million more devils?

PLANET EARTH, STAND UP!

The angel is so sweet. We said to 7 am. But, we took 30 minutes more. Just, for this ending.

Take only her family out of Sweden and throw in BOMBS!

Order from Archangel Michael and Jesus Christ!

Jesus:

-Yes, you were true.

Second coming of Jesus. Do, you know what I want: Will Willy Smithy Smith of Fresh Prince of Bel Air?

An red carpet and all my fans, there waiting for me!

-I just saw through the angels eyes. An guy somewhere out in the world. She saw: Sofia, Bulgaria. In a coffee house with Marilyn Manroe design. That he jumped up from his feet's and said:

He, is here. Crying. Jesus, is here. Everyone stand up. Our Jesus has come.

Read, read, read. What does it say more? Read, read, read! Find out all names. Read, God Damn it. It's our Jesus!

On phone to his mother!

(In future)

-Mother! Jesus is here.

Mother:

-What?

-Mother, Jesus is here on earth. He just told everyone through an rapport. That he is here. Mother the rapport is in my hands. I am holding the words of Jesus (Crying).

SWEDEN!

That is the people of CHRIST!

We are done! Take only her family out. They are going to take baths in: Banks. Live in Kingdoms. Travel the whole planet. With body guards and money all over them.

People of Jesus. Go, to Sweden and find them all, today and take them out. And I see you, out there!

Date: 9 February, 2020

Time: 07:29

No, calculation or math.

People of humanity. Einstein learned that by herself. Because of three things!

They killed her grandmother 3 days before her birthday, year 2000.

They killed her uncle 3 days after her birthday, year 2001

Year 2013 they killed her little angel cousin HOSSEIN TANANI. Our truest angel prophet of Allah, on 3 of March.

The angel prepared herself for the greatest war ever! Without our permission and no permission from God.

He threw her out of his kingdom. And said: you are on your own. We said: NO WAR!

So, she fought against 4 billion devils on earth, all alone. Until they locked her up in: MENTAL HOSPITAL.

3 days after 11 September

3 days before 11 September

3/3-2013

That was all that she had. And then memories of her past came back. And she fought. Made war and killed them all with true: KNOWLEDGE!

Jesus and Archangel Michael

NAS!

This is how all on earth got killed.

Coolio and Michelle were symbols for 911

Poor Paul Walker got killed because of an blue cap/hat.

Reeva Steenkamp got killed because she matched the name of Paul Walker and Roger Rodas hat.

John Cruyff got killed because of an VOLVO jacket

Tito Vilanova because of an car plate that matched his birthday

We, are talking about all deaths on earth. That is why, I got: 4 billion of planet earths devils on me. So, that the truth would not come out to humanity.

NAS!

I am an person, who truly feels sorry for the: homeless, poor and sick. I never ever cared about anyone else, until they killed my youngest cousin: Hossein Tanani.

That was when, the war against me started.

I do not regret anything. I defended all his and my rights on the planet!

If, you want to kill us. Please, I am begging you. Like: Whore Queen Rania of Jordanian.

Take an fucking gun. Infront of anyone, and kill us.

They did that to Martin Luther King, right?

But, you NAS. Never got the story behind the killing of Martin Luther King!

One last video. I swear on everything Mark Zuckerberg. That this one is from the bottom of my heart and soul to you.

It's the song I put up on Facebook. Your home.

My Ipad, is my home.

You kicked me out of Facebook. Because of that song.

The light of the world. Just wanted to tell the people of the planet. My two brothers: Joe Reagon and Russel Brand.

WE WON!

Now, I remembered the second video. Thank you, Russel Brand. For not knowing anything. With that video, that you made. You, my angel saved my life.

Back, to the "homeless" guy in Budapest who bought me an buss ticket to the airport in Budapest. So, that I could get to hospital, 1 year ago.

Mark Zuckerberg. Do, you remember the airport? The second homeless girl (The drunk) one. Who saved my life?

I still remember her!

She showed me your Facebook. And took my e-mail. I left it un-locked on her computer.

I wrote my name and sent half of the information to her computer. And my heart said to hers:

-You are homeless now. But, one day you will understand what I did on your Facebook and computer. Let's celebrate New Year together outside of the airport. I just sent: The Infinity project, through your computer (IP - ADRESS) to mine.

I just sent the mail with the new nickname to your mail. My, girl you are billionaire now.

If, I die tomorrow. My own brother, sister, father and mother will search the whole world, for anyone who met me along the path and show my picture. Then you tell them:

I guarded that son of an bitch. I told her, let's go to my place. I have an home. That I can't afford. That is why, I am on New Year in the Airport.

I left my lonely home, to be with you. Sitting on the ground and keeping you safe and sound.

Do, you see the two police officers over there?

-Told her!

The guards are watching you. Please, do you want to get killed? Let's go to my place!

She said:

I am not leaving the airport. I just texted my mother: Massomeh Rezaie and told her that I was in the Airport of Budapest.

The Government of Sweden, have just closed down my bank account, in the middle of the night. So, that I can't go to Bali tonight, to my own doctors and celebrate New Year there.

I begged her and cried. (Me, an silly and "homeless" girl)

I took up an bottle of Champagne and said: Cheeeeeeeers, it's New Year!

We hugged each other and smoked an cigarette.

We, had 4 devil whore cops all around us.

Me, the "homeless" girl of: Imam Al Mahdi 12. Went up to the police officers and spoke Hungarian.

-I said:

Police officers with your Pitbull dog. Do you want some Champagne?

They laughed at me and her!

They took their phone up. And I dragged her out of there.

I begged her and even cried infront of her.

I said: Dear one. You just killed them (Live) by saying: Budapest. It was Sofia, Bulgaria right?

Notice ("Homeless" girl speaking to who,e planet earth through her soul)

I was an police officer and she knew it.

I cried and said: Lets go to terminal 2 and hide there, until you get your money and get your FUCKING ANGEL SOUL out of here. Do, you mother fucker hear me?

She argued, Mark! She said NO! I am going to stand her and even sleep infront of all police officers of Roothschilds.

Mark Zuckerberg (Police officer of Budapest/Sofia speaking) You remember me?

Get all videos of Sofia, Bulgaria Airport. 31 December, 2018 up for whole planet earth to see it live.

Mark Zuckerberg and Facebook are now DOWN!

Goooooooooooooooooooooooooal!

I sent the information and her name to all other cops of mine. Did they do anything more or I? No! Why, should we? We also worked for the devil whores! But, I saved her life.

She begged for an computer to finish her task. I threatened her. And said:

-If you do not get out of this fucking air port tonight, after New Year I will call all police officers on you.

She believed in me and said:

-Okey. I am not done yet. Take me to an Internet cafe (In her heart she said. While I listened: I am going to KILL WHOLE SWEDEN)

I took her to city center and the Internet cafe was closed. She promised me, to take in to an hotel. She ordered the room through me. And got away.

To, TODAY be the: PRESIDENT OF THE WORLD

Mark Zuckerberg. The guy in Budapest who helped her in the middle of the night with an buss ticket. Playing MMA dude and "homeless" was one of my guys.

We helped her along the way.

We all knew that she was in great danger. Surrounded by 4 billion devils. All wanting to get her down.

They were her true angels of humanity!

Mark, for you we are hidden and "homeless". But, that was just an mask an theatre to get you all.

We, begged her to help us. By, seeing us without food and money. While we the "homeless" people of humanity. Had 1 dollar over to pay for her ticket back HOME TO BALI!

From the soul less doctor to inspirational teacher, to police officer of Sofia, Bulgaria and Budapest.

You are now finished and gone!

The heart inside of me said: No!

Why?

Because, when I am done. All "Woman" on earth are going down with Mr Putin and Donald Trump.

I walked into an random restaurant. And went out mad, to smoke. When I saw and sign written on the Wall.

ELVIS!

You are sitting in front of me now. I am holding the gun. And You only Laugh and smile, as a little child and say:

-Shoot me! I am done! And I shoot You. And next comes the other president in. Mr Putin.

-Are You done, now? You have made us bare naked? You have already ripped off all Our clothes. And You are mad? We have lost. And lost everything. All the hard work, to get the planet away from the universe and all systems. Shoot me, and get over with it.

Not, yet Mr Putin, Obama and Donald Trump!

First You hear Some real shit. And then I am done!

Elvis was killed by Hitler? Alright?

I said, Elvis was Shoot down by Adolf Hitler, right?

Rawad Hadrous was Hitler, and Adolf Hitler, Putin right?

Let us get One thing straight. What You have done, is beyond anyone's imagination. But, I am still alive.

Humanity!

Did, the police officers of Sweden, not save your asses? How many died on earth, from yesterday to today? Ask and count!

His name was Elvis. A young boy in Sweden. He was killed by the police officers and Rawad Hadrous. They killed him to, so That he could be connected to the real Elvis.

He was a Yugoslavian Guy, a few years older than me. He was killed, a few minutes after I walked past him, after a nightclub visit.

I wrote about him, year 2015. Before the whole Illuminati jumped on me.

Was That an interesting thing, That You did not want to talk about?

To, humanity.

I am mad at You. Mad as hell. I want to take away the whole planet with your help. Why? Because You Left me all alone, with all of them on me. So, help me now To get the planet out of Our systems!

\*Year, 2016 I said to the "gentlemen" of Sweden.

Is, there not an group of gentlemen, who can keep an eye on me, my path, Facebook, social media. But, Specially bank account?

The devils took it:

-She is meaning us! She is focusing on us. Lets kick everyone out. And keep an closer eye on Her BANK ACCOUNT!

The date is: 11 February, 2020 (TRANSCOM)

Time: 21:44

Im am writing This through: Archangel Raphael. He is helping me to write This, in deep influenza.

The year was: 2012 and the story ended 2014 (We thought)

My brother (The World biggest ANGEL hacker of devil companies) broke the codes of an huge telecom company, and broke Their systems.

Archangel Raphael says:

TRANSCOM!

The same huge telecom company, who broke all systems of Ours? The ones We had hidden up in the sky? Are You talking about the same: TRANSCOM?

THAT ALL POLICE OFFICERS ON EARTH, KNEW WORKED WITH THE DEVILS IN (MARYAM ZEITOONI) SMHI?

The same SMHI=Weather broadcast. That watched all "Ufo`s send Their allies down to earth? The same MARYAM ZEITOONI in Sweden, who worked with all SWEDISH devils, on all Their television chanel and Newspapers.

What happened? Tell me through the heart. And I Tell them the story!

Archangel Raphael says:

The story short!

All wanted the brother of Sahar Rezaie down. While they themselves had broken the laws, on million points.

The son of an bitch. Just showed: JESUS AND THE ARCHANGELS who the damn they were!

TRANSCOM!

Operated in Barcelona. By, killing: Mr Tito Vilanova and Mr Cruyff by using and abusing Their: TELECOM NET!

So, after all: POLICE OFFICERS in Sweden, went after the brother. All the rest laughed and got away.

Get the brothers of Hadrus out of Sweden. Say: Archangel Raphael, Michael, Gabriel and Jesus Christ. Wants to see them with Mr ARAFAT!

He is waiting to see his: Palestinian devils of Mother earth.

Back to TRANSCOM!

They are masters at hiding money. Right, the Swedish Government? Who used them with your Green Cargo (Rail way stations. Old SJ) To take down the: GREENFELL Tower in London, right?

Where did the fire, start? Who was found First among the victims? Same name as the highest VD and top chef of: TRANSCOM?

Two men (European look) walked into Cavalet shop. Where Their Mother had an shop. Took up the gun, from TRANSCOM to Kill: The Imam Al Mahdi 12.

We, are saying This true infront of whole planet earth!

All men on earth are going to buy Her Guns and bombs today and follow Her into Sweden. Where She Will: KILL EVERYONE!

-----

The time is right now: 22:09=

I Archangel Michael taught Her all about the clock and all calculations. Is, TRANSCOM, Sweden and Their Government going to take us to court? Like, they did to: Sam Bavi and later: Sahar Rezaie?

Under Which Rights? Because, We just have told the men on planet earth, who vryle killed all on earth?

Is, That an crime?

What about your Tax office lady: Shilan Miran Karanfilovski Who sold Her "WHORE" devil black devil non soul to the devil?

Did, She go to court? For selling the whole family of: Bavi and Rezaies company information and bankaccount information to: Hadrous, Zeitooni, Tanani, Swedish Government, tax offices, IRC, TRANSCOM, City of Borås, Swedish Government and all police officers?

Did, they go to any court or get an: Confusing "point".

-You are banned now, for 5 years to borrow money from all Our Banks. You Will go down. Without Our money. At the same time were We Will steal all your belongings in your home. Even your: work computer.

Did, your whore go to PRISON? For stealing private information and sell it further to all: Death soccer conn3ction players of Mother earth?

From Archangel Raphael!

Did, Milad Ramanzankhani get any points. Although he helped Sam Bavi a lot. He made it billion times worst. By not getting the friend: Mehdi Zeitooni. While She begged him. Back year: 2014. Out of Her systems.

Did, not the brothers of Ramanzankhani know both TRANSCOM and ARASH the artist? The greatest Iranian/Swedish artist of Sweden? Married to the blind Whore of Dubai (Marita). Brother best friend with the Ramanzankhani?

Did they get any court or Lose everything? Any points? Jail? Prison? Or, anything else?

The Infinity project (First half) was done back year: 2015.

There We sent it to all in Sweden and gave them instructions.

-Here are the massmurderers of Mother earth. They are called:

Mehdi Zeitooni and Zeitooni family, Aida Tanani and Tanani family. We mentioned the Hadrous and all the rest.

We wrote very clear and right.

SAVE THE PLANET!

They are your: HOMIES AND FRIENDS!

What crime Did: Sam Bavi Do?

Did he Kill up to: 1 billion people? Or, worked as an awesome hacker to break the: Swedish telecom into billion pieces?

What crime Did Sahar Rezaie Do? To get an point? You are now banned, to borrow money from Our Banks. And now is also your father: Hossein Bavi.

Rob, Kill, slaughter and Kill all on earth with Their informations and then Put them in jail and banned them from Our systems and Banks.

Archangel Michael says together with Jesus Christ!

Do, You: Mother fuckers. Know? What You have done against: ONE SINGLE FAMILY?

Why, did Sahar Rezaie get on point? Be Put behind bars. Crying, after help. From whole planet earth?

While the rest in Sweden were laughing after 6 years of: LIVING HELL?

Because She borrowed small money from your small Banks. To have an roof over Her head and food for the day. To save your: ANIMALS to children from getting killed?

Like Tove Moberg and Ebba Åkerlund?

Why, did you put. More than 12 juries infront of Her last year? In the Middle of: Mental instuition? For What crime?

Jesus says:

I Do not want to Tell my boys, the silly crime. Because You Will both Laugh and cry.

She said:

-Hadrour. Hadrour. Hadrour together with Zeitooni and Tanani. I am an socialantropologist. Get me out of Here. Please, call the police officers outer seas. And take me out of Sweden. I need: HOSPITAL. I can't speak. I need: Dolphin Therapy!

12 members of an jury. Who slaughtered Her into billion pieces with your arabic Muslim whores of Lebanon? All together with More than 20 devil doctors?

THE TIME HAS COME. PLANET EARTH!

To, take the whole planet away!

We wish You well!

This is: Imam Al Mahdi 12, speaking!

I am seeing whole humanity in front of me, like GOD!

The GOD, of all GODS!

7.5 billion are standing in front of me. And I am only: One.

I said: 7.5 billion people from all countries are standing in front of me, in a small ball called: Mother earth.

The same ball, That I used to love and adore.

The small ball That I fought for, for the poor children of Mother earth together with all homeless and sick.

I was ready year: 2014 to introduce the: SUNSHINE WORLD PROJECT in miniature form to:

\*Oprah Winfrey, Vischen from MindValley, Anthony Robbins, Eckhart Tolle, Paulo Coelho, Messi, Iniesta, Guardiola, Xavi from Barca, Deepak Chopra and daughter, Nassim Gorenge, Joe Reagon, Russel Brand and the best out of the best on earth.

I had selected my: Mother earth team with a bunch of losers and assholes from Sweden, who were supposed to work as healers, lightworkers and coaches such as: Kjell Haglund and his devil group.

The - Heaven on earth project - Sunshine World took me 19 years to fulfill and create.

Year: 2008-2012

Carina Glattstein, Shilan Miran Karanfilovski and Their devil team of death soccer, brought me down in an accident. Where I got hospitalised for 2 years. Paralyzed from head to toe. And two more years of full Recovery.

I got back up, after 4 years of living hell. And finished all my social Anthropologist studies and made all projects ready to leave to United States to find Mindvalley and to speak to Vischen about my: Heaven on earth project and New Government of Mother earth. Called the:

SUNSHINE WORLD!

All 197 countries were counted and involved in That project. That would include all Governments of Mother earth to work with us. Not, against us.

I included all: Leaders and presidents. All Their Banks, soldiers and police officers. We would not be an threat to them, But only an: New Governments Who would support them, million times better.

The dum me. Introduced the whole idea to Sweden First. I sent it to them. To the people of Sweden and said:

This is What I am working on. Your country is going to be the best out of the best. One of my Sunshine countries. Can You please help me, find the rest on the planet. So, That We together can save: Planet earth!

The Idiots instead felt scared.

-Is, She going to take over Sweden. Gather all against One. She is talking about:

Heaven on earth against the devils. That the planet like now looks like an fucking shit whole, made by Some devils on earth.

I just spoke and wrote from the heart! I did not know, What was waiting me. Years 2014-2020.

They gathered 1 million of the worlds toughest and most disgusting devil animals of the planet. The three leading devil families, That I had seen through my childhood.

Tanani  
Zeitooni  
Hadrour

They gathered whole ISLAM and all Kings and Queens of Saudi. And all the rest.

By, slaughtering Me and killing me, in billion pieces by year 2016. They continued. And by year 2018. They were up to One billion. And More I dont remember.

I have just woken up from coma. Ciggarettes and wine, is the only thing That has helped me survive.

Year: 2014  
Year: 2015  
Year: 2016  
Year: 2017  
Year: 2018  
Year: 2019

I screamed for help. I even wrote to children from my kindergarten when I was small. On Facebook.

The police officers of Sweden, is not helping me. I am down. Get the: Hadrous, Zeitooni and Tanani down. I am dying Here. I am Imam Al Mahdi 12.

I wrote to all police officers outside of Sweden. Embassies. SOS. UN. FN and all Imams of Saudi and Middle East.

To all newspapers of the World and to the newspapers of Israel:

I need Hospital. I have just saved all Jews from the second holocaust. Their name is: Hadrous with Their Satanic leader: Rawad Hadrous.

Satan of Mother earth. He killed all: 1 billion people. Please get me help!

The date is right now: 12 February, 2020  
The time is: 11:47

Allah (big) said:

Allah on earth, choose on of the roses. Which One Do You choose?

I said:

The red One. I looked at it from far away. And I saw tears of diamond in it. Was it real diamonds or all the tears of mine?

Allah (big) said:

The heavens have cried for You. For your destiny on earth. What an beautiful path You choosed. To create: Sunshine World. Go and pick up your flower and give to your both parents: Massomeh Rezaie and Hossein Bavi. And say:

We are now in 2020. So, She read about KOBE BRYANT and the IRANIAN AIRPLANE "CRASH"?

We knew That This was coming toward us. But, not That fast.

She wrote all This. In That condition after KOBE BRYANTS Dead. She must have loved him, as much as Her young cousin: Hossein Tanani, back year: 2014.

We are Dead, now. Are We?

The bottles sent from Allah down to earth. To all: (message)

Bottle 1=The highest and most dangerous "devils" of Mother earth. The angel calls them: Devils.

We, the GODS and JESUS CHRIST say: ISLAM

Sam Bavi!

The brother of the Imam Al Mahdi 12. This is not your little sister writing. This is real Jesus Christ, through Her and in Her room. He just don't like to write on a computer.

He is an real man. He walks the streets of Mother earth and send out his message. Like he did in the old days.

He knew nothing about technology or Internet. No, computers or bank systems. But, One thing he knew: Governments and the WHORES TO KINGS OF ISRAEL!

Open the gateways to hell. The bound between Gaza and PALESTINE. They blow up the whole: Middle East but I save the: Palestine. For the real people of Palestine.

GOD AND JESUS CHRIST SAYS!

We beg Sam Bavi, with One thing.

When the Government of Sweden took Her into mental Hospital by sending the message to your Mother.

Massomeh, massomeh. Your daughter is insane. We are your true friends. Call the police on Her.

Jesus and God laughed!

Yes, yes, yes! She Will understand Why They FAILED!

In there She met the: KING OF PALESTINE!

His name was Mohammed with an huge key on him. And he Said to Her:

-Allah! Allah! Allah! Ask always Allah for forgiveness and help the poor. And Allah Will forgive You, for being mad at others. Forgive them, for Allah`s sake and You are free.

He hit on my girl. But, Her soul did not want to listen.

He showed Her the key and said:

This key I got from Someone. He said to me:

I give You the key to Palestine. This is the key That Will open up Our doors again. Allah, Allah, Allah.

I have keep This huge key in my pocket since then.

The: Imam Al Mahdi 12 told him:

-Palestine is yours. I swear soon, You Will open Palestine with the key of yours. And be the King of Palestine. My own love and light brother to angel. How the hell Can You be so beautiful and kind? Going and buying me everything? They have locked me up. But, not You. You are allowed to walk outside of This prison.

And he laughed: He walked as an KING with his Palestine (Sjal). Going around and kissing his Palestine flag.

-We are the children of Allah!

She watched This video with him, from Her room. Over and over again. To show him and remind him, of Who She was. When the time was ready for That!

<https://www.youtube.com/watch?v=giurAsjnCJE>

Back to the bottles!

Bottle number 1-5 have hidden two behind them. We call them. The true killers of whole Mother earth. The KING AND PRINCESS OF ALLAH.

Allah says. The big Allah!

No, bo, No! She went with Her intuition. She was about to write: Novin Berwari (Princess of Allah in Malmö, Sweden) with Her real KING. Not, husband. The little brother of: Rawad Hadrous.

We congratulate Her!

She was right!

The most beautiful Princess of Middle East and Her Muslim Brad Pitt, killed all.

Back to the Palestine Nasheed!

Finsbury Park! Finsbury Mosque! Of London!

We have your "Muslim" Imam and prophet with us. Who got killed.

-----  
The line That You bow saw. Is the New soccer Field between Me and them. This is personally to You:

The New President with Mr Enrique Iglesias of South America!

The project was called: Infinity Project (3 parts I think) With One named: FINALE GRANDE.

My dear brothers, to presidents. I am so sorry for all wrong writings. In Some meanings I write Know, instead of now. I write there instead of theirs.

I can't write or spell. I Do it only through the energy and power of God.

As my soldiers of God. Take This rapport and get the kids of South America, to write it correct with English grammer check.

That is very important for me. Do, my presidents want to know Why?

I did the most beautiful humanitarian project. Called the: Infinity Project. To save Mother earth.

Jesus Christ, now wants to speak to You to two!

Hi, my guys on earth! Or, Her guys. I would choose my own angels with Jesus Christ cross and Jesus signs of: SECOND COMING!

Why is She still That scared? Ask Her Why? Come to Budapest and Ask Her in Her own prison, with Jesus Christ and all Archangels around Her.

To Her. From Jesus Christ!

Just damn it. Tell them about the Infinity Project. Tell them, without old stories That:

She made an project named: Infinity Project and Finale Grande. Were She wrote perfectly English and Swedish to humanity. About the death soccer games.

She mentioned all devils and did beautiful mathematics. We think it was about More than: 50 000 pages. If We have not count wrong.

She sat for two years. 24/7 in finale war. And finished the project. Without money, food or water. From all airports on earth.

They closed Her from speaking to Her: Father. Hossein Rezaie and Mother: Massomeh Rezaie. From telling the truth.

They stopped Her from traveling in airports and closed down all Her bank accounts so That She would get killed in silence without anyone knowing it.

They took all Her warnings. From Her free inspirational and motivational e-books. And gave those money from Her Swedish bank account:

Bank name: Swedbank

Clearingsnumber: 8480-6

Banknumber: 994 944 192-8

Sahar Rezaie

To, Rawad Hadrous WHORE to Islamic Republic of Iran, Mother.

The same whore Who killed Mr Che Guevara and the Miss Universe's of Venezuela and all the rest of Latino brothers. Like your twin brothers: Álvaro and Gustavo from Sweden. Who sang: 88 soldiers.

We have Put on: 11 More. To become: 99 soldiers. And those are the Archangels sent from heaven down to earth together with me: Jesus Christ.

Get the whole Infinity Project out of Sweden. It is in the hands of all devils.

They ate. Partied. Celebrated and made war against the Angel of God. For What? Some piece of money?

Forget about This project? Was it nice, my dear Archangel Nicky? Get the other One. With:

Digital art in every page. Doors going into other door. Digital Doors, being opened with digital keys. Perfect writing with all deaths and Einstein mathematics.

The two devil doctors of Swedish Government came to Her own love and light castle in Sweden.

Her Mother cabbini!

Order to my two youngest presidents of Music World!

Find the Mother of the angel. And get all Her houses. From the ground out of Sweden. Specially That cabbin, in Sjöbo. Outside of Malmö.

Get photographers from all over the World, to take pictures of even: The hidden Dead ants in all of Her houses. Even Her fathers death soccer apartment.

Get all police officers of your countries. Latino countries to help You.

You are my children of: Mr Jesus Christ!

Burn my churches. I have found my wife. Just get Her: Infinity Project. All pages together with all Dead soccer players out on national tv.

Do, not read the math. Only She, Einstein, professors, Archangels, earth angels, high priests, Imams of God, God himself and the: DEVILS ON EARTH understands them.

That is Why, I have said to Her. No, pictures in This rapport.

Did they not send the angels face out, together with Her: dead body out to the World? On National tv? Like She said: almost 4 years ago? What about year: 2014?

There You can all see, old pictures of Her. There She was an:

Unbehaving child. Ruthless and toxic waisting for war. Non disciplin. No rules. No laws. Ready to fight=

A Non God like Princess!

Today She is: The exact same person. But, hundred times worst. Okey, no kidding. Billion times worst, after the last 6 years. She is ready for: WORLD WAR 2.

From Jesus Christ to all my angels out there. The time is running. Get the project out with all names.

Send the project everywhere, with This rapport.

She herself, can't walk or Do anything More.

Get them all down, in 2 hours.

1 hour for me. And the second for Her.

For Our 6 to 7 years of LIVING HELL!

Get Her Mother: Massomeh Rezaie`s cabbin out of Sjöbo, Sweden and all 5 houses.  
Even Her brother: Sam Bavi`s.

Ask Jesus Christ, Why?

I am ashamed to talk about it!

Burk They crucified him One More time, in That cabbin.

They came. 4 billion against 1. Against the second coming of Jesus, so That he would miss his flight back to earth!

She asked me!

-Do, You want to Put an song for them?

-I just looked at Her.

-Archangels! Why is She laughing. Is She serious?

Okey, One song to humanity from Jesus Christ. The man WHO never listened to rap, hip hop or any kind of music.

She found all my angels through music. And I found One of Her favorite songs. Which became mine!

BeeGees - To Love Sonebody

<https://www.youtube.com/watch?v=QHtGu0OGEpc>

Next time, You see us. Will be alive. Holding hands, like in your most dream like love life!

Thank You!

Your second coming of: MR JESUS CHRIST!

First One on the list: Bring Carina Glattstein to me fully alive!

\*Year, 2004: I met the bitch

Birth: 7 August, 1982

When I met her. She was together with a Guy called Martin. A great soccer fan of Barca.  
They were together for more than 5 years.

\*I got contact with the whore, through another devil whore of the Swedish Government.  
One of the worlds greatest death soccer connection players: Shilan Miran Karanfilovski.

\*We, went on a Concert with Joe in Malmö, Sweden.  
Song: If I Was Your Man  
His full name: Joseph Lewis Thomas  
Birthday: 5 July, 1973=5-7-2

\*Direct after the Concert, we booked an flight to United States when we both were  
drunk. We just happened to like the same country.

you. The NY 11/9. Twin Towers happened because of me. I lost more than 2000 of my  
people. Thank you. Bye)

-We went to their beautiful house.  
-First night, earthQuick and the bitch woke me up, laughing.

\*Do, you see? Look, its an earthquick.

Here begins Paul Walker and Roger Rodas death scen. Which Carina Glattstein sold to:  
Krystyna and her famous Doctor friend in Santa Barbara. You do the math. His daughter:  
Meadow can be: both my spiritual sister, police officer, angel, detective and master of all  
woman. Because the story is true.

Went to Hollywood and saw: Tyrese Darnell Gibson, called: Tyrese and Black-Ty, Born: 30  
december 1978=3-3-7. At an huge party. We did not go in. Saw him at the entrance. I  
still remember it like yesterday. And she was not let inside. So we went on to an bar.  
Which bar?

Next place (The name of the bar unknown. Do you think that I am a fucking computer, or what? When there are police officers, to mother fuckers, to losers, who could have stopped the bitch. Long time ago?

Anyway, there we saw person number two in her death game with Paul Walker and Roger Rodas. Because we saw: Mitch, in Baywatch.

Name: David Michael Hasselhoff

Born: 17 july, 1952=8-7/8 (Carina Glattsteins birthday: 7/8)

We went after Hollywood to Las Vegas and stayed at the: Flamingo Hotel. And there we met: Tony Braxton. Born: 7 oktober 1967=7-1-5

Celine Dion: 30 mars 1968=3-3-6

Britney Spears: 2 december 1981=2-3-1

Justin Randall Timberlake: 31 januari 1981=4-1-1

She meets an asshole with the name: JEFF=1-5-6-6. Living in a garbage can in Beverly Hills=90210

Airport: LAX

The woman Krystyna. The landlord whore. Took us to: Huntington Beach. And it became one of my favorite places ever. Specific with that day=ED HARDY store.

Went and visited all malls in OC. Maybe, my receipts are still there? Hanged up in the White House? Obama, Bush and Putin looking at them still? Ohhhh, what a wonderful trip they had.

Offcourse, koskesh. I had the greatest time of my life. It was so nice to visit your country, that one day would become mine, with all banks in it. If, I dear: Sahar Rezaie Bavi (Imam Al Mahdi 12) would just remember the story. Right Putin? How was all your trips to United States? You had as much fun as I had? Hanging all over Las Vegas. Dancing in the hallways of the malls at: 05:00 singing out loud: I AM THE PRESIDENT OF THE WORLD. NIIIIIIICE!

We got back from a United States to Sweden. What did we learn from United States? A short review? NIIIIIIICE, PUTIN!

So, planet earth. The two bitches were living: La vida Loca in Dubai. Like two cheap prostitutes getting everything for free, from the: "Muslim" Arabic dogs and animals.

Carina Glattstein. The biggest prostitutes of Sweden. Who gathered all people and police officers of Sweden against me. To crush me. To take me into prison - mentalhospital to look me up, year 2019. Because I stood up like, who humanity? Like:

She moved to California, when we were teenagers. Here name is:
